

Essays In The Social Scientific Study Of Judaism And Jewish Society

Simcha Fishbane, Jack N. Lightstone

Essays In The Social Scientific Study Of Judaism And Jewish Society:

Essays in the Social Scientific Study of Judaism and Jewish Society Simcha Fishbane, Jack N. Lightstone, Stuart Schoenfeld, Alain Goldschläger, Victor Levin, 1990 **Essays in the Social and Scientific Study of Judaism and Jewish Society** Simcha Fishbane, Jack N. Lightstone, 1989-01-01 **The Rhetoric of the Babylonian Talmud, Its Social Meaning and Context** Jack N. Lightstone, 2006-01-01

Virtually from its redaction about the sixth century A D the Babylonian Talmud became the rabbinic document par excellence Through its lens almost all previous canonical rabbinic tradition was refracted Study and mastery of the Talmud marked one as a rabbi a master This book examines the character use and social meaning of the formalized rhetoric which pervades the Babylonian Talmud It explores first how the editors of the Talmud employ a consistent and highly laconic code of formalized linguistic terms and literary patterns to create the Talmud s renowned dialectical analytic essays Second the work considers the social meanings implicitly communicated by the use of this rhetoric which not only provided an authoritative model for modes of thought and for treatment of earlier authoritative Judaic tradition but also reflected reinforced or helped engender new social definitions Through comparison of the Talmud s rhetoric with that of other earlier rabbinic documents and by placing the editing of the Talmud against the backdrop of the social and political situation of Rabbinism in the Late Persian Empire the book relates the Talmud s creation and promulgation to a major shift in Rabbinism s understanding of the social role rabbi and to the emergence and ascendancy of the talmudic academy the Yeshiva as the primary institution of Rabbinism toward the end of Late Antiquity In its agenda and methodological and theoretical perspectives The Rhetoric of the Babylonian Talmud brings together the insights and tools of historical literary and rhetorical analysis of the New Testament and of early rabbinic literature on the one hand and the sociological and anthropological study of religion on the other *The Flourishing of Jewish Sects in the Maccabean Era* Albert I. Baumgarten, 1997 This volume asks why Jewish groups Sadducees Pharisees Essenes and the Dead Sea Scroll sect flourished during the Maccabean era The objective is to discover the connections between context and consequence which will explain why sectarianism was so prominent then Mishnah and the Social Formation of the Early Rabbinic Guild Jack N. Lightstone, 2006-01-01 Where do the origins of the rabbinic movement lie and how might evidence from the early rabbinic literature be made to reveal those origins In order to shed light on the early social formation of the rabbinic guild of masters Lightstone brings the theoretical and methodological insights of socio rhetorical analysis to examine Mishnah the first document authored by the early rabbinic movement and its principal object of study for several centuries He argues that the enshrinement of Mishnah served to model via its pervasive rhetoric the principal authoritative guild expertise that qualified and marked one as a member of the rabbinic guild Furthermore he establishes the social and historical venue in late second and early third century Galilee The author concludes that the social formation of the early rabbinic guild coalesced around the institution of the Jewish Patriarchy for which the early rabbis served as bureaucratic

scribal retainers He further suggests that the development of both the Patriarchy in the Land of Israel and the social formation of the rabbinic guild may have been spurred by the imposition of Roman style urbanization in the region over the course of the latter half of the second and beginning of the third century Lightstone's approach is informed by the insights and methods of several cognate disciplines encompassing literary analysis sociology and anthropology and history including in the last chapter the history of material culture The book will be of interest to advanced students in the history of Judaism rabbinic literature biblical studies early Christianity and the history of religion and culture in the late Roman Near East

The Impact of Jesus in First-Century Palestine Rosemary Margaret Luff, 2019-08-15 Uses archaeological and textual evidence to clarify the nature of Galilean discontent and the advent of Jesus' eschatological ministry *Galilee in the Late Second Temple and Mishnaic Periods* David A. Fiensy, James Riley Strange, 2014 This first of two volumes on ancient Galilee provides general surveys of modern studies of Galilee and of Galilean history followed by specialized studies on taxation ethnicity religious practices road system trade and markets education health village life houses and the urban rural divide The volume draws on the expertise of archaeologists historians biblical scholars and social science interpreters Christians Jews and secular scholars North Americans Europeans and Israelis and those who have devoted a significant amount of time and energy in this research especially those who have excavated in Galilee for many years A key goal of this volume and its companion volume devoted to the archaeological record of towns and villages is to make this information easily accessible to New Testament scholars and Mishnah scholars not familiar with these materials while also usable to the average interested reader Includes several images figures charts and maps *Hearing the Whole Story* Richard A. Horsley, 2001-01-01 Richard Horsley provides a sure guide for first time readers of Mark's Gospel and at the very same time induces those more familiar with Mark to take a fresh look at this Gospel From tracing the plot and sub plot in Mark to exploring how the Gospel was first heard as oral performance Horsely tackles old questions from new angles Horsely consistently and judiciously uses sociological categories and method to help readers see how Mark's Jesus challenged the dominant order of his day

Jewish Literacy in Roman Palestine Catherine Hezser, 2001 Since Judaism has always been seen as the quintessential religion of the book a high literacy rate amongst ancient Jews has usually been taken for granted Catherine Hezser presents the first critical analysis of the various aspects of ancient Jewish literacy on the basis of all of the literary epigraphic and papyrological material published so far Thereby she takes into consideration the analogies in Graeco Roman culture and models and theories developed in the social sciences Rather than trying to determine the exact literacy rate amongst ancient Jews she examines the various types social contexts and functions of writing and the relationship between writing and oral forms of discourse Following recent social anthropological approaches to literacy the guiding question is who used what type of writing for which purpose First Catherine Hezser examines the conditions which would enable or prevent the spread of literacy such as education and schools the availability and costs of writing materials religious interest in writing and books

the existence of archives and libraries and the question of multilingualism Afterwards she looks at the different types of writing such as letters documents miscellaneous notes inscriptions and graffiti and literary and magical texts until she finally draws conclusions about the ways in which the various sectors of the populace were able to participate in a literate society

What Were the Early Rabbis? Jack N. Lightstone, 2024-11-28 Over the first eight centuries of the Current Era the religious cultures of Middle Eastern Mediterranean and many European lands were transformed by the worship of YHWH and the development from Judaism to Christianity and Islam What were the Early Rabbis explores the changes wrought after the destruction of the Jerusalem Temple in 70 CE and the impact of this on the new masters of law life and practice the rabbis Offering the reader an introduction to the earliest rabbinic movement near and soon after its initial movement Jack N Lightstone separates the book into two parts that consider early Rabbinic self definition and how the Rabbis may have thought of themselves or were perceived What views did these rabbis promote about their emerging authority What in the surrounding and antecedent sociocultural context lent legitimacy to this profile Addressing these and other questions What were the Early Rabbis sheds light on this social and religious phenomenon for the non specialist reader Jewish Serials of the World Robert Singerman, 2000-11-30 Jewish journalism history is a growing field of active research as evidenced by the growing number of new serials devoted to it Given the geographic extent of the Jewish diaspora the Jewish press offers valuable primary source materials for any historical study of the Jewish people The social and intellectual history of the Jews in modern times can similarly be advanced by an examination of the Jewish press of the world This volume the first supplement to Jewish Serials of the World A Research Bibliography continues and extends the bibliographic coverage to include 3 000 new entries The new volume s classified arrangement enhanced by author and subject indexes provide up to date coverage of all pertinent research including theses and dissertations on Jewish press and journalism history throughout the world in all languages This new bibliography is indispensable for libraries supporting academic programs in Jewish Studies and journalism as well as area studies Singerman s coverage of the studies and research about the Jewish press is broadly defined his scope is worldwide and all pertinent languages are treated The 3 000 entries are verified and bibliographically complete and special efforts have been made to analyze hidden sections on the Jewish press buried within larger more expansive studies of related topics The entries are organized into regional subcategories Together with the foundation volume over 6 000 entries are provided making this an important addition to any libraries with Jewish Studies or journalism collections **The Oxford Dictionary of the Jewish Religion** Adele Berlin, 2011 Hailed by Library Journal as the best ready reference access point to the Jewish religion and as essential by CHOICE in its First Edition The Oxford Dictionary of the Jewish Religion has been the go to resource for students scholars and researchers in Judaic Studies since its 1997 publication Now The Oxford Dictionary of the Jewish Religion Second Edition focuses on recent and changing rituals in the Jewish community that have come to the fore since the 1997 publication of the First Edition including the growing trend

of baby naming ceremonies and the founding of gay lesbian synagogues Under the editorship of Adele Berlin nearly 200 internationally renowned scholars have created a new edition that incorporates updated bibliographies biographies of 20th century individuals who have shaped the recent thought and history of Judaism and an index with alternate spellings of Hebrew terms Entries from the previous edition have been revised new entries commissioned and cross references added all to increase ease of navigation research The Dictionary covers more than three millennia of Jewish religious thought custom law and practice from traditional approaches to Reform Conservative Reconstructionist and post denominational Judaism Brief definitions and longer essays all supplemented with bibliographies enlighten readers about the major figures folklore and events in the history of Judaism throughout the world *Text and Tradition in Performance and Writing* Richard A. Horsley, 2013-11-05 Embedded in modern print culture biblical scholars have been projecting the assumptions and concepts of print culture onto the texts they interpret In the ancient world from which those texts originate however literacy was confined to only a small number of educated scribes And as recent research has shown even the literate scribes learned texts by repeated recitation while the nonliterate ordinary people had little if any direct contact with written scrolls The texts that had taken distinctive form moreover were embedded in a broader and deeper cultural repertoire cultivated orally in village communities as well as in scribal circles Only recently have some scholars struggled to appreciate texts that later became biblical in their own historical context of oral communication Exploration of texts in oral performance whether as scribal teachers instruction to their prot g s or as prophetic speeches of Jesus of Nazareth or as the performance of a whole Gospel story in a community of Jesus loyalists requires interpreters to relinquish their print cultural assumptions Widening exploration of texts in oral performance in other fields offers exciting new possibilities for allowing those texts to come alive again in their community contexts as they resonated with the cultural tradition in which they were embedded **A Moving Feast** Hizky Shoham, 2024-12-30 Winner of the Goldberg Family Foundation Award 2021 What is the meaning of the Jewish rites of initiation known as bar and bat mitzvah in the modern age when the concept of mitzvah religious precept or obligation means so little to most Jewish adolescents Hizky Shoham offers a comprehensive anthropological history of the bar and bat mitzvah ceremonies that seeks to understand why not only have these ceremonies been preserved but are in fact celebrated by more Jewish families and demand greater financial psychological and family resources than ever before The book maps and analyzes the transformation of the rituals in the modern age and endeavors to understand their meanings for the celebrants and other participants in the diverse historical contexts in which the ceremony appeared Is it indeed a rite of initiation The book breaks new ground by placing the rise of the bar and bat mitzvah in the context of the general rise during the modern industrial age of a new system of life cycle rituals rituals that mark the passing of time by latching on to its artificial conventional milestones The child s 12th or 13th birthday functions as a temporal landmark in a personal biography that would otherwise move through homogeneous time Jewish Identities: Fifty Intellectuals Answer Ben-Gurion Eliezer

Ben-Rafael,2002-07-01 Who and what is a Jew Is there any common denominator between an ultra Orthodox rabbi of an Israeli North African community and a Berkeley academic of the Movement for a Secular and Humanistic Judaism Do Jews the world over converge and emphasize their unity or do they share contrasting concepts of collective identity Part I of this book presents a systematic discussion of Jewish identities in this era of post modernity The opportunity is offered by a set of invaluable texts which appear in Part II These texts about Jewish identity were invited in 1958 by Ben Gurion from 50 intellectuals rabbis writers scientists and lawyers from the Diaspora and Israel representative of the principal streams of contemporary Jewish thought **Sephardi and Middle Eastern Jewries** Harvey E. Goldberg,1996-03-22 Providing an unparalleled overview of Sephardi and Middle Eastern Jewish communities in world history this authoritative stimulating work superbly edited and clearly written also suggests new approaches to assessing their cultural practices and relation to the wider societies of which they formed and in many cases continue to form a part Dale F Eickelman Dartmouth College Historians anthropologists and linguists from Israel the United Kingdom France and the United States provide a comprehensive picture of Sephardi and Middle Eastern Jewries in modern times The volume touches on such themes as the impact of modernization upon Sephardi communities in North Africa the Balkans and other areas of the Ottoman Empire responses to cultural change in Sephardi communities of Iraq and North Africa issues relating to contemporary Jewish languages and literatures and conceptions of ethnicity and gender in Sephardi communities Contributors include Joelle Bahloul Jacob Barnai Esther Benbassa Yoram Bilu David M Bunis Joseph Chetrit Harvey E Goldberg Isaac Guershon Andr Levy Laurence D Loeb Susan Gilson Miller Amnon Netzer Aron Rodrigue Esther Schely Newman Daniel J Schroeter Norman A Stillman Yosef Tobi Yaron Tsur Zvi Yehuda and Zvi Zohar **Education First!** Wolfgang Lutz,Reiner Klingholz,2017-08-17 This scholarly yet highly accessible volume by two renowned experts shows why education is under threat and what should be done to counter this The authors mobilise a fascinating array of compelling historical and current evidence which demonstrates the centrality of education to the creation of flourishing societies and show the dire consequences of its neglect Anyone interested in education and development should read this book Professor Ian Goldin University of Oxford The Urban World and the First Christians Steve Walton,Paul Trebilco,David W. J. Gill,2017 In the tradition of The First Urban Christians by Wayne Meeks this book explores the relationship between the earliest Christians and the city environment Experts in classics early Christianity and human geography analyze the growth development and self understanding of the early Christian movement in urban settings The book s contributors first look at how the urban physical cultural and social environments of the ancient Mediterranean basin affected the ways in which early Christianity progressed They then turn to how the earliest Christians thought and theologized in their engagement with cities With a rich variety of expertise and scholarship The Urban World and the First Christians is an important contribution to the understanding of early Christianity **Peter as Apostolic Bedrock** Hans Bayer,2019-05-28 Drawing on relevant New

Testament and extra biblical texts Peter arises as the preeminent guarantor of the early Christian witness especially as he displays the striking confluence of Christology identity and character formation *Papyri and the Social World of the New Testament* Sabine R. Huebner, 2019-07-11 Explores the socio economic background of people in the New Testament using papyrological evidence from Roman Egypt
