Hangman's Territory Jack M. Bickham, 1988 *The Hangman's Replacement* Taona D. Chiveneko, 2013-01-15 If you had to interview the candidates for a country's new hangman what questions would you ask them If your family was on the verge of starvation and becoming a hangman was the only job available would you apply If you were hired what would you do if the prisoners looked like your loved ones If you knew that another good man was taking the job out of desperation would you do anything to prevent him from getting it What if that man's recruitment would somehow guarantee your own survival would you encourage his candidacy All these questions were asked of people who never thought they would find themselves in such a position until they became mired in the chaos surrounding the hangman's replacement **Hangman's Bridge** Curtis Bent, 2021-12-07 Through a variety of activities ranging from pulling weeds in Delta asparagus and sugar beet fields to playing hang tag during a two a day summer football practices on Delta bridges Curtis shares vivid experiences with the reader that the Delta and the San Joaquin Valley offer All is not simply fun and games in Curtis rite of passage as he becomes aware of the profound impact that water holds on his family and environment of the state of California Through personal experiences Curtis shares basic facts with the reader such as the following it takes five gallons of water for a walnut to reach market a levee is reinforced with junked cars for eight miles to save the agricultural fields or there is only one river in the U S that has not been dammed the Yellowstone Through the supportive enlivened narrative of his family friends and acquaintances Curtis weaves a compelling story that includes his establishing a school for challenged youth As the main character Lou processes the gathered information Lou takes a radical stand to confront the abuses that impact our socioeconomic culture The novel culminates in a violent conclusion to which the reader is asked What would you do

acclaimed fiction debut *Black Irish* won him comparisons to such thriller masters as Jo Nesbø, Karin Slaughter and Tana French. Now this chilling novel brings back intrepid heroine Absalom Kearney, a driven police detective with a haunted past trying to make a difference in a troubled town. A brilliant thriller series. Tess Gerritsen. *Hangman*. Hangman, what do you see? Four little girls as cute as can be. The eerie schoolyard chant still sends ripples of horror through North Buffalo. Not so long ago serial killer Marcus Flynn preyed upon the community's teenaged daughters until he was cornered and shot in the head. But Flynn lived, carrying to prison the nickname Hangman along with the secret of his last victim's fate. Homicide cop Abbie Kearney wasn't around during Hangman's reign of terror. She hadn't yet come home to wear her dad's old badge in the tough Irish American stronghold known as the County. Abbie had never experienced firsthand the horror of Hangman. Until now. Hangman. Hangman, where do they go? Down on the ground where the daffodils grow. A corrections officer lies dead, a prison van stands empty, and somewhere out there the monster who condemned innocents to death at the end of a rope watches and waits to strike again. Abbie leads a desperate manhunt through a city driven to its knees by fear, matching wits with a predator as brilliant as he is elusive. But as more victims are claimed, a rising tide of secrecy, paranoia and politics forces her to realize that stepping beyond the law may be the only way to find justice. Because with each passing hour the stakes grow higher and Hangman's noose gets tighter.

A Hangman's Diary Franz Schmidt, 1929 **Hangman's Creek / Jury of Six** Matt Braun, 2007-10-30 Luke Starbuck poses as an outlaw in order to infiltrate a dangerous gang of cattle rustlers. **Laws and Resolutions** Anonymous, 2023-07-23 Reprint of the original first published in 1873. Sketch of the Territorial History of the Burgh of Aberdeen George Cadenhead, 1878 **The Montana Stranglers in Dakota Territory** Ron N. Berget, 2022 The saga of The Montana Stranglers in Dakota Territory embodies the violence and vigilantism of the Old West. In the early 1880s, desperate characters left over from the fur trade began robbing arriving settlers in the wilderness of Eastern Montana and Northwestern Dakota Territory. Gangs of horse thieves sprang out of camps from the Musselshell in Montana along the Missouri into Dakota Territory up into Mouse River, Dogden Butte country and ending at Turtle Mountain. Cattlemen and homesteaders formed vigilance committees including Granville Stuart's Montana Stranglers, resulting in the violent death of fifty-four people from September 1883 to December 1884. They weren't all guilty and there were probably more. Author Ron Berget shares this thoroughly researched true story of the Montana Stranglers' bloody pursuits throughout the northern plains.
