

“In *The Floore and The Leafe* the dreamer is curiously disengaged from the action which is observed, a detachment from the literary tradition which in itself points to female authorship.” Do you agree? Discuss.

Dream vision poems often test cultural and poetic conventions, presenting ideas in a way that would not be possible or acceptable in other forms of poetry. It has been widely suggested that *The Floore and The Leafe* was written by a female author, who demonstrated such ideas in the poem. Evidence for this proposition is found in the detachment that features heavily in the text. The lack of a guide figure until late in the poem, as well as the anonymity of the work are points of the text which have led critics to believe that a female wrote the piece.

Whilst no-one can be certain of the gender of the author of *The Floore and The Leafe*, the narrator is definitely female: “I saluted her, and bad her good aventure / Must befall, as I could most humbly, / And she answered, “My daughter, gramercy.”¹ The most unusual point about the gender of the dreamer is not that it is in fact a woman, but that her gender is only revealed very late in the poem, when the guide figure greets her. It is implied, up to this point, that the dreamer is male.

One way of thinking about the poem which may provide a clue as to the gender of its author is the consideration of the female perspective. The dreamer has been presented as a female, but does her perspective display emotions and opinions which are analogous to those of females at the time of composition? If this is the case, then the question of the gender of the author is not so important, as the purpose of the poem is to portray a female point of view about love. Wynne Davies asserts that “Not enough of these [women’s own writings] survive

vast body of oral literature that lies behind the written texts which have survived from the medieval period and on the popular literature provided by literate authors for audiences of hearers or readers with varying degrees of literacy Douglas Gray leads new readers to a productively complicated understanding of the relationship between medieval popular culture and the culture of the learned He argues that medieval society was stratified in what seems to us a rigid way but that culturally it was more flexible Literary topics themes and forms moved there was much borrowing and a constant interaction Popular tales motifs and ideas passed into learned or courtly works learned forms and attitudes made their way in into popular culture All in all this seems to have been a fruitful symbiosis The book s twelve chapters are principally organised genre covering epics ballads popular romances folktales the German sage legends animal tales and fables proverbs riddles satires songs and drama Epic and Romance William Paton Ker,1957 Epic and Romance Essays on Medieval Literature William Ker,2018-07-09 Epic and Romance Essays on Medieval Literature By William Ker This book is now reprinted without addition or change except in a few small details If it had to be written over again many things no doubt would be expressed in a different way For example after some time happily spent in reading the Danish and other ballads I am inclined to make rather less of the interval between the ballads and the earlier heroic poems and I have learned especially from Dr Axel Olrik that the Danish ballads do not belong originally to simple rustic people but to the Danish gentry in the Middle Ages We are delighted to publish this classic book as part of our extensive Classic Library collection Many of the books in our collection have been out of print for decades and therefore have not been accessible to the general public The aim of our publishing program is to facilitate rapid access to this vast reservoir of literature and our view is that this is a significant literary work which deserves to be brought back into print after many decades The contents of the vast majority of titles in the Classic Library have been scanned from the original works To ensure a high quality product each title has been meticulously hand curated by our staff Our philosophy has been guided by a desire to provide the reader with a book that is as close as possible to ownership of the original work We hope that you will enjoy this wonderful classic work and that for you it becomes an enriching experience *Art and Doctrine* Rosemary Woolf,1986-01-01 No Marketing Blurb Epic and Romance Essays On Medieval Literature Ker W. Epic and Romance Essays on Medieval Literature (Classic Reprint) W. P. KER, 2019-02-18 Excerpt from Epic and Romance Essays on Medieval Literature These essays are intended as a general description of some of the principal forms of narrative literature in the Middle Ages and as a review Of some of the more interesting works in each period It is hardly necessary to say that the conclusion is one in which nothing is concluded and that whole tracts of literature have been barely touched on the English metrical romances the Middle High German poems the ballads Northern and Southern which would require to be considered in any systematic treatment of this part of history About the Publisher Forgotten Books publishes hundreds of thousands of rare and classic books Find more at www.forgottenbooks.com This book is a reproduction of an important historical work Forgotten Books uses state of the art technology to digitally reconstruct the work preserving the original format whilst repairing imperfections present in the aged copy In rare cases an imperfection in the original such as a blemish or missing page may be replicated in our edition We do however repair the vast majority of imperfections successfully any imperfections that remain are intentionally left to preserve the state of such historical works

Essays in the Numerical Criticism of Medieval Literature Caroline D. Eckhardt, 1979 The essays in this collection are attempts to understand medieval aesthetic principles and products not to champion the numerical approach All the essays share a confidence that when Chaucer for example wrote alle thynges been ordeyned and nombred he was enunciating a philosophical and aesthetic principle of fundamental importance to medieval thought

Essays on Medieval Literature W. P. Ker, 2017-09-16 Trieste Publishing has a massive catalogue of classic book titles Our aim is to provide readers with the highest quality reproductions of fiction and non fiction literature that has stood the test of time The many thousands of books in our collection have been sourced from libraries and private collections around the world The titles that Trieste Publishing has chosen to be part of the collection have been scanned to simulate the original Our readers see the books the same way that their first readers did decades or a hundred or more years ago Books from that period are often spoiled by imperfections that did not exist in the original Imperfections could be in the form of blurred text photographs or missing pages It is highly unlikely that this would occur with one of our books Our extensive quality control ensures that the readers of Trieste Publishing s books will be delighted with their purchase Our staff has thoroughly reviewed every page of all the books in the collection repairing or if necessary rejecting titles that are not of the highest quality This process ensures that the reader of one of Trieste Publishing s titles receives a volume that faithfully reproduces the original and to the maximum degree possible gives them the

Elizabeth D Kirk **Medieval Secular Literature** William Matthews, 1965 **Translating the Past** Marijane Osborn, 2012 **Essays in Medieval Chinese Literature and Cultural History** Paul W. Kroll, 2023-06-09 This is one of a

pair of volumes by Paul Kroll the companion volume deals with medieval Taoism and the poetry of Li Po Collecting eleven essays by this leading scholar of Chinese poetry the volume presents a selection of studies devoted to the medieval period centering especially on the T ang dynasty It opens with the author s famous articles on the dancing horses of T ang on the emperor Hs 1 4an Tsung s abandonment of his capital and forced execution of his prized consort and on poems relating to the holy mountain T ai Shan with special attention to Li Po Following these are detailed examinations of landscape and mountain imagery in the poetry of the High T ang period in the mid 8th century and of an extraordinary attempt made in the mid 9th century to recall in verse and anecdote the great days of the High T ang The second section of the book includes two articles on birds notably the kingfisher and the egret in medieval poetry and four of Kroll s influential studies focusing on the verse form known as the fu or rhapsody especially drawing from the 3rd century poet Ts ao Chih and the 7th century poet Lu Chao lin

Sacred and Profane in Chaucer and Late Medieval Literature Will Robins, 2010-01-01 Literary depictions of the sacred and the secular from the Middle Ages are representative of the era s widely held cultural understandings related to religion and the nature of lived experience Using late Medieval English literature including some of Chaucer s writings these essays do not try to define a secular realm distinct and separate from the divine or religious but instead analyze intersections of the sacred and the profane suggesting that these two categories are mutually constitutive rather than antithetical With essays by former students of John V Fleming the collection pays tribute to the Princeton University professor emeritus through wide ranging scholarship and literary criticism Including reflections on depictions of Bathsheba Troilus and Criseyde the Legend of Good Women Chaucer s Pardoner and Margery Kempe these essays focus on literature while ranging into history philosophy and the visual arts Taken together the work suggests that the domain of the sacred as perceived in the Middle Ages can variously be seen as having a hierarchical or a complementary relationship to the things of this world

Embracing the Tune of Term: An Emotional Symphony within **Essays On Medieval Literature**

In some sort of consumed by monitors and the ceaseless chatter of immediate interaction, the melodic elegance and psychological symphony developed by the prepared term usually fade into the back ground, eclipsed by the relentless sound and disruptions that permeate our lives.
