**The Adventurous Traveler's Guide to Health** Christopher Sanford, M.D., 2008-05-08 The Adventurous Traveler s Guide to Health is just what every traveler needs a straight forward look at what you can do to stay healthy during your travels from start to finish Whether headed to the urban centers of Africa or the jungles of southeast Asia there are precautions to be taken even before setting foot on a plane as well as important things to remember once your travels are over Chris Sanford aids travelers in first finding a travel health specialist and then knowing exactly which questions to ask

The Adventurous Traveler's Guide to Health will also serve as a take along guide to help deal with illnesses or symptoms that may arise while you're on the road and as a post trip reference for any delayed symptoms. Aside from infectious diseases, Sanford also looks at the more common and overlooked problems travelers are likely to encounter such as health risks in cities, pollution and motor vehicle accidents, for example, traveling if chronically ill or immunocompromised and high altitude sickness. Each of the book's chapters includes a question and answer section based on real questions that Dr. Sanford's patients have asked him. General travelers including students going abroad to study or backpack through the developing world and travelers who want to get off the beaten path as well as explore the cities of the world will find this an invaluable resource.

**Mosby's Guide to Physical Examination** Henry M. Seidel, 2011-01-01. With a strong patient-centered approach to care and an author team comprised of nurses and physicians, Seidel's Guide to Physical Examination, 8th Edition, addresses teaching and learning health assessment in nursing, medical, and a wide variety of other health care programs at both undergraduate and graduate levels.
