## **Escape From Armageddon:**

Escape from Armageddon Samuel E. West, 2002 Through a study of Biblical teachings commentaries and ecclesiastical histories you will learn exactly what Apocalyptic events are coming on the earth when they are coming why God is bringing such judgments who will be most affected and what escape has been provided by God Learn about the 7000 year dateline of mortal man The first 2000 years was the Patriarchal Age Adam to Abraham Next was the 2000 year Time of Israel The next 2000 years was the Time of Gentiles The last 1000 years will see Jesus return to the house of Israel gather them from heaven and earth and establish them as His people for the thousand year Sabbath of Creation and eternity Heaven will be here on earth with a New Jerusalem in North America and with Jerusalem as the cities of God and Jesus The Bible teaches all of the Apocalyptic events will occur by 2007 Man cannot begin to imagine the horror of these events They will make the Great Flood seem like a brief shower Only a third of the house of Israel is to survive Gentiles will be as though they had not been The world is to be scourged with asteroid comet impacts fire hail pestilence famine and a decease that will end all nations Death will be more common than life Only a relatively few will survive Here is the untold story of why God stopped speaking to man in 99 AD and when He was to speak again The Bible tells how a beast kingdom destroyed the Church of Christ divine authority and finally every saint of God on the earth Learn how Constantine in 325 AD amalgamated pagan Rome with Christianity and created this beast of Revelations that was to rule supreme over the souls of man for 1260 years Discover how the Bible provides the true story of this beast the image of the beast the mark of the beast and antiChrist There was to be a brief restoration of divine authority in the last days and then only a very small remnant would remain to offer escape When Jesus returns He is to destroy those who do not know God and do not obey the gospel This book reveals the true character attributes and will of God Here is the true identity of Jesus Christ Learn of the original gospel of Christ The relationship between God and His people is traced from Adam to the end of mortal man Most important here is the only Biblical escape from Armageddon and path to eternal life      Escape from Armageddon Ken Walker, Val Walker, 1997

Escape from Armageddon William F. Dankenbring, 1983      **Shutting the Door to the Kingdom of God** Eric Michael Wilson, 2022-08-20 This book uses the New World Translation of the Holy Scriptures to prove that all the teachings of Jehovah's Witnesses concerning the Last Days and the good news of salvation are unscriptural The author an elder of Jehovah's Witnesses for 40 years shares the results of the last ten years of his research into such Watch Tower teachings as the 1914 invisible presence of Christ the overlapping generation doctrine the failed prophecies of 1925 and 1975 the fact that the Governing Body had evidence long ago showing that 607 BCE was not the date of the Babylonian exile and most important of all the abundant evidence that the salvation hope offered to the JW Other Sheep is a Rutherford invention wholly without support in Scripture He also shares his experience on how Witnesses who continue to believe in Jehovah and Jesus can move beyond JW org without sacrificing their faith This is a must read for any Jehovah's Witness who is a seeker of truth

Olson, 2018-11-15 This study examines the role of the Six Day War in American Protestant politics and culture The author argues that American foreign policy towards the Arab Israeli conflict culminating in the Trump Administration's 2017 recognition of Jerusalem as Israel's capital and the domestic Evangelical communities who supported it has a direct correlation with the long term consequences of the 1967 Six Day War For most of America's history biblical literalists or Evangelicals dominated the religious culture of the country But in 1925 the Scopes trial on science evolution and religion embarrassed Evangelicals and caused them to retreat from American culture and politics Modern and liberal Protestants won dominance and established control in nearly all of the Mainline seminaries publishing houses and denominations leading to the creation of the National Council of Churches by 1950 This book argues that the Six Day War reversed that power structure in American religion with Evangelicals returning to a place of prominence in American culture and politics Whereas the Scopes trial showed much of American Protestantism that the Modernists had the right understanding of the Bible the Six Day War demonstrated that ironically Evangelicals may have had it right all along They used this historic leverage to

vaunt themselves into the highest planes of American life with Billy Graham becoming America's Pastor. In this historic process the 1967 war between Israel and the surrounding Arab states clarified the way those different branches of American Protestantism thought about the Arab-Israeli conflict, particularly the issue of Jerusalem. Indeed, the nature of the Six Day War was deep and appeared to be of Biblical proportions. Because Israel gained territories in Jerusalem, Bethlehem, and the ancient Biblical heartlands formerly held by Jordan, historical, messianic, and even apocalyptic intrusions entered the various branches of American Protestantism. In some branches, supersessionism, a belief that the Church had replaced the Jewish people as God's chosen, was stoked. In other branches, supersessionism was rejected, and the nature of Judaism and its connection to the Holy Land was re-evaluated. The important point is that the territories that Israel captured had thick theological meaning, and this would force all branches of American Protestantism to reconsider their assumptions about Judaism and Zionism, as well as Islam and Palestinian nationalism.

**Evangelicalism** American Refugees Marcus Lynn Dean, 2020-11-08. Mid 21st century America belongs to the Christian white nationalists. Homosexuality is no longer just a sin; it's a crime. In many places, a crime punishable by death. That's why Dustin and I have to get to Canada. For us, there is no other option. We're like the refugees of earlier times. Those who were trying to get into the United States to escape death in their home countries. Only now we're the ones who have no choice: get out of America or die.

**HOW THE WORLD WILL END** Benjamin Itimi, 2017-01-09. This book is a sequenced outline of the kernel for an intense drama script that is about to play out in real time upon the entire world of Christians and unbelievers. The scenes of this thrilling drama tell us what to expect and when to expect it, and the entire story is woven around three foundational Bible prophecies along with a few more scriptures of kin. It is altogether declarative, indicative, and implicative, pitching Jesus and His followers against the world of the Antichrist, as the Rapture, the Great Tribulation, the Battle of Armageddon, the Millennial Reign of Christ, and the Last Judgment all come in their turns. This harbinger legend narrative is God's preemptive plan for the end of this evil world, which subsequently unveils a perfect world that has been waiting eagerly to dawn upon the righteous in exchange for the former.

**Globalization and the Mission of the Church** Neil J. Ormerod,Shane Clifton,2011-10-27 Various social political economic and cultural commentators are presently arguing that human history is reaching a decisive stage in its development a stage marked by increased interconnection between peoples the compression of space and time a sharing of ideas at unprecedented levels global trade and finance and so on The shorthand word used to encompass these phenomena is globalization Some embrace it others reject it while still others dispute its existence But with the abundance of literature and debate that it generates the topic cannot be ignored From its inception in the missionary mandate of Jesus Matthew 28 Christianity has had a global dimension to its mission Christianity is not a spectator to globalization but one of its agents one of the forces at work which have extended interconnection between peoples shared ideas and promoted social political and cultural links The purpose of the present work is not to provide a complete response to the question of the mission of the church in a globalizing world but to establish a framework within which answers may be sought Grounded in the writings of Bernard Lonergan and Robert Doran it develops a theology of history and addresses the church's response to the impact of globalization on vital social cultural personal and religious values The project brings together the perspectives of Catholicism and Pentecostalism the former providing a depth of wisdom and tradition the latter drawing on the insight of a newly emerging movement that has taken root in every continent with remarkable energy and enthusiasm

**Toxic Terror** Jonathan B. Tucker,2000-02-28 In depth case studies of twelve terrorist groups and individuals who from 1946 to 1998 allegedly acquired or employed CBW agents Policymakers scholars and the news media have been alarmed by the potential for chemical and biological weapons CBW terrorism and the U S Congress has allocated billions of dollars for counterterrorism and consequence management programs Driving these concerns are the global spread of scientific knowledge and technology relevant to CBW terrorism and the vulnerability of civilian populations to chemical and biological attacks Notably lacking from the analysis however has been a careful assessment of the terrorists themselves What

types of terrorist groups or individuals are both capable of acquiring chemical and biological weapons and motivated to use them and for what purposes Further what types of toxic agents would probably be produced and how would they be delivered Answers to these questions would enable policymakers to prepare for the most likely contingencies To this end Toxic Terror provides in depth case studies of twelve terrorist groups and individuals who from 1946 to 1998 allegedly acquired or employed CBW agents The cases were researched from primary sources including court documents interviews and declassified government files By comparing the twelve cases the book identifies characteristic motivations and patterns of behavior associated with CBW terrorism and provides an empirical basis for prudent cost effective strategies of prevention and response *Film Review* ,1998 **The Royal Knights** Darius Heyward, **Zodiac** Stephen Ricketts,2017-01-10
