Lost In Reflection Rachel Lawson, 2025-06-02 I knew I was inbred but my family tree is just getting more insane the more I look into it I just discovered my ancestors were running a Game of Thrones war with each other in the Middle Ages On one side my ancestors Robert the Earl of Gloucester and his half sister Empress Matilda the heir apparent of King Henry the 1st and John Marshal the Father of my 5 times Great grandfather William Marshal 5 of his children were my ancestors He is known as the greatest knight Who was given to their enemy my other ancestor King Stephen by John as a hostage John played Stephen false by joining forces with the Empress and her brother So Stephen decided to give the young William back with a catapult The boy was young he played on the catapult rocking it and he charmed Stephen with his childish cuteness He ordered William to be taken down from it The boy asked to play with Stephen's weapons and charmed him completely He made a friend of the king with his cuteness It saved his life and mine William's father thought William was expendable as he could have more children William became a co regent of England with another ancestor of mine Hubert de Burgh who was accused of killing another ancestor of mine King John's half brother William Longsword the Earl of Salisbury uncle to my other ancestor Henry the Third Honestly no one would think of such an insane family as mine As whispered from the past in my blood Songs about and dedicated to them and more people you may have heard of
