Especially Heroes:

Tarnished Heroes, Charming Villains and Modern Monsters Lynnette Porter, 2014-01-10 The heroes villains and monsters portrayed in such popular science fiction television series as *Heroes* *Lost* *Battlestar Galactica* *Caprica* *Doctor Who* and *Torchwood* as well as Joss Whedon's many series illustrate a shift from traditional clearly defined characterizations toward much murkier definitions Traditional heroes give way to gray heroes who must become more like the villains or monsters they face if they are going to successfully save society This book examines the ambiguous heroes and villains focusing on these characters different perspectives on morality and their roles within society Appendices include production details for each series descriptions and summaries of pivotal episodes and a list of selected texts for classroom use Instructors considering this book for use in a course may request an examination copy here

Folk Heroes and Heroines around the World Graham Seal, Kim Kennedy White, 2016-03-14 This comprehensive collection of folk hero tales builds on the success of the first edition by providing readers with expanded contextual information on story characters from the Americas to Zanzibar Despite the tremendous differences between cultures and ethnicities across the world all of them have folk heroes and heroines real and imagined that have been represented in tales legends songs and verse These stories persist through time and space over generations even through migrations to new countries and languages This encyclopedia is a one stop source for broad coverage of the world's folk hero tales Geared toward high school and early college readers the book opens with an overview of folk heroes and heroines that provides invaluable context and then presents a chronology The book is divided into two main sections the first provides entries on the major types and themes the second addresses specific folk tale characters organized by continent with folk hero entries organized alphabetically Each entry provides cross references as well as a list of further readings Continent sections include a bibliography for additional research The book concludes with an alphabetical list of heroes and an index of hero types

Unsung Heroes of The Lord of the Rings Lynnette Porter, 2005-03-30 Most criticism of *The Lord of the Rings* trilogy emphasizes the most likely heroes in the tales Aragorn Frodo Gandalf and even Sam From popular to scholarly literature the women and smaller characters often go overlooked But our notions of what makes a hero have altered since September 11 and sometimes the most unlikely people can come to embody all that we look up to and admire in a person Here Lynnette Porter examines what we mean when we talk about heroes and for the first time illustrates the heroic qualities that can be found in the women and other beloved though less celebrated characters in the *The Lord of the Rings* books and movies She takes a critical look at the importance of literary and cinematic heroes in general emphasizing the roles of Merry Pippin Galadriel Eowyn Arwen Legolas and Gimli who can all be considered heroes despite their relatively smaller roles She shows ultimately that our attraction to and celebration of heroes does not have to be limited to the leading man but rather that women and youth often display essential characteristics of true heroes Bringing together a discussion of both the books and the movies Porter reveals for readers the heroic nature of

several characters in The Lord of the Rings who have been ignored in terms of their status as heroes Nevertheless these female and youthful characters have received incredible popular acclaim and illustrate the shift in the way the Western movie going public identifies and glorifies heroes While other stars may have outshone the likes of Merry and Pippin Arwen and Galadriel Porter redirects the spotlight on these favorites of the books and movies to show us how the roles they play the actions they take and the behaviors they display are worthy of our praise and admiration This unique and refreshing perspective adds dimension to our understanding of The Lord of the Rings phenomenon

Landscapes of Dread in Classical Antiquity Debbie Felton, 2018-04-27 Over the last two decades research in cultural geography and landscape studies has influenced many humanities fields including Classics and has increasingly drawn our attention to the importance of spaces and their contexts both geographical and social how spaces are described by language what spaces are used for by individuals and communities and how language use and the passage of time invest spaces with meaning In addition to this spatial turn in scholarship recent years have also seen an emotive turn an increased interest in the study of emotion in literature Many works on landscape in classical antiquity focus on themes such as the sacred and the pastoral and the emotions such spaces evoke such as respectively feelings of awe or tranquillity in settings both urban and rural Far less scholarship has been generated by the locus terribilis the space associated with negative emotions because of the bad things that happen there In short the recent emotive turn in humanities studies has so far largely neglected several of the more negative emotions including anxiety fear terror and dread The papers in this volume focus on those neglected negative emotions especially dread and they do so while treating many types of space including domestic suburban rural and virtual and while covering many genres and authors including the epic poems of Homer Greek

tragedy Roman poetry and historiography medical writing paradoxography and the short story *In the Shadow of the Red Banner* Yitzhak Arad, 2010 Over 500 000 Jews fought under the Soviet banner in World War Two of which an approximate 40 percent gave their lives the highest percentage of all the nations of the Soviet Union and among all the other nations that fought in the Second World War Dr Arad now sets the record straight on the immense contribution of Soviet Jewry in the battle against Nazi Germany a part of history long concealed by the Soviet government After outlining the military progress of the war the book documents the contributions of Soviet Jewry on the battlefronts and in the weapons development industry in the ghetto undergrounds and in partisan warfare In addition the book records the Soviet government's deliberate attempts to downplay the Jewish effort and the anti-Semitism that Jewish soldiers and partisan groups suffered at the hands of the Soviet establishment even while giving their lives for their country Replete with the stories of individual heroes of all ranks the book pays a debt of gratitude to those who paid the ultimate price to achieve our victory

Notions of Genre Barry Keith Grant, Malisa Kurtz, 2016-11-08 Much of the writing in film studies published today can be understood as genre criticism broadly speaking And even before film studies emerged as an academic discipline in the 1970s cultural observers within and beyond the academy were writing about genre films and making fascinating attempts to understand their conventions and how they speak to for and about the culture that produces them While this early writing on genre film was often unsystematic impressionistic journalistic and judgmental it nonetheless produced insights that remain relevant and valuable today *Notions of Genre* gathers the most important early writing on film genre and genre films published between 1945 and 1969 It includes articles by such notable critics as Susan Sontag Dwight Macdonald Siegfried Kracauer James Agee Andr Bazin Robert Warshow and Claude Chabrol as well as essays by scholars in academic disciplines such as history sociology and theater Their writings address major issues in genre studies including definition representation ideology audiences and industry practices across genres ranging from comedy and westerns to horror science fiction fantasy gangster films and thrillers The only single volume source for this early writing on genre films *Notions of Genre* will be an invaluable resource for scholars and students of film genre film history film theory cultural studies and popular culture

The American Dream and the Popular Novel Elizabeth Long, 2017-10-23 This title originally published in 1985 examines conceptions of success and the good life expressed in bestselling novels ranging from historical sagas and spy thrillers to more serious works by Updike Bellows Steinbeck and Mailer published from 1945 to 1975 Using these popular books as cultural evidence Elizabeth Long argues that the meaning of the American dream has changed dramatically but in a more complex fashion than has been recognised by that country's most prominent social critics Her study presents a challenge to prevailing social scientific views of contemporary American culture and represents both in theory and method an important contribution to the study of culture and social criticism

The Enemy in Contemporary Film Martin Löschnigg, Marzena Sokołowska-Paryż, 2018-08-21 Culture and conflict inevitably go hand in hand The very idea of culture is marked by the

notion of difference and by the creative fraught interaction between conflicting concepts and values The same can be said of all key ideas in the study of culture such as identity and diversity memory and trauma the translation of cultures and globalization dislocation and emplacement mediation and exclusion This series publishes theoretically informed original scholarship from the fields of literary and cultural studies as well as media visual and film studies It fosters an interdisciplinary dialogue on the multiple ways in which conflict supports and constrains the production of meaning on how conflict is represented how it relates to the past and projects the present and how it frames scholarship within the humanities Editors Isabel Capeloa Gil Catholic University of Portugal Lisbon Portugal Paulo de Medeiros University of Warwick UK Catherine Nesci University of California Santa Barbara USA Editorial Board Arjun Appadurai New York University Claudia Benthien Universit t Hamburg Elisabeth Bronfen Universit t Z rich Bishnupriya Ghosh University of California Santa Barbara Joyce Goggin Universiteit van Amsterdam Lawrence Grossberg University of North Carolina at Chapel Hill Andreas Huyssen Columbia University Ansgar N nning Universit t Gie en Naomi Segal University of London Birkbeck College M rcio Seligmann Silva Universidade Estadual de Campinas Ant nio Sousa Ribeiro Universidade de Coimbra Roberto Vecchi Universita di Bologna Samuel Weber Northwestern University Liliane Weissberg University of Pennsylvania Christoph Wulf FU Berlin Longxi Zhang City University of Hong Kong
