battleground for a well funded proxy war between Iran and Saudi Arabia As gunfire and grenades exploded throughout the city Mohammed hid in the bathroom of his apartment and desperately appealed to his contacts on Facebook Miraculously a handful of people he barely knew responded Over thirteen days four ordinary young people with zero experience in diplomacy or military exfiltration worked across six technology platforms and ten time zones to save this innocent young man trapped between deadly forces rebel fighters from the north and Al Qaeda operatives from the south The story of an improbable escape as riveting as the best page turning thrillers The Fox Hunt reminds us that goodness and decency can triumph in the darkest circumstances
