Branting,2015-12-03 A memoir of one couple s escape from the Nazis full of ingenuity and determination Michael R Marrus Professor of Holocaust Studies University of Toronto At the beginning of World War II the US and other countries erected a paper wall a bureaucratic maze that prevented all but a small number of Jewish refugees from emigrating from Nazi Occupied Europe When the World Closed Its Doors tells the true story of a young couple who like many European Jews were caught between the Nazis and the paper wall Ida Piller Greenspan was married in Belgium on May 9 1940 That night the Nazis invaded Belgium She and her new husband survived the next four months hitchhiking through occupied territory hiding in barns and tunnels dodging bombs near Dunkirk crossing the Pyrenees on foot and enduring weeks with little food and no money Ultimately they arrived in Portugal certain they would find sanctuary somewhere in the world beyond Europe s borders But their trials were not over It took nine anxious months for them to find a country that would let them in months spent watching in horror as most refugees were forced back to uncertain lives in their home countries Forty years later Ida an accomplished artist created a pictorial diary of their journey Her prints lyrical haunting and compelling are accompanied by a page turning narrative that bears witness to this treacherous and largely forgotten chapter of World War II history *The School that Escaped the Nazis* Deborah Cadbury,2022-07-12 The extraordinary true story of a courageous school principal who saw the dangers of

Nazi Germany and took drastic steps to save those in harm's way. In 1933 the same year Hitler came to power schoolteacher Anna Essinger saved her small progressive school from Nazi Germany. Anna had read *Mein Kampf* and knew the terrible danger that Hitler's hate fueled ideologies posed to her pupils so she hatched a courageous and daring plan to smuggle her school to the safety of England. As the school she established in Kent, England flourished despite the many challenges it faced the news from her home country continued to darken. Anna watched as Europe slid toward war with devastating consequences for the Jewish children left behind. In time Anna would take in orphans who had given up all hope, the survivors of unimaginable horrors. Anna's school offered these scarred children the love and security they needed to rebuild their lives. Featuring moving firsthand testimony from surviving pupils and drawing from letters, diaries and present day interviews, *The School that Escaped the Nazis* is a dramatic human tale that offers a unique perspective on Nazi persecution and the Holocaust. It is also the story of one woman's refusal to allow her belief in a better world to be overtaken by hatred and violence.

Escape Sandra Giddens, 1999 Tells the stories of four teenagers who survived the horrors that the Nazis perpetrated on Jews during World War II.

Through the courage and humanity of a few individuals she finds work in a hospital in Germany under an assumed identity. With fierce determination and resourcefulness Lederman manages to elude Nazi capture and eventually immigrates to the United States with her husband. *Sheva's Promise* is not only an invaluable piece of historical record but also the work of a gifted writer whose keen eye for detail and skillful attention to language gives readers an unforgettable story.

Escape to Life Patricia Herskovic, 2002 Caught in the crossfire of Nazi oppression two people triumph in this story of courage, luck and passion during one of the darkest moments of the 20th Century. After surviving a perilous escape from Auschwitz's infamous death camps, William Herskovic miraculously made his way across Nazi-occupied Europe. Becoming one of the first recorded eyewitnesses of Hitler's atrocities he alerted the underground and was eventually credited with the rescue of hundreds, perhaps thousands, bound for the gas chambers. Mireille, still merely a teenager, managed to hide her parents in attics and rural homes, risking her life daily to venture out for the food to keep them alive. The Herskovic family survived the perils of the Holocaust with their souls and spirits soaring. Patricia Herskovic was born in Belgium and immigrated to the United States as a child. She received her degree in political science from UCLA. Currently a motion picture producer, she lives in Los Angeles with her husband and son. Distributed for Yad Vashem Publications, Jerusalem.

Auschwitz Greatest Escape Ryan Jenkins, 2015-06-13 For many a trip to the dreaded death camps created by the Nazis in World War II was a death sentence Many wouldn't live for long after disembarking their train Others were sentenced to hard labor that would eventually claim them or drive them to take drastic measures and attempt to escape Most would be brought back dead or soon to be dead There are some stories that stand out from the rest Men who dared to defy one of the most brutal forces in history the Nazi regime These men weighted the odds and were determined to do what few managed to

do escape First we have the story of two men whose motivation was not only to escape in order to ensure their own survival but the survival of others as well They were determined to make it out and warn those that might be next for the camps Would they make it out Would anyone listen to what they had to say Read more and find out The next story is that of not one or two men finding their way out of a camp but an all out revolt After a shocking note lets them know that they are slated for extermination desperate men resort to desperate measures to try and survive Can the son of a Rabbi and a former Soviet music major rally enough men to entertain certain death Will they succeed and at what cost Learn more about their story and find out if they made it to freedom There is no doubt that the holocaust was one of the most shameful events in human history There were triumphs though Find out what became of these men who were desperate for survival Comments From Other Readers Sometimes it is easy to forget the brutality of the Nazis during World War II The struggle that the Jews went through has been cast in shadow as we move on in time The camps were a very real thing though Very few found a way to escape the horror of these concentration camps This book will help to enlighten the readers about what lengths men will go to in order to save themselves and the lives of others Excellent story Phillip Washington United States This book is based on the true stories of those who were sent to death camps They could be considered the fortunate few that were allowed to live The story of those prisoners in Auschwitz who saw the atrocities there day after day saw trainloads of people brought in It was the rumor that hundreds of thousands of other Jews were to be sent there to die immediately upon arrival that spurred a plan to escape and tell the world what was truly happening This is a difficult book to read at times but it s a story that needs to be told I encourage everyone to get this book today and read it Valerie Texas United States
