Handbook Of Religious Conversion

Lewis Ray Rambo, Charles E. Farhadian

Handbook Of Religious Conversion:

The Oxford Handbook of Religious Conversion Lewis R. Rambo, Charles E. Farhadian, 2014-03-06 The Oxford Handbook of Religious Conversion offers a comprehensive exploration of the dynamics of religious conversion which for centuries has profoundly shaped societies cultures and individuals throughout the world Scholars from a wide array of religions and disciplines interpret both the varieties of conversion experiences and the processes that inform this personal and communal phenomenon This volume examines the experiences of individuals and communities who change religions those who experience an intensification of their religion of origin and those who encounter new religions through colonial intrusion missionary work and charismatic and revitalization movements The thirty two innovative essays provide overviews of the history of particular religions including Hinduism Buddhism Confucianism Taoism Sikhism Islam Christianity Judaism indigenous religions and new religious movements The essays also offer a wide range of disciplinary perspectives psychological sociological anthropological legal political feminist and geographical on methods and theories deployed in understanding conversion and insight into various forms of deconversion Handbook of Religious Conversion H. Newton Malony, Samuel Southard, 1992 The Oxford Handbook of Religious Conversion Lewis Ray Rambo, Charles E. Farhadian, 2014 The Oxford Handbook of Religious Conversion offers a comprehensive exploration of the dynamics of religious conversion which for centuries has profoundly shaped societies cultures and individuals throughout the world Scholars from a wide array of religions and disciplines interpret both the varieties of conversion experiences and the processes that inform this personal and communal phenomenon This volume examines the experiences of individuals and communities who change religions those who experience an intensification of their religion of origin and those who encounter new religions through colonial intrusion missionary work and charismatic and revitalization movements The thirty two innovative essays provide overviews of the history of particular religions including Hinduism Buddhism Confucianism Taoism Sikhism Islam Christianity Judaism indigenous religions and new religious movements The essays also offer a wide range of disciplinary perspectives psychological sociological anthropological legal political feminist and geographical on methods and theories deployed in understanding conversion and insight into various forms of deconversion Handbook of Leaving Religion Daniel Enstedt, Göran Larsson, Teemu T. Mantsinen, 2019-10-07 The Handbook of Leaving Religion introduces a neglected field of research with the aim to outline previous and contemporary research and suggest how the topic of leaving religion should be studied in the future The handbook consists of three sections 1 Major debates about leaving religion 2 Case studies and empirical insights and 3 Theoretical and methodological approaches Section one provides the reader with an introduction to key terms historical developments major controversies and significant cases Section two includes case studies that illustrate various processes of leaving religion from different perspectives and each chapter provides new empirical insights Section three discusses presents and encourages new approaches to the study of leaving

religion Handbook of the Psychology of Religion and Spirituality, Second Edition Raymond F. Paloutzian, Crystal L. Park, 2014-12-19 Paloutzian experimental and social psychology Westmont College and Park psychology U of Connecticut provide a 33 chapter handbook on the psychology of religion and spirituality for social and clinical psychologists pastoral counselors and students and researchers in psychology and religious studies Psychologists and a few religious studies specialists from the US and some countries in Europe address the foundations including definitions core issues measurement assessment research methods psychodynamic psychology and religion and evolutionary psychology as a foundation for the psychology of religion religious and spiritual development across the lifespan and the neural and cognitive bases of religion and connections to emotion personality culture and social behavior They discuss religious practices and rituals conversion experiences prayer spiritual struggles fundamentalism forgiveness values and morality and implications for individual and collective well being in terms of health mental health coping psychotherapy workplace spirituality research terrorism and other areas New topics in this edition include cross cultural issues spiritual goals emotional values and mindfulness Most chapters have been redesigned or rewritten with 25 new and eight revised chapters. The main themes of the book are more integrated and the introductory and concluding chapters argue that the application of religious meaning systems and the multilevel interdisciplinary paradigm can allow reconceptualization of the field and expand research Annotation 2013 Book A History of Christian Conversion David W. Kling, 2020-05-05 Conversion has News Inc Portland OR booknews com played a central role in the history of Christianity In this first in depth and wide ranging narrative history David Kling examines the dynamic of turning to the Christian faith by individuals families and people groups Global in reach the narrative progresses from early Christian beginnings in the Roman world to Christianity's expansion into Europe the Americas China India and Africa Conversion is often associated with a particular strand of modern Christianity evangelical and a particular type of experience sudden overwhelming However when examined over two millennia it emerges as a phenomenon far more complex than any one dimensional profile would suggest No single unitary paradigm defines conversion and no easily explicable process accounts for why people convert to Christianity Rather a multiplicity of factors historical personal social geographical theological psychological and cultural shape the converting process A History of Christian Conversion not only narrates the conversions of select individuals and peoples it also engages current theories and models to explain conversion and examines recurring themes in the conversion process divine presence gender and the body agency and motivation testimony and memory group and self identity authentic and nominal conversion and modes of communication Accessible to scholars students and those with a general interest in conversion Kling s book is the most satisfying and comprehensive account of conversion in Christian history to date this major work will become a standard must read in conversion studies

Handbook of Early Christianity Anthony J. Blasi, Jean Duhaime, Paul-André Turcotte, 2002-08-27 The Christian movement emerged amidst complex social tensions power politics ethnic diversity economic stress and cultural changes Both

biblical scholars and social scientists find that a social scientific study of early Christian phenomena yields fascinating results However biblical scholars are sometimes unaware of the breadth of the useful social scientific concepts and techniques and social scientists sometimes lack the most basic background in literary research methods The Handbook of Early Christianity provides a much needed overview for biblical scholars and social scientists alike Drawing on perspectives from anthropology archaeology economics history literary analysis psychology political science and sociology the Handbook shows the myriad and complementary approaches that shed light on Christianity's formation and early development Twenty seven chapters from leading scholars along with a comprehensive bibliography make this an essential reference for anyone wishing to understand the social dynamics of Christianity s birth The Oxford Handbook of Christianity and Law John Witte (Jr.), Rafael Domingo, 2024 This volume tells the story of the interaction between Christianity and law historically and today in the traditional heartlands of Christianity and around the globe Sixty new chapters by leading scholars provide authoritative and accessible accounts of foundational Christian teachings on law and legal thought over the past two millennia the current interaction and contestation of law and Christianity on all continents how Christianity shaped and was shaped by core public private penal and procedural laws various old and new forms of Christian canon law natural law theory and religious freedom norms Christian teachings on fundamental principles of law and legal order and Christian contributions to controversial legal issues Together the chapters make clear that Christianity and law have had a perennial and permanent influence on each other over time and across cultures albeit with varying levels of intensity and effectiveness This volume defines Christianity broadly to include Catholic Protestant and Orthodox traditions and various denominations and schools of thought within them It draws on Christian ideas and institutions norms and practices texts and titans to tell the story of Christianity's engagement with the world of law over the past two millennia The volume also defines law broadly as the normative order of justice power and freedom The chapters address natural laws of conscience reason and the Bible and positive laws enacted by states churches and voluntary associations Several chapters focus on Christian engagement with specific types of law canon law family law education law constitutional law criminal law procedural law and laws governing labor tax contracts torts property and beyond Other chapters take up cutting edge legal issues of racial justice environmental care migration euthanasia and bio technology as well as fundamental legal principles of liberty dignity equality justice equity judgment and solidarity

Asian Journal of Pentecostal Studies, Volume 20, Number 1 Dave Johnson, 2018-04-03 THE JOURNAL SEEKS TO PROVIDE A FORUM To encourage serious theological thinking and articulation by Pentecostals Charismatics in Asia to promote interaction among Asian Pentecostals Charismatics and dialogue with other Christian traditions to stimulate creative contextualization of the Christian faith and to provide a means for Pentecostals Charismatics to share their theological reflections *Controversies in Mission* Rochelle Cathcart Scheuermann, Edward L. Smither, 2016-09-15 Crossing social cultural and religious barriers and making disciples of all nations has probably never been without some level of

controversy This book is an attempt to hit the pause button on this rapid paced world and to reflect on how we do mission especially in light of the new layers of complexity that globalization brings While the contributors engage in new aspects of mission and cultural encounter unique to the twenty first century the underlying issues of each chapter are age old topics that have reared their heads at various times throughout history priorities in mission power struggles perspectives on cultural others and contextualization With that in mind our aims are twofold 1 to carefully consider issues causing tension and contention within current mission thought practice and strategy and then 2 to engage in serious but charitable dialogue for the sake of God's mission and the salvation of all peoples **Redeeming Autonomy** Christopher J. Insole, Benjamin R. DeSpain, 2025-06-26 What can theology offer philosophical discussions of autonomy In this distinctive collection of essays Insole and DeSpain lead a cadre of academics from across the world in answering this question In doing so they challenge the narrow conception of liberalism that has characterised much of the discussion around autonomy The contributions disrupt traditional methodologies by starting with analyses of urgent and concrete situations where the concept of autonomy is employed misappropriated or even challenged These scenarios include essays on trauma transgender issues disability and end of life debates. This volume also explores broader political issues that relate to autonomy such as democracy the economy and migration Each chapter maintains a focused concern with social justice whilst demonstrating how a religious dimension can expand our understanding of the concept of autonomy This is sure to be a valuable resource for any theologians philosophers or intellectual historians looking to view autonomy from a fresh and contemporary angle **Transforming** Bodies and Religions Mariecke van den Berg, Lieke Schrijvers, Jelle Wiering, Anne-Marie Korte, 2020-10-01 This book sheds an interdisciplinary light on transforming bodies bodies that have been subjected to contributed to or have resisted social transformations within religious or secular contexts in contemporary Europe It explores the intersections of race ethnicity gender sexuality and religion that underpin embodied transformations Using post secularist postcolonial and gender queer perspectives it aims to gain a better understanding of the orchestrations and effects of larger social transitions related to religion This volume is the outcome of the intensive collaboration of the authors who for years have been meeting regularly in Utrecht the Netherlands to discuss themes related to religion and the challenge of difference with an added afterword by Prof Pamela Klassen from the University of Toronto The book is divided in three subsections that focus on particular types of embodiment body politics in governmental and NGO organisations the role of the body in literary and or autobiographical narratives and ethnographic case studies of bodies in daily life Doing so it provides an innovative exploration of contemporary religion and the body It will therefore be of great interest to scholars of Religious Studies Gender and Sexuality Studies Post Colonial Studies Anthropology Sociology Theology and Philosophy Research in the Social Scientific Study of Religion, Volume 20 Ralph L. Piedmont, Andrew Village, 2009-05-06 Research in the Social Scientific Study of Religion publishes empirical and theoretical studies of religion from a wide range of disciplines and from all parts of the

globe This volume has a special section on Islam and Mental Health an important and neglected area of study The section draws on work from six countries that have applied different theoretical frameworks and empirical methods to examine the link between religion psychology and health in very diverse Muslim communities Other articles examine topics as diverse as spirituality psychological health conversion and the cultural psychology of religion Disciplines represented include those that draw on qualitative quantitative and theoretical methods of study which together represent an important contribution to the contemporary study of religion Invitation to the Psychology of Religion Raymond F. Paloutzian, 2016-10-10 The leading undergraduate psychology of religion text this engaging book synthesizes cutting edge theories and findings into an accessible account enlivened by personal reflections and contemporary examples Raymond F Paloutzian offers an authoritative overview of theoretical and empirical foundations experiential developmental personality and sociocultural dimensions of religion and spirituality and clinical implications Students are also given food for thought about bigger questions how religion influences their own lives what beliefs or values they hold most dear and how to live in a multicultural multireligious world Each chapter opens with a brief topic outline and concludes with Take Home Messages and suggestions for further reading New to This Edition Reflects many years of scientific and theoretical advances Chapters on psychological theories personality and physical health New organizing concepts religious meaning systems and the multilevel interdisciplinary paradigm Additional pedagogical features including end of chapter Take Home Messages and engaging topic boxes Descriptions of cutting edge research methods Increased attention to multicultural issues **Revisited** Rosalind I. J. Hackett, 2014-12-05 The act of converting people to certain beliefs or values is highly controversial in today s postcolonial multicultural world Proselytization has been viewed by some as an aggressive act of political domination Proselytization Revisited offers a comprehensive overview of the many arguments for and against proselytization in different regions and contexts Proselytization is examined in the context of rights talk globalisation and culture wars The volume brings together essays demonstrating the global significance of proselytization ranging from Christians in India to Turkish Islamic Movements and the Wiccan use of modern media technologies The cross cultural and multidisciplinary nature of this collection of essays provides a fresh perspective and the book will be of value to readers interested in the dynamic interaction of beliefs ideas and cultures Research in the Social Scientific Study of Religion, Volume 17 Ralph L. Piedmont, 2006-12-31 Research in the Social Scientific Study of Religion RSSSR publishes reports of innovative studies that pertain empirically or theoretically to the scientific study of religion including spirituality regardless of their academic discipline or professional orientation This volume of RSSSR contains articles on conversion narratives of Jehovah's witnesses belief in an active Satan afterlife beliefs religiosity and parenting and spirituality as coping resource Cults Stephanie Alice Baker, Eugene McLaughlin, Chris Rojek, 2024-06-27 This engaging text introduces readers to the sociology of cults Covering the history and current state of cult studies this book includes topics ranging from doomsday cults and new

religious movements through to self help cults the cult of celebrity intellectuals and entrepreneurs Case studies as varied as David Koresh and the Branch Davidians the Manson family and the cult brands of Elon Musk Andrew Tate and Jordan Peterson are deployed to shed new light on cult formation in the twenty first century Amidst the rise of populist demagogues the online radicalisation of alienated individuals and the proliferation of celebrities and gurus with avid followings cult dynamics are everywhere in society Yet key urgent questions have not been clearly and concisely addressed What are cults Why do they emerge How are they established and maintained What is the future of cults and why are we so fascinated by them This book explores these questions by tracing the spectrum of cult formation historically and in today s networked media ecosystem This accessible introduction to the darkly fascinating world of cults is essential reading for academics and students of sociology social psychology religion politics business and cultural studies and anyone interested in understanding the relationship between cults and society Religion, Human Rights and International Law Javaid Rehman, Susan Carolyn Breau, 2007 Freedom of religion is a subject which has throughout human history been a source of profound disagreements and conflict In the modern era religious based intolerance continues to provide lacerative and tormenting concern to the possibility of congenial human relationships As the present study examines religions have been relied upon to perpetuate discrimination and inequalities and to victimise minorities to the point of forcible assimilation and genocide The study provides an overview of the complexities inherent in the freedom of religion within international law and an analysis of the cultural religious relativist debate in contemporary human rights law As many of the chapters examine Islamic State practices have been a major source of concern In the backdrop of the events of 11 September 2001 a considerable focus of this volume is upon the Muslim world either through the emergent State practices and existing constitutional structures within Muslim majority States or through Islamic diasporic communities resident in Europe and North America The Logic of Evangelism Michael J. Gehring, Andrew D. Kinsey, Vaughn W. Baker, 2019-02-14 The publication of William J Abraham's The Logic of Evangelism in 1989 marked a turning point in the field and practice of evangelism Almost thirty years later the book still provokes discussion as it stimulates both theorists and practitioners to comprehend evangelism as initiation into God's reign Combining theological insight and historical analysis Abraham's groundbreaking work remains the primary text to set the stage for how evangelism may be conceived In these timely essays written by both theologians and church leaders The Logic of Evangelism Revisited takes a critical and yet appreciative look into the ways Abraham s work still speaks to the church in today s world The authors coming from a wide array of backgrounds show how The Logic of Evangelism remains a key text into the twenty first century Protestant Empires Ulinka Rublack, 2020-09-10 Through its wide geographical and chronological scope Protestant Empires advances a novel perspective on the nature and impact of the **Protestant Reformations**

Handbook Of Religious Conversion Introduction

In todays digital age, the availability of Handbook Of Religious Conversion books and manuals for download has revolutionized the way we access information. Gone are the days of physically flipping through pages and carrying heavy textbooks or manuals. With just a few clicks, we can now access a wealth of knowledge from the comfort of our own homes or on the go. This article will explore the advantages of Handbook Of Religious Conversion books and manuals for download, along with some popular platforms that offer these resources. One of the significant advantages of Handbook Of Religious Conversion books and manuals for download is the cost-saving aspect. Traditional books and manuals can be costly, especially if you need to purchase several of them for educational or professional purposes. By accessing Handbook Of Religious Conversion versions, you eliminate the need to spend money on physical copies. This not only saves you money but also reduces the environmental impact associated with book production and transportation. Furthermore, Handbook Of Religious Conversion books and manuals for download are incredibly convenient. With just a computer or smartphone and an internet connection, you can access a vast library of resources on any subject imaginable. Whether youre a student looking for textbooks, a professional seeking industry-specific manuals, or someone interested in self-improvement, these digital resources provide an efficient and accessible means of acquiring knowledge. Moreover, PDF books and manuals offer a range of benefits compared to other digital formats. PDF files are designed to retain their formatting regardless of the device used to open them. This ensures that the content appears exactly as intended by the author, with no loss of formatting or missing graphics. Additionally, PDF files can be easily annotated, bookmarked, and searched for specific terms, making them highly practical for studying or referencing. When it comes to accessing Handbook Of Religious Conversion books and manuals, several platforms offer an extensive collection of resources. One such platform is Project Gutenberg, a nonprofit organization that provides over 60,000 free eBooks. These books are primarily in the public domain, meaning they can be freely distributed and downloaded. Project Gutenberg offers a wide range of classic literature, making it an excellent resource for literature enthusiasts. Another popular platform for Handbook Of Religious Conversion books and manuals is Open Library. Open Library is an initiative of the Internet Archive, a non-profit organization dedicated to digitizing cultural artifacts and making them accessible to the public. Open Library hosts millions of books, including both public domain works and contemporary titles. It also allows users to borrow digital copies of certain books for a limited period, similar to a library lending system. Additionally, many universities and educational institutions have their own digital libraries that provide free access to PDF books and manuals. These libraries often offer academic texts, research papers, and technical manuals, making them invaluable resources for students and researchers. Some notable examples include MIT OpenCourseWare,

which offers free access to course materials from the Massachusetts Institute of Technology, and the Digital Public Library of America, which provides a vast collection of digitized books and historical documents. In conclusion, Handbook Of Religious Conversion books and manuals for download have transformed the way we access information. They provide a cost-effective and convenient means of acquiring knowledge, offering the ability to access a vast library of resources at our fingertips. With platforms like Project Gutenberg, Open Library, and various digital libraries offered by educational institutions, we have access to an ever-expanding collection of books and manuals. Whether for educational, professional, or personal purposes, these digital resources serve as valuable tools for continuous learning and self-improvement. So why not take advantage of the vast world of Handbook Of Religious Conversion books and manuals for download and embark on your journey of knowledge?

FAQs About Handbook Of Religious Conversion Books

How do I know which eBook platform is the best for me? Finding the best eBook platform depends on your reading preferences and device compatibility. Research different platforms, read user reviews, and explore their features before making a choice. Are free eBooks of good quality? Yes, many reputable platforms offer high-quality free eBooks, including classics and public domain works. However, make sure to verify the source to ensure the eBook credibility. Can I read eBooks without an eReader? Absolutely! Most eBook platforms offer webbased readers or mobile apps that allow you to read eBooks on your computer, tablet, or smartphone. How do I avoid digital eye strain while reading eBooks? To prevent digital eye strain, take regular breaks, adjust the font size and background color, and ensure proper lighting while reading eBooks.
