## **Hands That Heal:**

*Hands That Heal* Echo Bodine, 2010-09-24 Since its first publication in 1985 psychic and healer Echo Bodine's *Hands That Heal* has gently and thoroughly guided readers through energy or spiritual healing. Explaining her approach to healing as within the traditional Christian laying on of hands technique though the healer often uses their hands on a person's aura without touching them directly she also describes how a healing session works including how it feels to the healer and the person being healed. Case studies detail the processes of releasing emotional blocks and avoiding dependency and twenty line drawings show the setup and positioning of hands. The book also provides exercises for those wishing to test and develop their own healing hands plus meditations affirmations and exercises to aid both healers and those seeking healing. *Hands That Heal*, *Hands That Speak* Alina Rub, 2025-03-02 This book unveils the fascinating synergy between Reiki and palmistry two ancient arts that when united open a portal to self knowledge and deep healing. Through its pages the reader will enter an esoteric journey where the hands are transformed into star maps revealing the secrets of the soul through the interpretation of lines and mountains enhanced by the universal energy of Reiki. **Hands That Break...Hands That Heal** Gary Kaschak, 2002-07 Becky Chapman breaks her right hand in volleyball practice setting off a chain of events destined to affect thousands of people over the next 20 years and beyond. *Hands That Touch, Hands That Heal* Joan Holman, 2003-08 Not too long ago massage was associated with seedy massage parlors. Today massage is exploding with the number of American adults getting massage doubling from 1997-2002. In 2003 this number grew to over 40 million along with 260,000 massage therapists and massage students. Sister Rosalind Geffre has been widely recognized for her work in making massage an accepted healthcare practice. *Catalog of Copyright Entries* Library of Congress. Copyright Office, 1967 *Hands That Heal* Echo B. Burns, 1985 Written by a spiritual healer eager to share her gift with others. She shares the process and experiences of many of her clients illustrating the many different kinds of physical emotional and spiritual ailments which can be healed. **Sweet Revelation** Davida Blanton, 2015-10-26 How is the God of heaven showing Himself to the world? How has He shown Himself to you? *Sweet Revelation* is one woman's revelation story a narrative memoir written to people in all walks of life. Author Davida Blanton describes times throughout her life when God showed Himself real to her. In her darkest moments of fear disappointment and grief God's arm brought comfort to Davida and healed her brokenness wrapping her in truth embracing her in love protecting her in light. The word revelation means an unveiling. When something is unveiled before our eyes it is made visible. When eternal things are unveiled before us allowing us to see in the spiritual realm our lives are affected in profound ways. We are changed. This happens differently for each person because every man and woman has unique needs and experiences. This book tells how it happened for one woman and invites you to consider how it happened in your own life. Jesus said The person who has my commands and keeps them really loves me and whoever really loves me I will love him and will show Myself to him I will let Myself be clearly seen by him and make Myself real to him. John
