**Handgun Bullet Stopping Power** George B. Bredsten, 2008 For the law enforcement officer and the civilian who may be in a situation that requires the use of a handgun to stop a lethal threat action it is important that the person differentiates between the crass glib and self serving advertisements of ammunition vendors and the reality of how what and why effective stopping power occurs Factors to consider are the physiological response the psychological response the time frame parameter and bullet efficacy Of these four factors only bullet efficacy can be somewhat controlled by the person this only by understanding how and to what extent the bullet contributes to the degree of stopping power obtained A number of concepts formulae have been included so as to permit the reader to consider their merits and whether or not they are consistent with the reality of biology physics and other relevant sciences Finally the material in this book is intended to permit those persons to instruct teach or make decisions regarding the selection of a service handgun cartridge combination that will help to provide the means to prevail in a lethal threat confrontation About the Author Mr Bredsten retired from the Federal Law Enforcement Training Center Firearms Division FLETC FAD With FLETC FAD he performed duties as a firearms instructor and he also taught ballistics to the FLETC FAD staff and to students in the Law Enforcement Rifle Training Program and in the Precision Rifle Sniper and Observer Program Subjects covered included the ballistic coefficient barrel time the coefficient of reduction form Greenhill formula rate of rifling twist firearm recoil bullet time of flight bullet drop bullet midrange wind deflection bullet penetration potential and bullet terminal wounding efficacy Since retiring he has provided ballistics consultation service for the FLETC FAD the Transportation Security Agency the Orange County Florida Sheriff s Department and Exxon Mobil Corporation Mr Bredsten attended and completed various classes courses relating to firearms e g H K MP5 Steyr Aug Uzi Tactical Speed Shooting and advanced shotgun and ballistics e g the first and second International Wound Ballistics Conferences a Federal Law Enforcement Ammunition and Ballistics Seminar and Oehler s Ballistic Instrumentation Mr Bredsten has an AA degree from Chaffey Jr College and a BA degree from Sacramento State College and currently resides in Georgia **Bowker's Complete Video Directory** ,2000 **Harm to Others** Brian Van Brunt, 2014-12-16 Harm to

Others offers students and clinicians an effective way to increase their knowledge of and training in violence risk and threat assessment and it also provides a comprehensive examination of current treatment approaches Although the text includes many examples from K 12 and college university settings which are particularly relevant for mental health professionals in school settings the underlying concepts and suggestions are useful for counselors psychologists and social workers who face these issues in their daily practice In an easy to understand jargon free manner Dr Van Brunt shares his observations extensive clinical expertise and the latest research on what clinicians should be aware of when performing risk and threat assessments In addition he offers numerous examples from recent mass shootings and rampage violence to help explain the motivations and risk factors of those who make threats Two detailed case examples are presented to illustrate key concepts

related to assessing dangerousness Treatment options are then described using a variety of diverse case studies to demonstrate concrete approaches for clients who have been identified as at risk for violence following a threat assessment Requests for digital versions from ACA can be found on [www.wiley.com](http://www.wiley.com) To purchase print copies please visit the ACA website Reproduction requests for material from books published by ACA should be directed to [publications@counseling.org](mailto:publications@counseling.org)

*Stopping Power* J. Neil Schulman, Joseph Neil Schulman, 1994-12 Did you know that every 13 seconds one of America's 70 million gun owners uses a firearm in defense against a criminal That American women use handguns 416 times a day in defense against rapists which is a dozen times more often than rapists use a gun That a gun kept in the home for protection is 216 times as likely to be used in defense against a criminal than it is to cause the death of an innocent victim in that household These are just a few of the surprises this book has in store for anyone whose belief in gun control is based on TV news or popular magazines Award winning novelist screenwriter and journalist J Neil Schulman challenges the misinformation that pundits ranging from network anchors to ill informed doctors are promoting about guns Especially for the reader who doesn't own a gun and has never even considered buying one *Stopping Power* should be an eye opener
