The authority of the Church is the basis of people's knowledge of Christ since everything they learn about Christ comes from the Church's ministry. The only reason people have knowledge about Christ is that the Church has passed the testimony about him. The first way how the Church informed people about Christ was by passing down the gospel, meaning good news, which contained historical facts and events from Christ's life. Also, the gospel incorporated the facts related to Christ's death and resurrection as observed and recorded by the apostles. Furthermore, the Church taught people the true doctrine about Christ and his supernatural life. Through commemorating his divine rites and sharing his love, the Church made Christ indeed exist in the sacraments. Two millennia have passed since Christ lived on Earth, which makes it impossible for people to know anything about him by themselves; hence, the Church's role cannot be overestimated.

Whereas people are not holy, the Church is, holiness being one of its distinctive marks. The Church's moral principles, sacraments, and doctrine are holy and pure since they come from Christ. However, her people, including clergymen and congregation, are not pure in several dimensions. Firstly, the Church's human members are not pure in their perception of the doctrines. Secondly, they are not holy in their living according to the Church's moral principles. Thirdly, people are not holy in their participation in the Church's rites. In fact, people cannot be holy since the Church was established by Christ not as an exhibition of saints but as a place for treating sinners. Christ is perfectly holy, but his followers are not since they engage in sinful actions and need to atone for their sins. All Church members, both laymen and ministers, should realize that the Church is holy, but they are sinful.

The major difference between the Catholic and Protestant understanding of the forgiveness of sins is their expectations of what people should do to be forgiven. Both religions consider faith an important prerequisite for gaining salvation. However, Protestants believe that people can be saved by faith alone, while Catholics additionally recognize the role of good deeds. The Bible maintains faith's importance for salvation, but in a combination with good works. At the same time, the Church emphasizes that

Essays Of A Catholic:

Essays of a Catholic Hilaire Belloc, 2003-10-03 AN EYE OPENING BOOK FROM A BRILLIANT BELOVED CATHOLIC WRITER Essays of a Catholic is a book as provocative now as it was when it first appeared in 1931 Hilaire Belloc's observations about our civilization's demise are all the more urgent today because they are proving to be prophetic We are troubled witnesses to many of the evils he predicted as we watch the working out of the destructive trends and forces that he warned would lead to disaster What key insight led to Belloc's keen discernment of the times He recognized that the Catholic Church has inspired and formed our great Western civilization As the influence of that mighty institution wanes then as society slowly abandons what it has learned from her the night descends on our way of life as we have known it In its stead emerges a new paganism and with it a new barbarism In these essays Belloc sharpens our awareness of the calamitous effects of this waning influence of the Catholic Church in society There is hope for the future of our civilization but only if we as a people embrace once more the liberating truth of the Catholic faith The great Hilaire Belloc was one of the foremost Catholic historians of the past two centuries His astute analysis of our cultural and social ills culminates in an urgent prophetic call for Western civilization to return to its Catholic roots **Essays on Catholic Life** Thomas O'Hagan, 1916

Deep Down Things Joseph A. Cirincione, 2008-08-28 *Deep Down Things* Essays on Catholic Culture explores common threads that characterize Catholicism The contributors look successively at Catholic culture and everyday life of the parish and of work at Catholic culture and the imaginative life of poets and fiction writers and at Catholic culture and postmodern life where individual conscience skepticism and relativism challenge Church authority and faith itself They do so while looking for foundational components that persist and comprise a culture that Catholics recognize regardless of their diverse ethnicity geographic location or historical epoch The authors of this collection have aimed to inspire both Catholics and non Catholics alike inside and outside the academic community to deepen their own knowledge and appreciation of the Christian tradition generally and Catholic culture particularly The authors hope to encourage sincere and open dialogue about Catholic culture in the best tradition of Catholic thought both to further the inquiry after truth and to enhance fruitful reflection upon Catholic culture and its contributions over time and across cultures

Power to Become Children of God Bryan Gesinger, 2018-03-04 APPROVED by the Diocese of Fresno CA and endorsed by Catholic apologist author and radio host Gary Michuta author of WHY CATHOLIC BIBLES ARE BIGGER and host of HANDS ON APOLOGETICS POWER TO BECOME CHILDREN OF GOD is the culmination of over 25 years research and reflection on the Catholic Faith Author Bryan Gesinger whose work has appeared in the prestigious NEW OXFORD REVIEW Berkeley CA and whom Gary Michuta interviewed twice on his show HANDS ON APOLOGETICS conducted research for the present work over many years of discussions of Catholicism with individuals and groups of diverse ages educational backgrounds theological persuasions and personalities

Consequently the book covers a wide range of topics of interest to Catholics and non Catholics alike such as the history and role of the Bible the Real Presence of Christ in the Holy Eucharist and the sacrificial character of the Holy Mass the Communion of Saints intercessory prayers and the veneration of statues and icons of Our Lord and the saints the doctrine of justification and the interrelation of faith and works versus Protestantism s tragic novel error of sola fide justification by faith alone the primacy of St Peter and the biblical and historical roots of the Papacy and a sketch of the life and works of a great nineteenth century convert from Anglicanism to the Catholic Church John Henry Cardinal Newman 1801 1890 from whose brilliant profound legacy we in the 21st century can so richly benefit You are invited to consider this labor of faith hope and love to share in its fruits of research and reflections upon the graces through which Christ bestows power to become children of God

Why I Am Still a Catholic Peter Stanford, 2006-05-23 What does it mean to be a Catholic in today s world What distinguishes the modern Catholic from anyone else At a time when the Vatican provokes hostility by its opposition to contraception abortion and the use of condoms in fighting AIDS how many Catholics share its views And if they don t how can they in good conscience stay in the Church These are among the many questions that writer and broadcaster Peter Stanford is addressing here There is a whole spectrum of response in this entertaining and enlightening collection Fascinating a surprisingly uplifting book Sunday Telegraph A hard hitting book which criticizes as much as it praises it should be read by anyone interested in the phenomenon of organized religion Spectator

The Forgotten Radical Peter Maurin Peter Maurin, 2020-08-04 The definitive edition of Catholic Worker cofounder Peter Maurin s Easy Essays including 74 previously unpublished works Although Peter Maurin is well known among people connected to the Catholic Worker movement his Catholic Worker co founder and mentee Dorothy Day largely overshadowed him Maurin was never the charismatic leader that Day was and some Workers found his idiosyncrasies challenging Reticent to write or even speak much about his personal life Maurin preferred to present his beliefs and ideas in the form of Easy Essays published in the New York Catholic Worker Featuring 482 of his essays as well as 87 previously unpublished ones this text offers a great contribution to the corpus of twentieth century Catholic life At first glance Maurin s Easy Essays appear overly simplistic and preposterous But upon further investigation his essays are much more complex and nuanced Packed with demanding ideas meant to convey dense information and encourage the listener to ponder different ways to understand and interact with reality his short poetic phrases became his modus operandi for communicating his vision and became a hallmark of his public theology Each essay contained anywhere from one to ten or more stanzas and were part of a larger arrangement often titled Within the larger arrangements were individual essays which were also titled and arranged in such a manner as to support the overall thesis Many individual essays were later repeated in slightly altered forms in new arrangements Previous arrangements were also repeated that omitted or added an essay Providing scholarly and contextual information for the modern reader this annotated collection includes more than 350 footnotes which offer a layer of intelligibility that explains Maurin s use of obscure references to historical people and events that would have been common knowledge for readers during the 1930s When appropriate the footnotes explain why Maurin chose to cite a person or event

A scholarly Introduction offers a robust synthesis of contemporary scholarship on Maurin and the Catholic Worker that considers radical Catholicism and questions regarding race ethnicity religious difference and gender because many of Maurin s essays take up these themes This book shapes the ways Maurin is read in the present day and the ways leftist Catholicism is understood as part of twentieth century history **The Culture of the Incarnation: Essays in Catholic Theology** Tracey Rowland,2017-08-01 In this collection of essays distinguished Australian theologian Tracey Rowland takes up the relationship of Christ and culture broadly understood She contrasts the principles undergirding what St John Paul II called a culture of death with those required for the flourishing of a humanism that flows from the grace of the Incarnation Rowland returns frequently to the theological insights of Joseph Ratzinger Pope Benedict XVI to whose thought she is deeply indebted Drawing upon the Augustinian and Thomist traditions of political theology she offers a trenchant theological critique of liberalism in all its forms with attention to our modern attraction to false utopias and accommodationist impulses The nine essays in this volume engage such perennial topics as the place of natural law the theological status of the world and the nature of true humanism along with timely topics such as the retrieval of the sources of Catholic resistance to Communism and what is now commonly called cultural Marxism Rowland s inimitable voice keen wit and penetrating insight into the distinctiveness of Catholic truth make this book a landmark volume as the Church today revisits anew its relationship to the world *Beyond the Blue Glass* Aidan Nichols,2002
