Handbook On Sexual Abuse Of Children Assessment And Treatment Issues:

Handbook on Sexual Abuse of Children Lenore E. Walker,1988 **The Sexual Abuse of Children** William T.

O'Donohue,James H. Geer,2014-01-02 The sexual abuse of children is now seen as an enormous problem first because there is an increasing awareness that it is more prevalent than previously thought and second because it gives rise to so many complex questions How is sexual abuse to be defined What are the effects of abuse How can the victim be helped How can abuse be prevented These two comprehensive volumes cover a wide spectrum of basic and applied issues Expert contributors including physicians attorneys psychologists philosophers social workers and engineers address such relevant topics as epidemiology animal models legal reforms feminist scholarship child pornography medical assessment and diverse models of psychotherapeutic intention *The APSAC Handbook on Child Maltreatment* John E. B. Myers,Lucy Berliner,John Briere,C.

Terry Hendrix,Theresa Reid,Carole Jenny,2001-11-12 A resource of unparalleled thoroughness The APSAC Handbook on Child Maltreatment Second Edition provides critical information for those who dedicate their working lives to alleviating the causes and consequences of child abuse and neglect Written in engaging but straightforward language and committed to immediate application this comprehensive handbook covers physical and sexual abuse all forms of neglect and psychological maltreatment Experts in a variety of specialized areas have designed each chapter to inform professionals in mental health law medicine law enforcement and child protective services of the most current empirical research and literature available as well as strategies for intervention and prevention Handbook of Cognitive-Behavior Group Therapy with Children and

Adolescents Ray W. Christner,Christy A. Mulligan,2007-05-07 This Handbook offers a much needed resource of theoretical knowledge evidence based interventions and practical guidelines for professionals providing group psychotherapy to youth clients Written by leading professionals in the field of child and adolescent cognitive behavioral therapy this comprehensive volume offers readers a collection of innovative and well established approaches for group interventions with youth in a variety of treatment settings It addresses a wide range of issues not limited to assessment group member selection and specific protocols and strategies that readers can implement in their own practice Integrating theoretical and practical aspects leading experts offer their experience through case examples and vignettes suggesting guidelines for overcoming inherent treatment obstacles This Handbook provides not only a framework for delivering effective group therapy but also highlights specific problem areas and it is an invaluable reference for professionals providing therapeutic intervention to children and adolescents National Library of Medicine Current Catalog National Library of Medicine (U.S.),1988

Solving Problems In Couples And Family Therapy Robert Sherman,Paul Oresky,Yvonne Rountree,2013-05-13 Aimed primarily at clinicians who are required to find ways to interrupt patterns of destructive behaviour in couples and families this text provides a compilation of multi disciplinary techniques and flexible strategies to accomplish 14 major therapeutic tasks **Therapy for Adults Molested as Children** John Briere,1996-08-31 Substantially expanded and updated this

classic volume provides therapists with detailed information on how to treat sexual abuse survivors more effectively Dr Briere offers an integrated theory of postabuse symptom development and suggests certain core phenomena that account for many of the psychosocial difficulties associated with childhood sexual abuse The second edition includes more information on effective trauma therapy such as issues related to the false memory recovered memory controversy gender related differences in abuse trauma transference and countertransference the application of behavior theory to treatment intervention A nationally known expert in the field Dr Briere has written an ideal source book for mental health professionals This second edition admirably achieves its stated goal of advancing the treatment of adult survivors of abuse and supports the therapist in this most important endeavor from the Foreword by Christine A Courtois PhD Director of Clinical Training The Psychiatric Institute of Washington

Mothers Surviving Child Sexual Abuse Carol-Ann Hooper, 2013-01-11 Despite increased recognition of the high incidence of child sexual abuse little attention has so far been paid to the women on whom children primarily depend for care and protection their mothers Informed by theory and research on other situations involving loss secrecy and moral dilemmas as well as the rapidly accumulating knowledge of child sexual abuse Mothers Surviving Child Sexual Abuse offers a new analysis of mother's reactions and responses presenting a fresh perspective on a shocking problem for practitioners and policy makers involved in child protection as well as students and lecturers of social work and social studies and women's studies

Practical Psychology for Pastors, 2nd Edition William R. Miller, Kathleen A. Jackson, 2010-05-01 This practical handbook takes a totally fresh approach to the work of pastoral counselors by drawing on recent research and developments in the health and behavioral sciences Thoroughly revised and updated this edition incorporates new or expanded coverage of topics such as a new chapter on Pastoral Self Care which offers advice on maintaining psychological health avoiding crisis and preventing personal and occupational burnout the integration of counseling with other pastoral roles and functions pastoral counseling ethics how to help people build personal motivation for change grief counseling and crisis intervention post traumatic stress physical and sexual abuse and personality disorders

Forensic and Medico-legal Aspects of Sexual Crimes and Unusual Sexual Practices Anil Aggrawal, 2008-12-22 From sexual abuse and fetishism to necrophilia and sadomasochism this unique volume identifies fourteen classifications of unusual sexual pathologies Emphasizing the physical and psychological aspects of sexuality itself the book presents detailed comparisons of legal and medical definitions historical aspects current incidence and geographic

Current Catalog National Library of Medicine (U.S.), First multi year cumulation covers six years 1965-70

The Long Journey Home Andrew J. Schmutzer, 2011-10-01 Maybe the only thing new about sexual abuse is quality discussion from several professions psychology theology and pastoral care Here are the insights of over two dozen psychologists theologians and those in pastoral care all targeting the issue of sexual abuse Designed as a resource for Christian educators therapists pastors social workers group leaders and survivors The Long Journey Home combines current research in mental

health with rich theological reflection global concern with fervent pastoral wisdom for the local faith community Whether you are a counselor professor pastor or spouse of a survivor you hold in your hand a fresh resource of information and advocacy for those suffering from the devastating effects of sexual abuse and rape The breadth of material biblical insight discussion questions and helpful resources gathered here just may be the tool of a generation The SAGE Encyclopedia of Psychology and Gender Kevin L. Nadal,2017-04-15 The SAGE Encyclopedia of Psychology and Gender is an innovative exploration of the intersection of gender and psychology topics that resonate across disciplines and inform our everyday lives This encyclopedia looks at issues of gender identity and psychological processes at the individual as well as the societal level exploring topics such as how gender intersects with developmental processes both in infancy and childhood and throughout later life stages the evolution of feminism and the men s movement the ways in which gender can affect psychological outcomes and influence behavior and more With articles written by experts across a variety of disciplines this encyclopedia delivers insights on the psychology of gender through the lens of developmental science social science clinical and counseling psychology sociology and more This encyclopedia will provide librarians students and professionals with ready access to up to date information that informs some of today s key contemporary issues and debates These are the sorts of questions we plan for this encyclopedia to address What is gender nonconformity What are some of the evolutionary sex differences between men and women How does gender based workplace harassment affect health outcomes How are gender roles viewed in different cultures What is third wave feminism **Child Mental and the Law** Barry Nurcombe,2010-06-15 The legal aspects of child mental health have changed in recent years yet many who deal professionally with disturbed children are ill informed about the rights and responsibilities of minors Child Mental Health and the Law addresses the need for a comprehensive up to date text that describes the evolution of child mental health law and the relevance of the law to the child mental health clinician

Long-range Effects of Child and Adolescent Sexual Experiences Allie C. Kilpatrick,2014-06-03 Making a unique contribution of placing the current sexual exploitation of children and adolescents firmly in its historical context this book looks at the family s and society s roles in child and adolescent sex abuse Unlike most previous studies this study allows a range of responses from negative to positive and avoids the methodological problems inherent in many other studies Most studies combine the age groups of children and adolescents whereas this study separates these different age groups and compares the nature and outcome of sexual experiences of children with those of adolescents Utilizing sophisticated analytical measures the author s findings repudiate many commonly held assumptions and serve to calm current hysteria regarding sexual abuse of minors Written to disseminate findings that could be helpful in realistically confronting the phenomenon of human sexuality the results presented in this book dispel many current myths about early sexuality including ethnic differences The author wanted to separate scientific inquiry from the perpetration of pervading mores or social norms and identify the real menaces to healthy adult functioning Handbook of Juvenile Forensic Psychology and Psychiatry

Elena Grigorenko, 2012-02-18 Juvenile justice centers have a long tradition as an unfortunate stop for young offenders who need mental health care. Reports estimate that as many as 70% of the youth in detention centers meet criteria for mental health disorders. As juvenile justice systems once again turn their focus from confinement to rehabilitation, mental health providers have major opportunities to inform and improve both practice and policy. *The Handbook of Juvenile Forensic Psychology and Psychiatry* explores these opportunities by emphasizing a developmental perspective, multifaceted assessment, and evidence-based practice in working with juvenile offenders. This comprehensive volume provides insights at virtually every intersection of mental health practice and juvenile justice, covering areas as wide-ranging as special populations, sentencing issues, educational and pharmacological interventions, family involvement, ethical issues, staff training, concerns, and emerging challenges. Together, its chapters contain guidelines not only for changing the culture of detention but also preventing detention facilities from being the venue of choice in placing troubled youth. Key issues addressed in the Handbook include developmental risks for delinquency, race and sex disparities in juvenile justice processing, establishing standards of practice in juvenile forensic mental health assessment, serving dually diagnosed youth in the juvenile justice system, PTSD among court-involved youth, female juvenile offenders, juvenile sex offenders. *The Handbook of Juvenile Forensic Psychology and Psychiatry* is an essential reference for researchers, professors, allied clinicians, and professionals and policy makers across multiple fields, including child and school psychology, child and adolescent psychiatry, developmental psychology, criminology, juvenile justice, forensic psychology, neuropsychology, social work, and education. [Comprehensive Handbook of Personality and Psychopathology, Adult Psychopathology](#)

Frank Andrasik, 2006-01-03 *Adult Psychopathology* presents an overview of the classification and diagnosis, epidemiology, genetic, sociocultural, and biological influences, and research and behavioral considerations of psychopathology in adults. This state-of-the-art volume also includes the latest research on the major disorders and discusses the three most popular treatment approaches. *The Relational Trauma of Incest*

Marcia Sheinberg, Peter Fraenkel, 2000-11-03 Presents an innovative approach to the confusions and dilemmas experienced by families in which incest has occurred. While not all incestuously abused children have the classic diagnostic symptoms of trauma, virtually all experience relational trauma. Integrating social constructionist, feminist, and systems thinking, this treatment model focuses on strengthening the child's protective relationships, mobilizing families to help resolve the child's emotional and behavioral symptoms, and building resiliency. [Social, Psychological, and Forensic Perspectives on Sexual Abuse](#)

Gopalan, Rejani Thudalikunnil, 2018-01-15 Sexual abuse, a topic still struggling to break free of its social taboos, is an issue that must be addressed, assessed, and discussed in order to further efforts for prevention and treatment. *Social, Psychological, and Forensic Perspectives on Sexual Abuse* is an important resource that comprehensively examines the prevalence, assessment, causes, and impacts of sexual violence from cultural, legal, psychosocial, theoretical, and medical viewpoints. Discussing difficult but relevant issues, including forensic assessment, legal ramifications, mental health risk

assessment and effects on family life this book is geared towards researchers mental health professionals clinicians and special educators seeking current research on prevention assessment and rehabilitation in sexual abuse **Handbook of Child Sexual Abuse** Paris Goodyear-Brown, 2011-09-09 A comprehensive guide to the identification assessment and treatment of child sexual abuse The field of child sexual abuse has experienced an explosion of research literature and enhanced treatment methods over the last thirty years Representing the latest refinements of thought in this field Handbook of Child Sexual Abuse Identification Assessment and Treatment combines the most current research with a wealth of clinical experience The contributing authors many of whom are pioneers in their respective specialties include researchers and clinicians forensic interviewers and law enforcement professionals caseworkers and victim advocates all of whom do the work of helping children who have been sexually victimized Offering a snapshot of the state of the field as it stands today Handbook of Child Sexual Abuse explores a variety of issues related to child sexual abuse from identification assessment and treatment methods to models for implementation and prevention including The impact of sexual abuse on the developing brain The potential implications of early sexual victimization Navigating the complexities of multidisciplinary teams Forensic interviewing and clinical assessment Treatment options for children who have traumagenic symptoms as a response to their sexual victimization Treating children with sexual behavior problems and adolescents who engage in illegal sexual behavior Secondary trauma and vicarious traumatization Cultural considerations and prevention efforts Edited by a leader in the field of child therapy this important reference equips helping professionals on the front lines in the battle against child sexual abuse not merely with state of the art knowledge but also with a renewed vision for the importance of their role in the shaping of our culture and the healing of victimized children
