

The background of the cover features a stylized illustration of a man and a woman lying on a sandy beach. The man is on the left, wearing a green tank top and dark shorts, with his arms outstretched. The woman is on the right, wearing a green top and dark pants, sitting up and looking towards the viewer. The background is a soft, hazy blue and white, suggesting a beach setting with a large, bright light source like the sun or moon.

Handbook of the Clinical Treatment of Infidelity Katherine Milewski Hertlein, Fred P Piercy, Joseph L. Wetchler, 2013-03-07 Help your clients relationships survive infidelity In the Handbook of the Clinical Treatment of Infidelity a panel of seasoned experts reflects on issues central to affairs and on how to help couples heal and learn from them First editors Fred P Piercy Katherine M Hertlein and Joseph L Wetchler provide an essential overview of infidelity theory research and treatment They discuss the effect of infidelity on couples and delineate three types of infidelity emotional physical and infidelity including aspects of both They review the relatively new role of the Internet in infidelity and explore infidelity within the context of comarital relationships Finally they discuss the overarching theories and common models used in infidelity treatment Also in the Handbook of the Clinical Treatment of Infidelity Susan M Johnson the co developer of Emotionally Focused Therapy EFT discusses affairs through the lens of attachment theory and shows how EFT provides a way to acknowledge and express pain remorse and regret and to repair this attachment bond David Moultrup takes a Bowenian approach to infidelity focusing attention on the underlying dynamics of the emotional system Frank Pittman and Tina Pittman Wagers outline cultural myths about affairs and do their share of debunking Adrian Blow discusses how to help couples directly address their pain and the challenges of the healing process Brian Case highlights the role of apology and forgiveness in the healing process Frank Stalfa and Catherine Hastings focus on the treatment of accusatory suffering a spouse s obsessive holding onto and retaliating for an affair long after it has ended and despite the offending partner s repeated apologies and attempts at restitution Don David Lusterman discusses individuals who have suppressed or denied traumatic stress reactions to their partner s affair and how to help them Scott Johnson discusses myths about affairs from who is cheating on whom to whether men really have more affairs than women to the blame filled language of affairs betrayal and infidelity asking us to think more systematically about affairs and to see the dynamics of extra dyadic relationships as more complex and nuanced than they are typically portrayed in the literature Joan Atwood provides an overview of Internet infidelity the factors influencing one s involvement in this type of infidelity and some considerations for therapists Tim Nelson Fred Piercy and Doug Sprenkle report on the results of a multi phase Delphi study that explored what infidelity experts say are the critical issues interventions and gender differences in the treatment of Internet infidelity Monica Whitty and Adrian Carr draw upon Klein s object relations theory and discuss how this might

influence the way people rationalize their Internet infidelity Emily Brown outlines the concept of the Split Self Affair discussing its origins characteristics and implications for individuals and couples and providing detailed information on how to work with these couples in therapy Michael Bettinger presents extra dyadic relationship as a fact rather than a problem within many gay male relationships a discussion that shows how gay male polyamory can work as an alternative to the heterosexual model of emotional and sexual exclusivity in romantic dyadic relationships Katherine Hertlein and Gary Skaggs report on the results of a study that assessed the level of differentiation and one's engagement in extra dyadic relationships The Handbook of the Clinical Treatment of Infidelity is essential reading for today's and tomorrow's clinicians who work with couples Make it a p Infidelity Paul R. Peluso, 2007-06-15 When one partner in a relationship is unfaithful to the other it takes a lot of work by both parties involved to salvage the relationship In today's therapy friendly climate marriage couples counseling is often a part of that rebuilding process Many couples seek out professional therapy after an affair is out in the open but often the act of infidelity is revealed while uncovering and discussing unrelated issues for which the couple is in counseling And yet amazingly as common as this complex and difficult topic arises in therapy there is relatively little professional literature devoted to understanding and treating infidelity In this volume Paul Peluso has assembled a truly impressive list of contributors from a range of disciplines and backgrounds including marital therapy family therapy evolutionary psychology marriage research and cyberstudies with the aim of filling this void Handbook of Clinical Issues in Couple Therapy Joseph L. Wetchler, 2011-03 Handbook of Clinical Issues in Couple Therapy is a comprehensive overview of emerging issues that impact couple therapy all in a single volume While other guides concentrate more on the approaches themselves this invaluable source provides the latest research and perspectives every clinician needs when dealing with challenging issues often found in practice Practitioners get a clear view of the aspects of problems they must consider to be most effective when providing therapy to couples The text is fully referenced **Couples in Treatment** Gerald R. Weeks, Stephen T. Fife, 2014-01-10 This third edition of Couples in Treatment helps readers conceptualize and treat couples from multiple perspectives and with a multitude of techniques The authors do not advocate any single approach to couple therapy and instead present basic principles and techniques with wide ranging applicability and the power to invite change making this the most useful text on integrative systemic couple therapy Throughout the book the authors consider the individual interactional and intergenerational systems of any case Gerald Weeks Intersystems Model a comprehensive integrative and contextual meta framework can be superimposed over existing therapy approaches It emphasizes principles of therapy and can facilitate assessing conceptualizing couples problems and providing helpful interventions Couple therapists are encouraged to utilize the principles in this book to enhance their therapeutic process and fit their approach to the client rather than forcing the client to fit their theory **The Emotionally Focused Casebook** James L. Furrow, Susan M. Johnson, Brent A. Bradley, 2011-05-09 There is currently no single resource that compiles the

various applications to the many clinical populations being served by Emotionally Focused Therapy today The Emotionally Focused Casebook fills that void as a substantive reference for clinicians students professors and supervisors using and teaching EFT Each chapter utilizes a hands on case study approach with concrete guidelines and illustrations for the adaptation and application of EFT with specific treatment populations This Casebook is the perfect practical resource for professionals and students looking for examples of specific theoretical conceptual and treatment applications of EFT
