

BOOK REVIEW ESSAY

Principles of European Union Law. By Tim BIRTWISTLE. Bromborough, Wirral, Great Britain: Liverpool Academic Press, 2002. Pp. [vii], 179. ISBN 1-903499-03-8. US\$29.95.

The basic structure and workings of the legal institutions of the European Union can be difficult for the novice to understand. Adding to the confusion is the Treaty of Nice's expansion of the EU by twelve member nations and the revamping of existing institutions to accommodate new members. As the European Union expands it becomes more relevant. The complicated and expanding nature of EU law creates a fundamental need for a basic introductory text that is timely and understandable. It is against this backdrop that *Principles of European Union Law* is reviewed.

The purpose of this work, as stated on the book jacket, is to cover the main aspects of European Union law clearly and succinctly, as well as to examine the implications of European legislation in the UK. *Principles of European Union Law* meets and exceeds this promise by providing a concise overview of the foundation, structure, and workings of EU institutions and substantive law along with an in-depth discussion of the regulation of economic competition. Tim Birtwistle is principle lecturer in law at Leeds Metropolitan University School of Law and visiting professor in law at Bremen, Germany. The book is published by Liverpool Academic Press whose other legal academic titles include works covering revenue, business, and taxation law from a UK perspective. The typeface, paper, book construction, and printing of *Principles of European Union Law* are of good quality.¹

Principles of European Union Law is divided into three parts. Part one, titled "The Legal Basis of the European Union," provides a brief fifty-three page

¹ The copy I reviewed contained a preface describing a book about UK tax law. The publisher, already aware of this mistake, informed me that all erroneously printed volumes had been recalled and would be replaced with volumes containing the correct preface, and promptly provided the correct preface by e-mail.

Essays Of Review
