*Esoteric Astrology* Alice A. Bailey, 1975-12-01 The science of esoteric astrology is said to be the basic occult science for the future It will come into its own as the esoteric or soul factors begin to supersede the exoteric focus of the vast majority of professional and amateur astrologers today This is the science which deals with those conditioning and governing energies and forces which play through and upon the whole field of space and all that is found within that field The Ancient Wisdom teaches that Space is an entity It is with the life of this entity and with the forces and energies the impulses and the rhythms the cycles and the times and seasons that esoteric astrology deals Esoteric astrology can be applied by the trained worker in a variety of ways in medicine psychology science education to an evaluation of human problems of the destiny of nations of a correct interpretation of world affairs and so on It is necessary however that at this stage the application of esoteric astrology to human life should be recognised as experimental and tentative so that each individual worker can adjust his thinking and his methods according to his own wrought out experience to work depend entirely on a consciousness evolving out of control by the personality into the life of the soul out of separateness and self centredness into a realisation of unity and absorption into a centre of group consciousness Astrology is described in this book as the science of relationships the relationship existing between all living organisms within the universe Not only the qualities of the ray energies affect these centres of consciousness but also the quality and energy of the ruling planets and the zodiacal signs Seen from the exoteric outside astrology is a vast and most involved and complex subject From the esoteric inside while it is still vast all inclusive and complex it is also possible to perceive the thread which unites and the pattern which prevails throughout the whole system A basic simplicity in the grand design emerges therefore which can serve to interpret the whole study

In addition there is an appendix which summarises and tabulates many of the factors of fundamental importance to the study of esoteric astrology This is a book for the true occult student It may appear to be too highly specialised for some but every esoteric worker finds eventually that his work requires an understanding of the basic astrological factors which affect all relationships and all forms of life within the ethers of space so that he may learn how to cooperate intelligently in the evolution of the whole by the right adjustment of the part within that whole until eventually the many are absorbed into the One The books of Alice A Bailey written in cooperation with a Tibetan teacher between 1919 1949 constitute a continuation of the Ageless Wisdom a body of esoteric teaching handed down from ancient times in a form which is always suitable to each period writings offer an unparalleled spiritual approach to such subjects as the teaching on Shamballa and

The Full Moons: Topical Letters In Esoteric Astrology Malvin Artley, 2014-06-12 The Full Moons is an exploration of the Sun the Moon the Truth and their interrelation and it is the culmination of over ten years of letters the author has written on esoteric astrology A compendium of topics in esoteric astrology it explores the emerging universal spirituality gradually unfolding through the current decades as seen from the perspective of topical world events even though the principles investigated therein are timeless The twelve astrological signs each give a unique insight into various aspects of spirituality and each one has its own story to tell on the great evolutionary path of the soul Because the soul is so dear to us even though the subject matter of the book is esoteric in its presentation there is something in its pages for everyone whether or not you have an astrological background Ultimately this book can be used as reference material for the times of the full moon each month and for specified times in between The book is extensively indexed for ease of reference and it contains abundant reference material in the appendices along with a glossary of esoteric terminology      The Esoteric Astrology Of Tarot Ann Davies, 2021-02-08 In every age and in every country there are always those few individuals who seek more satisfying answers to the great questions of Life than they can find in their local churches and temples or through science If their quest is sincere and they persist they will eventually be drawn into contact with one of the world s Mystery Schools where they may be instructed and trained There have always been centers called Mystery Schools responding to the cry for understanding from aspirants throughout the ages Today such close secrecy is no longer necessary Much may now be given out openly

which formerly could be imparted only in private and by word of mouth The greatest secrets however can never be transmitted by written or spoken word That secrecy which guards the deepest esoteric knowledge is not imposed by the custodians of Ageless Wisdom but by human ignorance It is the kind of secrecy which shrouds the work of great scientists such as Bor Curie Einstein Edison and others This secrecy does not result from any deliberate withholding but rather from a mass ignorance and consequent inability to understand the concepts and reasoning required by advanced science The custodians of Ageless Wisdom can no more disclose their knowledge to untrained men and women than great scientists can explain their theories of the universe to children who are still in kindergarten

**Esoteric Astrology for the New Age, Vol 2: Cosmological Astrology** Bodo Balsys, 2025-01-08 This book will set the stage for the new cosmological understanding for our local universe from the astrological perspective The background for proper comprehension is my The Constitution of Shambhala plus Bailey s A Treatise on Cosmic Fire and Esoteric Astrology The focus is upon the Mother of the World s department and the disastrous events that happened upon the moon in that far distant past when it harboured a human kingdom The key individuals that went aberrant then through grievous sex magical practices have either since been converted upon the earth to become the Hierarchy of Enlightened Being or else are the forces of evil the dark brotherhood that have presently taken over planetary affairs That ancient history is traced to the next globe in our earth Scheme in the fifth Round that will bear a human kingdom The astrological conditions that set the stage for this is first established viewed from above down rather than from the normal earth centred astrology The focus is upon the activities of the former Logos of the moon Chain which was a Taurean dispensation ruled by the Mother s department Explained is His subsequent fall and incarnation upon the earth coupled with a similar though lesser fall of Sanat Kum ra He did so to properly monitor the consequent dangerous situation upon the earth because of the vast number of evil entities from the moon that subsequently incarnated to admix with the earth s indigenous humanity The events producing the great flood that sank the Atlantean continent have their true genesis here
