his strategies for manipulating literary genres and readers responses and his ambivalence about the value of literature deserve consideration in light of new thinking in our own fields about what constitutes social knowledge and viable ways to represent it The essays in this volume examine Galt's work in light of the convergence of literature history and social theory in Scottish Enlightenment and Romantic era culture and in our own interdisciplinary environment Discussing Galt s work and significance in the many areas genres and contexts in which he figures they broaden the circle of contacts with whom we associate Galt moving from expected comparisons with contemporaries Walter Scott and James Hogg to unexpected links with such later authors and social thinkers as George Douglas Brown and Harriet Martineau Moreover these essays expand the repertoire of works studied offering the first extended analyses of Eben Erskine Rothelan and the Travels and Observations of Hareach the Wandering Jew along with new readings of Annals of the Parish Bogle Corbet and Ringan Gilhaize Overall the essays draw out the implications of Galt's practices and relations as a journalist dramatist critic biographer and novelist developing grounded conjectures about their significance in Galt's time and our own Looking for You Alexander McCall Smith, 2025-02-11 In this latest installment of The Perfect Passion Company our favorite matchmaker Katie Donald continues her unwavering endeavor to help the lonely hearts of Edinburgh find love After facilitating a handful of successful romances Katie Donald is eager to continue helping the lovelorn citizens of Edinburgh find connection Word of her expertise spreads guickly and more people than ever are flocking to the Perfect Passion Company seeking Katie's advice With each client's distinctive guirks and unique personalities Katie finds herself seeking new and creative solutions to locate their perfect match With the tenderness of which only McCall Smith is capable The Perfect Passion Company charmingly illuminates the fascinating psychology of matchmaking the universal search for love and compassion and the mysterious spark of attraction that can at times catch hold of us all Sphinx Alexander McCall Smith, 2022-10-11 In this short story from Alexander McCall Smith's Pianos and Flowers inspired by a photograph from the Times of London archive a young woman finds unexpected love while perusing Egyptian antiquities With his indomitable charm Alexander McCall Smith takes us behind the lens to explore the hidden life behind this photograph a love lost and then found again and in so doing reveals the humanity in us all
