

Unique the Unicorn

Unique was a unicorn with a rainbow mane,
An unusual creature, with an unusual name.
A bright, flowing tail and a golden horn,
Set this animal apart from the norm.

But it wasn't just looks that set Unique apart,
This unicorn was different right from the start.
From a very young age, as a unicorn foal,
Unique had a very unusual goal.

You see, Unique was obsessed with the stars,
And Jupiter, Saturn, the Sun and Mars,
And black holes and comets and Mercury too,
And the curious craters she saw on the Moon.

Learning about space made Unique feel good.
While the other creatures were eating their food,
Unique would be star-gazing, searching the night,
For unusual objects and stars so bright.

Unique had a dream - to go into space,
The very first one from the unicorn race.
With lots of effort and determination,
Unique could be heading towards the space station!

Running to Paradise the late M. L. Rosenthal, 1997-04-24 In Running to Paradise M L Rosenthal hailed by the Times Literary Supplement as one of the most important critics of twentieth century poetry leads us through the lyric poetry and poetic drama of our century s greatest poet in English His readings shed new vivid light on Yeats s daring uses of tradition his love poetry and the way he faced the often tragic realities of revolution and civil war Running to Paradise describes Yeats s whole effort sometimes leavened by wild humor to convey with high poetic integrity his passionate sense of his own life and of his chaotic era Himself a noted poet Rosenthal stresses Yeats s artistry and psychological candor The book ranges from his early exquisite lyrical poems and folklore rooted plays through the tougher minded more confessional mature

work including the sublime achievement of *The Tower* and then to the sometimes mad yet often brilliant tragic or comic writing of his last years. Quoting extensively from Yeats, Rosenthal charts the gathering force with which the poet confronted his major life issues: his art's demands, his persistent but hopeless love for one woman, the complexities of marriage to another woman at age 52 and his distress during Ireland's Troubles. Yeats's deep absorption in female sensibility in the cycles of history and human thought and in supernaturalism and the dead comes strongly into play as well.
