Essays From Church Vol 1:

Conflict and Agreement in the Church, Volume 1 Jean Rilliet, 2023-11-30 T F Torrance's *Conflict and Agreement in the Church* gathers together his most influential essays and articles on topics relating to ecumenism. Himself involved heavily in the ecumenical movement, he wrote that ours must be the task of learning together again how to confess like the early Church faith in Jesus Christ as Saviour and God in all its breadth and length and height and depth and therefore in the overflowing love of God. Out of this conviction grew a comprehensive doctrine of the Church in which our differences are lost sight of because they are destroyed from behind by a masterful faith in the Saviour of men. In the first volume Torrance presents a set of essays engaging theologically with different denominations along with responses to particular problems facing the ecumenical project. In particular, writing after the third world conference on faith and order, he addresses the hopes and barriers it raised to closer ecumenical relations. Throughout Torrance's acute awareness of contrasting theological principles establishes a firm basis for further progress without obscuring the doctrinal and ecclesiological differences that remain. In the second volume Torrance's thought on inter denominational cooperation in light of the Church's mission is presented. He begins by suggesting that the lines of conflict and agreement in the Church coincide less and less with the frontiers of the historic communions. This opens the door for greater union between those communion but also exposes significant challenges to unity within them. Addressing the major debates on the sacraments of baptism and the Eucharist along with the priesthood and biblical exegesis, Torrance proposes a constructive way forward sealed by reconciliation in the Body and Blood of Christ.

Torrance's Theology of the Ascension** Stavan Narendra John, 2025-05-29 The ascension is a crucial doctrine integrally related to the incarnation When it is underemphasized it results in an impoverishment of our theology of Christ the church human beings and eschatology T F Torrance's theology offers a compelling vision and holistic doctrine of the ascension that notwithstanding its flaws deserves a careful and detailed examination Torrance develops a holistic account of the ascension by considering the ontology spatiality and present ministry of the ascended Jesus What results is a theological construction that affirms the ascended body of Christ and understands the Lord to be currently serving as our human representative in a ministry of priestly intercession prophetic declaration and ascended kingship Torrance is able to do this without succumbing to literalism space travel demythologization metaphorical reading or Pelagianism human effort based sanctification and glorification This book interprets and then develops Torrance's theology of the ascension in critical dialogue with contemporary theological interlocutors **Persons, Powers, and Pluralities** Eric G. Flett, 2011-04-14 Through an intimate conversation with the writings of Thomas F Torrance Flett articulates a Trinitarian theology of culture Torrance's work suggests that Christian assumptions in the areas of God creation and humanity had an important influence upon the development of Western scientific culture This book develops each of these areas of Torrance's thought in order to articulate a theology of culture rooted in a Christian understanding of God as triune creation as contingent and human persons as stewards created in the image of God Drawn together these three areas of Torrance's thought suggest that human culture and cultural plurality ultimately originate in the creative action of a triune God mediated through the creative activity of the human creature as it engages a contingent created order in its attempts to foster human flourishing and to bear embodied witness to its Creator The result is not only a unique contribution to the emerging secondary material on Torrance's work but also a contribution to the field of theology of culture as a systematic locus in its own right **Thomas F. Torrance and the Orthodox-Reformed Theological Dialogue** Jason R. Radcliff, 2018-10-11 In

this volume Jason Radcliff offers an introduction critical appreciation and constructive extension of the Orthodox Reformed Theological Dialogue spearheaded by Thomas F Torrance in the late 1980s and early 1990s Focusing upon the Greek Patristic foundations of the Dialogue as seen particularly in the shared rapport between Torrance and Archbishop Methodios Fouyas as well as the monumental theological outcome of the Dialogue The Agreed Statement on the Holy Trinity a document that claims to cut behind the issue of the filioque this book also highlights some of the notable conversations that went on behind the scenes of the Dialogue as seen in the photos the unpublished Official Minutes and correspondence between Torrance and other major figures namely George Dragas Methodios Fouyas and The Patriarch of Constantinople himself about such topics such as the Athanasian doctrine of the Trinity Barthian Christocentrism and John Zizioulas existentialism The book includes selections from unpublished minutes and photographs as well as out of print documents such as Torrance s Memoranda on Orthodox Reformed Relations and Common Reflection as well as The Agreed Statement on the Holy Trinity Radcliff argues that the Dialogue s ecumenical use and creative interpretation of the Trinitarian and Christocentric theology of the Greek Fathers is profoundly relevant for contemporary Trinitarian theology *Catalogue of Catholic and Other Select Authors in the Enoch Pratt Free Library, Baltimore, Md* Enoch Pratt Free Library,1913 *Publishers' circular and booksellers' record* ,1874 Bookseller ,1865 Vols for 1871 76 1913 14 include an extra number The Christmas bookseller separately paged and not included in the consecutive numbering of the regular series **Publishers' Circular** ,1868 The Publishers' Circular and General Record of British and Foreign Literature ,1873
