Handbuch Feministische Theologie:

Women Officeholders in Early Christianity Ute E. Eisen, 2000 Here Ute E Eisen provides a scholarly investigation of the evidence that women held offices of authority in the first centuries of Christianity Topics include apostles prophets theological teachers presbyters enrolled widows deacons bishops and oikonomai The book concludes with a chapter on source oriented perspectives for a history of Christian women in official positions **Feminist Perspectives on Jewish**

Studies Shelly Tenenbaum, 1994-01-01 This work evaluates the development of feminist scholarship within Jewish studies Scholars in biblical studies rabbinics theology history anthropology philosophy and film studies assess the state of knowledge about women in these fields and how they have affected the mainstream **Handbuch feministische Theologie** , 1988

God Or Goddess? Manfred Hauke, 1995 Hauke provides a tour de force study of the history and basic characteristics of modern feminism Hauke presents an objective detailed study of the facts of feminist theology around the world using their own words and writings He looks at the distinctiveness of feminist theology what its image of man is as a fundamental point of departure its basis from the experience of women as formal principle its views of the image of God Christ Mary the Church liturgy ecology and eschatology After carefully describing what the feminist position is Hauke gives a critique from the point of view of the Catholic tradition The purpose of the present work is to provide not a kind of encyclopedia on feminist theology but an introduction and representative survey of central themes that will enable one to form a personal opinion Addressed here are not just specialists in theology but all women and men who desire to inform themselves further about the powerful historical current that is feminist theology Manfred Hauke **Dictionary of Feminist Theology** Russell, Russell,

David, 2004-01-01 Providing a tool for all who wish to learn about the growing fields of womanist mujerista Asian feminist and white Euroamerican feminist studies in religion this dictionary furnishes a pluralistic approach to feminist theologies guiding readers who are interested in all areas of Christian theology as they relate to feminism *Approches Féministes de*

L'histoire Et de la Religion Angela Berlis, Charlotte Methuen, 2000 Birds are fascinating lively colorful creatures that can be encountered almost everywhere The presence of birds certainly brings color and interest to our lives They can signal the change of seasons or as in Columbus case the welcome presence of Land Fascinating Australian Birds looks at both better known and special interest birds Many which are likely to be seen where Australians live and travel It features beautiful full color illustrations and handy facts about each bird s habitat nesting habits and activities Perfect as a gift field guide or even for the coffee table **The End of the Schism** Udi Greenberg, 2025-05-01 After centuries of enmity why did Europe s

Catholics and Protestants reconcile Udi Greenberg argues that modern Christian cooperation arose not from tolerance but from fears of socialism feminism and Afro Asian liberation movements In seeking to preserve Christian life these former rivals forged a lasting alliance that remade the continent *Feminist Frameworks and the Bible* L. Juliana

Claassens, Carolyn J. Sharp, 2017-10-19 This volume on intercultural biblical interpretation includes essays by feminist

scholars from Botswana Germany New Zealand Nigeria South Africa and the United States Reading from a rich variety of socio cultural locations contributors present their hermeneutical frameworks for interpretation of Hebrew Bible texts each framework grounded in the writer s journey of professional or social formation and serving as a prism or optic for feminist critical analysis The volume hosts a lively conversation about the nature and significance of biblical interpretation in a global context focusing on issues at the nexus of operations of power textual ambiguity and intersectionality Engaged here are notions of biblical authority and postures of dissent women s agency discernment rivalry and alliance in ancient and contemporary contexts ideological constructions of sexuality and power interpretations related to indigeneity racial identity interethnic intimacy and violence in colonial contexts theologies of the feminine divine and feminist understandings of the sacred convictions about interdependence and conditions of flourishing for all beings in creation and ethics of resistance positioned over against dehumanization in political theological and hermeneutical praxes Through their textual and contextual engagements contributors articulate a broad spectrum of feminist insights into the possibilities for emancipatory visions of community

Religious Crisis and Civic Transformation Kimba Allie Tichenor, 2016-05-03 This book offers a fresh interpretation of the connection between the West German Catholic Church and post 1950s political debates on women s reproductive rights and the protection of life in West Germany According to Tichenor Catholic women in West Germany influenced by the culture of consumption the sexual revolution Vatican II reforms and feminism sought to renegotiate their relationship with the Church They demanded a more active role in Church ministries and challenged the Church s hierarchical and gendered view of marriage and condemnation of artificial contraception When the Church refused to compromise women left en masse In response the Church slowly stitched together a new identity for a postsecular age employing an elaborate nuptial symbolism to justify its stance on celibacy women s ordination artificial contraception abortion and reproductive technologies Additionally the Church returned to a radical interventionist agenda that embraced issue specific alliances with political parties other than the Christian parties In her conclusion Tichenor notes more recent setbacks to the German Catholic Church including disappointment with the reactionary German Pope Benedict XVI and his failure in 2010 to address over 250 allegations of sexual abuse at twenty two of Germany s twenty seven dioceses How the Church will renew itself in the twenty first century remains unclear This closely observed case study which bridges religious political legal and women s history will interest scholars and students of twentieth century European religious history modern Germany and the intersection of Catholic Church practice and women s issues

Studies in Bible and Feminist Criticism (JPS Scholar of Distinction Series) Tikva Frymer-Kensky, 2010-01-01 Each of the 30 essays here delves into a topic that gives us much food for thought the Bible as interpreted through ancient Near Eastern creation myths flood myths and goddess myths gender in the Bible the feminist approach to Jewish law comparative Jewish and Christian perspectives on the Hebrew Bible biblical perspectives on ecology creating a theology of healing feminine God talk The volume concludes with

the author's own original prayers in the form of poetic meditations on pregnancy and birthing This book is unique not only because it is the only volume in the JPS Scholar of Distinction series written by a woman but also because Frymer Kensky's personal and forthright voice resonates so clearly throughout each piece Scholars and students of Bible Jewish studies and women's studies will surely find this to be a one of a kind collection **Lydia's Impatient Sisters** Luise

Schottroff,1995-04-15 Lydia's Impatient Sisters offers a social history of the everyday life of women setting common experiences of labor money illness and resistance in the context of the Roman imperial society Luise Schottroff relates this history to important theological topics in New Testament such as the revelation of God and the daily life of the church

Schottroff's work demonstrates how women were embedded in their social world Der Weg der christlichen Theologie

Alister McGrath,2016-10-20 Alister McGrath's Der Weg der christlichen Theologie ist in zahlreiche Sprachen bersetzt und weltweit eine der am meisten verwendeten Einf hrungen in die Entwicklung der christlichen Theologie Es geht den Weg durch die gesamte Geschichte des christlichen Denkens und ist auch f r den Leser geschrieben dem alte Sprachen und theologische Fachausdr cke noch nicht vertraut sind Dieses Buch gibt einen fundierten berblick ber die Geschichte der Theologie von der Zeit der Kirchenv ter ab ca 100 n Chr bis zur Gegenwart und die bedeutendsten theologischen Debatten die Quellen und Methoden theologischen Denkens die gro en Themen wie Person und Werk Jesu Christi Dreieinigkeit oder die letzten Dinge Ein umfangreiches Glossar und Register sowie Angaben zu weiterf hrender Literatur geben die n tigen Querverweise und regen zum Weiterstudium an Women in Ugarit and Israel Hennie J. Marsman,2021-10-01 In this

volume the presupposition is investigated whether women in a polytheistic society had a better position than women in a monotheistic society To this end the social and religious position of women in Ugarit according to its literary texts is compared to that of women in Israel according to the Hebrew Bible while the wider context of the ancient Near East is also taken into consideration After an overview of feminist biblical exegesis the book discusses the roles of women in the family and in society It also provides an analysis of the roles of women as religious specialists and as worshippers Finally the data on the position of women in the literary texts is compared to that in non literary texts *Women in the Biblical World* Mayer

I. Gruber,1995-11-14 Women's history has emerged as an independent discipline because women have been written out of the history of Western civilization as commonly taught and researched Likewise feminist interpretation of the Bible often called feminist hermeneutics grew out of the realization that conscious and unconscious sexism had often led scholars and students to ignore and even obscure the substantial role of women and womanhood in Hebrew Scripture Women in the Biblical World provides scholars clergy seminarians college students and others with access to books and articles both technical and semi popular that shed light on the role of women in Hebrew Scripture The guide demonstrates that the study of women and womanhood in the biblical world has assumed special importance during the two great periods of struggle for women's rights the 1890s and the last quarter of the 20th century However this guide also demonstrates that the public role

of women and womanhood in the ancient Near East was so great that scholarship has never been able to ignore it

Handbuch Gender und Religion Anna-Katharina Höpflinger, Ann Jeffers, Daria Pezzoli-Olgiati, 2021-09-06 öffentliche Debatten zeigen die Relevanz von Religion für das Verständnis von Genderrollen aber auch von Gendervorstellungen für das Erforschen von Religion Auf der einen Seite bilden Geschlechtskategorien eine Grundlage für Religionen auf der anderen bieten religiöse Traditionen Legitimierungen für die Bestimmung von Geschlecht Das Handbuch widmet sich mit einem interdisziplinären Blick diesen komplexen Verknüpfungen *Feminist Theology in Different Contexts* Elisabeth Schüssler Fiorenza, Mary Shawn Copeland, 1996 "- Als hätte ich ein Schatzkästlein verloren."
