Essays On Kierkegaard:

Kierkegaard on Faith and the Self C. Stephen Evans, 2006 Evans makes a strong case that Kierkegaard has something crucial to say to the Christian church as a philosopher and something equally crucial to say to the philosophical world as a Christian believer Robert L Perkins Stetson University and Editor International Kierkegaard Commentary Perspectives in Religious Studies The Existentialists Charles B. Guignon, 2004 This volume brings together for the first time some of the most helpful and insightful essays on the four most influential and discussed philosophers in the history of existentialism Kierkegaard Nietzsche Heidegger and Sartre The contributors write on such topics as Kierkegaard's knight of faith and his diagnosis of the present age Nietzsche's view of morality and self creation Heidegger's accounts of worldhood and authenticity and Sartre's ontology ethics and conception of the cogito The essays have been selected for their higher level of scholarship and for their ability to illuminate various aspects of their subject's work The volume is enhanced by the editor's introduction and extensive bibliography to aid further study Kierkegaard's Presence in Contemporary American Life Lewis A. Lawson, 1970 *Essays on Kierkegaard* Jerry H. Gill, 1969 *The Joy of Kierkegaard* Hugh S. Pyper, 2014-10-20 Kierkegaard has often been regarded as a gloomy thinker yet as an evangelist his aim was to discover the joy of the truth of Christianity Both Kierkegaard's belief and his doubt in his own work were the result of his attempt to comprehend the exceptional experiences of biblical characters and to examine what he found most puzzling or offensive The Joy of Kierkegaard brings together the writings of one of the most influential of Kierkegaard scholars These essays argue that Kierkegaard's most original thought arises from his struggle with biblical passages and that joy underpins his profound exploration of spiritual alienation **Kierkegaard and Philosophy** Alastair Hannay, 2003-12-16 Kierkegaard and Philosophy makes many of the most important papers on Kierkegaard available in one place for the first time These seventeen essays written over a period of over twenty years have all been substantially revised or specially prepared for this collection with a new introduction by the author In the first part Alastair Hannay concentrates on Kierkegaard's central philosophical writings offering closely text based accounts of the silent concepts Kierkegaard uses The second part shows the relevance of other thinkers treatments of shared themes pointing out where they differ from Kierkegaard The concluding chapter provides a reason Kierkegaard himself would give for disagreeing with those who claim his texts are infinitely interpretable Written by the world's foremost Kierkegaard scholar and translator Kierkegaard and Philosophy is an indispensable resource for all students of Kierkegaard's work *The Original Age of Anxiety* Lasse Horne Kjaeldgaard, 2021-09-27 Why was anxiety such a major issue for Søren Kierkegaard and his contemporaries This book revisits the original age of anxiety the time and place where Kierkegaard's ground breaking thoughts on anxiety were formed The pseudonym used by Kierkegaard in *The Concept of Anxiety* 1844 Vigilius Haufniensis is Latin for the watchman of Copenhagen A guiding question is what the vigilant Haufniensis might have observed in his city and especially in the literary

culture of his time and day Exploring freedom in many forms Kierkegaard and his contemporaries found combinations of fear and desire that have later been considered symptomatic of modernity

Kierkegaard and the Poetry of the Gospel Frances Maughan-Brown, Rick Anthony Furtak, 2025-09-18 This is the first book in any language to collect scholarly essays on Kierkegaard's extraordinary series of Lily Discourses Long considered merely devotional writings the Lily Discourses constitute a sustained and repeated attempt to respond to the imperative issues in Matthew's Gospel Kierkegaard discovers in figures of the lily and the bird a paradoxical obligation to think together unremittingly both suffering and joy the fleeting nature of experience and the effort to endow this very transience with enduring significance In Kierkegaard and the Poetry of the Gospel a diverse group of emerging and established interpreters addresses the religious literary and philosophical dimensions of these discourses In the process they identify and develop a theory of language and of exemplarity crucial to all of Kierkegaard's writings To ask what the lily and bird teach is also to ask what it means or could mean to be human This collection is pivotal in registering clarifying and celebrating Kierkegaard's multiple responses to that question suspended at the heart of his Lily Discourses It is the go to text for anyone teaching or writing about the Lily Discourses across philosophy literary studies and religion

Kierkegaard After MacIntyre John J. Davenport, Anthony Rudd, 2015-11-02 In his extraordinarily influential book on ethics After Virtue Alasdair MacIntyre maintained that Kierkegaard's notion of choosing to interpret one's choices in ethical terms implies an arbitrary and irrational leap MacIntyre's critique of Kierkegaard has become the focal point for several new interpretations of Kierkegaard that seek to answer MacIntyre Kierkegaard After MacIntyre brings together both new and already published articles in this vein with a new reply by Professor MacIntyre Kierkegaard After MacIntyre reflects the emergence of a new consensus in Kierkegaard scholarship This consensus is strongly anti irrationalist and contemporary neo Aristotelian virtue ethics clarifying their common ground as well as their differences In responding to MacIntyre's irrationalist objection the authors clarify the sense in which Kierkegaard's own conception of freedom is teleological and suggest that his understanding of the development of ethical personality involves a quest for narrative unity a commitment to practices involving social values and a self understanding conditioned by historical reality all of which are also central themes in MacIntyre's work on virtue ethics Despite MacIntyre's diagnosis of Kierkegaard's existential approach to ethics as unsuccessful some of Kierkegaard's insights may support MacIntyre's own theses Kierkegaard After MacIntyre is an outstanding book which brings Kierkegaard into direct conversation with one of the most important contemporary philosophers The conversation contains both lively disagreements and illuminating analyses all focused on issues of fundamental importance for human life C Stephen Evans Calvin College this wonderfully edifying collection of essays Timothy P Jackson Emory University In addressing MacIntyre's charge that for Kierkegaard the adoption of the ethical can only be a criterionless choice this stimulating set of essays by well known Kierkegaard scholars provides a welcome addition to the literature on Kierkegaardian ethics Kierkegaard After MacIntyre provides a valuable exploration of

the role of reasoning will and passion in moral life as well as of the relation between aesthetic and ethical dimensions of life
M Jamie Ferreira University of Virginia *Kierkegaard's Fear and Trembling* Robert L. Perkins, 2009-11-01 Kierkegaard's *Fear and Trembling* Critical Appraisals was the first anthology of essays on Kierkegaard's classic to be published in English. The authors are a remarkable collection of scholars, some already well known and some standing at the beginning of their scholarly careers. The list of authors includes Louis Jacobs, David A. Pailin, Merold Westphal, Paul Holmer, Edward F. Mooney, John Donnelly, C. Stephen Evans, David J. Wren, Mark C. Taylor, Nancy Jay Crumbine, and Jerry H. Gill. The collection contains comparative historical and analytic essays focusing on Kierkegaard's relations to the Akedah, the multiple tensions raised by Abraham's sacrifice of Isaac. These essays abound with penetrating insights into many Kierkegaardian concepts that are important not just in *Fear and Trembling* but found throughout Kierkegaard's writings, such as paradox, resignation, faith, the absurd, the individual, the poet, the hero, immediacy, the ethical, and its suspension, the leap of faith, offence, and silence.

Kierkegaardian Essays Clare Carlisle, Steven Shakespeare, 2022-04-19 Søren Kierkegaard argued that the most essential truths come to light by asking, "How should we relate to ourselves, to others, and to God?" This innovative collection of essays by leading scholars focuses on this questioning. The result is a searching original colloquium on what it means to be Kierkegaardian in the 21st century. The adjective Kierkegaardian names many possibilities: ways of philosophizing, choosing, loving, looking, listening, reading, writing, teaching, making art, praying, going to church or not going to church. How gestures to subjectivity, one of Kierkegaard's most fundamental philosophical categories. What signals an objectifying line of thought? The authors of these essays suggest that the crucial Kierkegaardian question is not what we are and ought to do but how we can remain true to the finitude, passivity, and ambiguity of human existence. While this Kierkegaardian how is often acknowledged by scholars, it is rarely thematized directly. Attending to it elicits new kinds of argument and reflection. *Kierkegaardian Essays* proposes a fresh approach to Kierkegaard and is essential reading for experts and students alike. **Ethics, Love, and Faith in**

Kierkegaard Edward F. Mooney, 2008-07-17 *Ethics, Love, and Faith in Kierkegaard* collects essays from 13 leading scholars that center on key themes that characterize Kierkegaard's philosophy of religion. With their unique focus on notions of the self, views on the command to love one's neighbor, thoughts on melancholy and despair, and the articulation of religious vision, the essays in this volume cover the breadth and depth of Kierkegaard's philosophical and religious writings. Poised at the intersection of Kierkegaard's moral psychology and its religious significance, they offer vivid testimony to the ongoing power of his unique and fervent religious spirit. Students and scholars alike will find new light shed on questions that define Kierkegaard's philosophy and religion today. *Anthropology and Authority*, 2022-06-08 This volume on anthropology and authority in the writings of Søren Kierkegaard (1813-1855) offers its reader nineteen timely discussions of two fundamental categories pertaining to the literary, philosophical, and theological production of this prominent 19th-century Danish thinker.

whose vast influence upon 20th century intellectual life continues to grow as the new millennium approaches The volume s nineteen contributors from Canada Denmark Great Britain Holland Hungary Italy and the United States inquire into such complex problematics in Kierkegaard s oeuvre as the interrelationship between the human the divine and the spiritual between the secular and the Christian between human and Christian love between state and church institutions and the single individual of faith and between this individual s concern for quality in civic and religious life and the quantitative forces of modern society s masses and crowds Special attention is given to the indisputable authority of God Christ and the apostles as opposed to the debatable authority or non authority of the author Of particular interest is the nexus between Kierkegaard s existential and religious concerns on the one hand and his intricate textual conceptions multifarious poetic strategies and various means of pseudonymous and indirect communication on the other Between the covers of *Anthropology and Authority* some chapters seek to refine received knowledge of Kierkegaard in such disciplines as theology and moral philosophy Conversely other chapters submit rather postmodern critiques of the author s stylistic and rhetorical devices A summary assessment of the nineteen contributions would fail to recognize this considerable methodological and theoretical diversity Instead the reader s access to the smorgasbord of insights has been facilitated by an introduction in which one of the American editors briefly outline the individual contributions on a general historical and intellectual background Altogether the probing insights of *Anthropology and Authority* go to the core of S ren Kierkegaard s authorship Individual chapters either update previous responses to the many challenges presented by this work or the chapters face new challenges and or present critical challenges on their own

Kierkegaard and the Quest for Unambiguous Life George Pattison, 2013-01-10 This book looks at Kierkegaard with a fresh perspective shaped by the history of ideas framed by the terms romanticism and modernism Modernism here refers to the kind of intellectual and literary modernism associated with Georg Brandes and such later nineteenth and early twentieth century figures as J P Jacobsen Nietzsche Dostoevsky Ibsen all often associated with Kierkegaard in early secondary literature and the young Georg Lukacs This movement currently attracting increasing scholarly attention fed into such varied currents of twentieth century thought as Bolshevism as in Lukacs himself fascism and the early existentialism of e g Shestov and the radical culture journal *The Brenner* in which Kierkegaard featured regularly and whose readers included Martin Heidegger Each of these movements has arguably its own Romantic aspect and Kierkegaard thus emerges as a figure who holds together or in whom are reflected both the aspirations and contradictions of early romanticism and its later nineteenth and twentieth century inheritors Kierkegaard s specific staging of his authorship in the contemporary life of Copenhagen then undergoing a rapid transformation from being the backward capital of an absolutist monarchy to a modern cosmopolitan city provides a further focus for the volume In this situation the early Romantic experience of nature as providing a source of healing and an experience of unambiguous life is transposed into a more complex and ultimately catastrophic register In articulating these tensions Kierkegaard s authorship

provided a mirror to his age but also anticipated and influenced later generations who wrestled with their own versions of this situation

Essays on Kierkegaard & Wittgenstein Richard H. Bell, Ronald E. Hustwit, 1978

Selected Essays Søren Kierkegaard, 2011-05-01 Søren Kierkegaard 1813-1855 was a prominent Danish Christian philosopher. This book contains five of his essays and some selections from *The Present Moment*. This collection is varied in theme and a good representation of Kierkegaard's literature. Readers will find his philosophy thought provoking and meticulously well thought through. The essays included are *The Crowd Is Untruth*, *Diapsalmata In Vino Veritas*, *The Banquet*, *Fear And Trembling*, *Preparation For A Christian Life*, *Selections From The Present Moment*.

Crisis in the Life of an Actress Søren Kierkegaard, 1967

Kierkegaard in Context Lee C. Barrett, Peter Ajda, 2019-11

The Search for Being Jean T. Wilde, William Kimmel, 1962

Thinking the Faith with Passion Paul L. Holmer, 2012-04-20 In his teaching and his writing Paul L. Holmer 1916-2004 Professor of Philosophy at the University of Minnesota 1946-1960 and Noah Porter Professor of Philosophical Theology at Yale Divinity School 1960-1987 made many important contributions to recent American theology. One of the most insightful American students of Kierkegaard of his generation Holmer perceived early on Wittgenstein's importance for theology and employed both thinkers to inspire his own fresh consideration of perennial issues in philosophical theology: understanding belief, faith, the emotions, and the importance of the virtues. While best known for his essays in *The Grammar of Faith* 1978 Holmer penned numerous other interesting and original essays, some published but many unpublished which circulated widely in typescript during his tenure at Yale. Following his death the Holmer family in 2005 donated his papers to the Yale Divinity School Library. In reviewing Holmer's papers the editors have chosen a selection of his most seminal essays beyond those in *The Grammar of Faith* demonstrating the breadth and range of his contributions. In this the second volume of *The Paul L. Holmer Papers* the editors present pieces that illuminate four significant areas of Holmer's contributions: essays on Kierkegaard, essays on Wittgenstein, *Theology, Understanding and Faith*, and *Emotions, Passions and Virtues*. Taken together these essays invite in-depth exploration of the thought of this important American philosophical theologian. This is the second volume of *The Paul L. Holmer Papers* which includes also volume 1 *On Kierkegaard and Truth*, *Selected Essays*, and volume 3 *Communicating the Faith Indirectly*, *Selected Sermons, Addresses and Prayers*.

The Enigmatic Realm of **Essays On Kierkegaard**: Unleashing the Language is Inner Magic

In a fast-paced digital era where connections and knowledge intertwine, the enigmatic realm of language reveals its inherent magic. Its capacity to stir emotions, ignite contemplation, and catalyze profound transformations is nothing lacking extraordinary. Within the captivating pages of **Essays On Kierkegaard** a literary masterpiece penned by way of a renowned author, readers attempt a transformative journey, unlocking the secrets and untapped potential embedded within each word. Essays On Kierkegaard Introduction

In this digital age, the convenience of accessing information at our fingertips has become a necessity. Whether its research papers, eBooks, or user manuals, PDF files have become the preferred format for sharing and reading documents. However, the cost associated with purchasing PDF files can sometimes be a barrier for many individuals and organizations. Thankfully, there are numerous websites and platforms that allow users to download free PDF files legally. In this article, we will explore some of the best platforms to download free PDFs. One of the most popular platforms to download free PDF files is Project Gutenberg. This online library offers over 60,000 free eBooks that are in the public domain. From classic literature to historical documents, Project Gutenberg provides a wide range of PDF files that can be downloaded and enjoyed on various devices. The website is user-friendly and allows users to search for specific titles or browse through different categories. Another reliable platform for downloading Essays On Kierkegaard free PDF files is Open Library. With its vast collection of over 1 million eBooks, Open Library has something for every reader. The website offers a seamless experience by providing options to borrow or download PDF files. Users simply need to create a free account to access this treasure trove of knowledge. Open Library also allows users to contribute by uploading and sharing their own PDF files, making it a collaborative platform for book enthusiasts. For those interested in academic resources, there are websites dedicated to providing free PDFs of research papers and scientific articles. One such website is Academia.edu, which allows researchers and scholars to share their work with a global audience. Users can download PDF files of research papers, theses, and dissertations covering a wide range of subjects. Academia.edu also provides a platform for discussions and networking within the academic community. When it comes to downloading Essays On Kierkegaard free PDF files of magazines, brochures, and catalogs, Issuu is a popular choice. This digital publishing platform hosts a vast collection of publications from around the world. Users can search for specific titles or explore various categories and genres. Issuu offers a seamless reading experience with its user-friendly interface and allows users to download PDF files for offline reading. Apart from dedicated platforms, search engines also play a crucial role in finding free PDF files. Google, for instance, has an advanced search feature that allows users to filter results by file type. By specifying the file type as "PDF," users can find websites that offer free PDF downloads on a specific topic. While downloading Essays On Kierkegaard free PDF files is convenient, its important

to note that copyright laws must be respected. Always ensure that the PDF files you download are legally available for free. Many authors and publishers voluntarily provide free PDF versions of their work, but it's essential to be cautious and verify the authenticity of the source before downloading Essays On Kierkegaard. In conclusion, the internet offers numerous platforms and websites that allow users to download free PDF files legally. Whether it's classic literature, research papers, or magazines, there is something for everyone. The platforms mentioned in this article, such as Project Gutenberg, Open Library, Academia.edu, and Issuu, provide access to a vast collection of PDF files. However, users should always be cautious and verify the legality of the source before downloading Essays On Kierkegaard any PDF files. With these platforms, the world of PDF downloads is just a click away.
