## Escape From Darkness:

**Escape From Darkness** Cheryl Franklin, 2011-07-01 Through my darkest hours I was able to overcome the elements of generational curses and the defeated life cycle that was set before me I kept my faith when things would go wrong and come against me I persevered and refuse to give up with the love and encouragement of others I was able to go forward and stay on the path of righteousness I could not do it without God He brought me out from darkness to the light and I became a better person and a fruitful member in society Now my hope and dreams are being fulfilled I can help others escape from darkness God will never fail you He will turn your situation around Stay under his shadow and He will protect you and the gates of hell shall not prevail against you

**Escape from Darkness** William David Halfon, 1997 Opening to Darkness Zenju Earthlyn Manuel, 2023-03-21 In darkness we become devoted to clarity courage peace and harmony We discover the basic goodness of all humanity when we experience darkness together Zenju Earthlyn Manuel writes Life itself is a dark experience a magical experience When you hear the word darkness what does it make you feel horror danger or maybe despair We've been conditioned to fear and avoid darkness and blackness yet Zenju Earthlyn Manuel challenges us to consider What if we chose to go deeper into darkness instead of running from it What might we find there beyond our longing for light Drawing on the ancient wisdom found in Zen Buddhism and African and Native American indigenous traditions Osho Zenju reveals how a change in perspective and increased wisdom can help us awaken to the sacredness of dark experiences in our lives so we may experience a reality beyond avoidance and fear Opening to Darkness will take you on a courageous journey into the mandala of darkness a symbolic expression of your inner world where you will travel through eight gateways that are inspired by Buddha's Eightfold Path Along your way you will meet dark mothers from India Nigeria Japan Haiti and Dahomey who both protect and destroy Osho Zenju provides reflective inquiry blessings and meditations as you navigate your way through the vast depths of the unseen It is through this spiritual pilgrimage that we learn how to Experience the wonders of life that can flourish only in the dark Discover a collective doorway to healing and deep transformation Awaken to the illusory nature of light versus dark Illuminate false perceptions and beliefs of darkness Heal the fear and anxiety around darkness and blackness Wrapped in gorgeous lyrical prose Osho Zenju's offerings provide deep soul relief and collective strength to embrace the dark so we may reunite with the sacred process of darkness that flows through the canvas of our lives
