Language Ideologies and the Globalization of 'Standard' Spanish Darren Paffey, 2012-09-06 This book examines how language ideologies are manifested in newspaper media Using the Spanish press as a case study it considers how media discourse both from and about the Real Academia Española constitutes a set of language ideological debates in which the institution represents a vision of what the Spanish language is and what it should be like Paffey adopts a Critical Discourse Analysis approach to a large corpus of texts from Spain's best selling daily newspapers El País and ABC More generally the book sheds light on how institutions produce and maintain visions of standard language in the contemporary context A global language such as Spanish is by nature more widely used outside of the nation state in question than in it The book covers recent research on language ideologies standardization and CDA and considers the application of these to three core discursive themes language unity and a concept of a panhispanic speech community the

RAE's construction of its authority and institutional ideologies and management of language on a global scale **Language Attrition among Immigrant Teachers of Spanish** Ivonne Lerner, 2025-02-14 *Language Attrition among Immigrant Teachers of Spanish* is the first book devoted entirely to Spanish language attrition in all language areas and specifically among language professionals. Based on original research awarded the ASELE Routledge prize in 2022, this volume presents an interdisciplinary and pioneering study on native language attrition among Spanish L1 immigrants in Israel, though its insights can be easily applied in any immigration setting. It focuses on the challenges faced by immigrant foreign language instructors teaching their L1 first language. Integrating both quantitative and qualitative data, the study explores Spanish language attrition in a multilingual and multicultural context like Israel, offering innovative insights and suggestions for future research. *Language Attrition among Immigrant Teachers of Spanish* also contributes to the native/non-native language teacher debate from the unique perspective of attrition, proposing a workshop for teachers alongside its research findings. This volume is an essential resource for researchers and postgraduate students of applied linguistics with a specific interest in language attrition or sociolinguistics. It will also be of interest to foreign language teachers and teacher trainers.

Fonética y fonología descriptivas de la lengua española Juana Gil, Joaquim Llisterri, 2024-10-01 Volume 2 of the most up-to-date and comprehensive description of the Spanish language's phonetic and phonological system. Though there has been considerable research on Spanish phonetics and phonology, until now there has been no in-depth and complete descriptive reference work. *Fonética y fonología descriptivas de la lengua española* volumes 1 and 2 are a comprehensive reference written in Spanish describing the phonetics and phonology of Spanish. Edited by Juana Gil and Joaquim Llisterri and including contributions from an international group of scholars, these books provide a comprehensive overview for understanding topics across Spanish phonetics and phonology, making clear what further research is needed. Together, these volumes offer a survey of Spanish descriptive phonetics and phonology. Volume 2 focuses on the suprasegmental properties of speech, such as word stress, intonation, speaking rate, pauses, and rhythm. The topics are examined from different angles: their phonetic description, their phonological analysis, their variation, and also their function in speech. Intonation, in particular, is also studied from the point of view of pragmatics, discourse, and conversation analysis. With state-of-the-art information on all topics related to the sounds of Spanish, *Fonética y fonología descriptivas de la lengua española* will be a valuable resource for researchers, students, and scholars of Spanish linguistics who wish to deepen their understanding of the phonetic and phonological characteristics of all the varieties of the Spanish language. *Lingüística textual y enseñanza del español LE/L2* Javier de Santiago-Guervós, Lourdes Díaz Rodríguez, 2020-10-13 *Lingüística textual y enseñanza del español LE/L2* ofrece una visión de conjunto teórica y actualizada de la lingüística textual aplicada a la enseñanza del español como lengua extranjera y/o segunda, destinada especialmente a estudiantes graduados y a profesores en formación nativos y no nativos.
