*Reading and writing recipe books, 1550-1800* Michelle DiMeo,Sara Pennell,2018-09-30 This collection of essays provides an overview of new scholarship on recipe books one of the most popular non fiction printed texts in and one of the most common forms of manuscript compilation to survive from the pre modern era c 1550 1800 This is the first book to collect together the wide variety of scholarly approaches to pre modern recipe books written in English drawing on varying approaches to reveal their culinary medical scientific linguistic religious and material meanings Ten scholars from the fields of culinary history history of medicine and science divinity archaeology and material culture and English literature and linguistics contribute to a vibrant mapping of the aspirations invested in and uses of recipes and recipe books By exploring areas as various as the knowledge economies of medicine Anglican feasting and fasting practices the material culture of the kitchen and table London publishing and concepts of authorship and the aesthetics of culinary styles these eleven essays including a critical introduction to recipe books and their historiography position recipe texts in the wider culture of the sixteenth seventeenth and eighteenth centuries They illuminate their importance to both their original compilers and users and modern scholars and graduate students alike  
*Recipes and Everyday Knowledge* Elaine Leong,2018-11-28 Across early modern Europe men and women from all ranks gathered medical culinary and food preservation recipes from family and friends experts and practitioners and a wide array of printed materials Recipes were tested assessed and modified by teams of householders including masters and servants husbands and wives mothers and daughters and fathers and sons This much sought know how was written into notebooks of various shapes and sizes forming treasuries for health each personalized to suit the whims

and needs of individual communities In *Recipes and Everyday Knowledge* Elaine Leong situates recipe knowledge and practices among larger questions of gender and cultural history the history of the printed word and the history of science medicine and technology The production of recipes and recipe books she argues were at the heart of quotidian investigations of the natural world or household science She shows how English homes acted as vibrant spaces for knowledge making and transmission and explores how recipe trials allowed householders to gain deeper understandings of sickness and health of the human body and of natural and human built processes By recovering this story Leong extends the parameters of natural inquiry and productively widens the cast of historical characters participating in and contributing to early modern science

Frey,2025-05 *Georgia s Historical Recipes* is an exploration of our state s oldest recipes from the antebellum period through World War II as painstakingly researched by Georgia archivist Valerie J Frey This volume begins with a discussion of old recipes as primary sources and what they can tell us about the history and culture of their era and how to bring them to life in modern kitchens Frey then moves into fifty sections that can be read alone yet allow readers to build an understanding of how foodways evolved over time Some sections highlight a single recipe illustrating how changes in technology agriculture transportation communication and social patterns led to changes in Georgia kitchens Most of the recipes are previously unpublished waiting in archives to be rediscovered Other sections explore our oldest cookbooks offering biographical and cultural background information that makes them more meaningful For the first time Georgians have a list of the state s early cookbooks and its cooking experts Readers will learn where to find Georgia s oldest recipes and discover many examples to whet their appetites literally and figuratively for a taste of Georgia s past **The Recipe Reader** Janet

Floyd,Laurel Forster,2017-03-02 Over the last decade there has been an intense and widespread interest in the writing and

publishing of cookery books yet there remains surprisingly little contextualized analysis of the recipe as a generic form This essay collection asserts that the recipe in all its cultural and textual contexts from the quintessential embodiment of lifestyle choices to the reflection of artistic aspiration is a complex distinct and important form of cultural expression In this volume contributors address questions raised by the recipe its context its cultural moment and mode of expression Examples are drawn from such diverse areas as nineteenth and twentieth century private publications official government documents campaigning literature magazines and fictions as well as cookery writers themselves cookbooks and TV cookery In subjecting the recipe to close critical analysis The Recipe Reader serves to move the study of this cultural form forward It will interest scholars of literature popular culture social history and women s studies as well as food historians and professional food writers Written in an accessible style this collection of essays expands the range of writers under consideration and brings new perspectives contexts and arguments into the existing field of debate about cookery writing Genre in English Medical Writing, 1500–1820 Irma Taavitsainen, Turo Hiltunen, Jeremy J. Smith, Carla Suhr, 2022-10-13 This multidisciplinary volume offers new insights into the development of genres of medical discourse in changing socio cultural contexts

**Preserving Family Recipes** Valerie J. Frey, 2015-11-01 Heirloom dishes and family food traditions are rich sources of nostalgia and provide vivid ways to learn about our families past yet they can be problematic Many family recipes and food traditions are never documented in written or photographic form existing only as unwritten know how and lore that vanishes when a cook dies Even when recipes are written down they often fail to give the tricks and tips that would allow another cook to accurately replicate the dish Unfortunately recipes are also often damaged as we plunk Grandma s handwritten cards on the countertop next to a steaming pot or a splattering mixer shortening their lives This book is a guide for gathering adjusting supplementing and safely preserving family recipes and for interviewing relatives collecting oral histories and conducting kitchen visits to document family food traditions from the everyday to special occasions It blends commonsense tips with sound archival principles helping you achieve effective results while avoiding unnecessary pitfalls Chapters are also dedicated to unfamiliar regional or ethnic cooking challenges as well as to working with recipes that are orphans surrogates or terribly outdated Whether you simply want to save a few accurate recipes help yesterday s foodways evolve so they are relevant for today s table or create an extensive family cookbook this guidebook will help you to savor your memories

**Mum's Favourite Recipes Presented Through a Journey in Time** Gerard Chai, 2023-02-15 The book focuses on a Peranakan mother who has been cooking and collecting recipes since she was eight years old Celebrating her 90th birthday she shares her favourite recipes and her life story 90 recipes and a chronicle of her life family and unique experiences Although Peranakan in culture the recipes are not of a specific genre They are from her favourite collection that includes Peranakan Chinese Indian Malay Parsi Eurasian and others The intended readership are home chefs as the recipes are simplified as best possible since the interest in home cooking has recently been re ignited due to the Covid stay home
