Inner and Outer Meanings of Bible Singh M. Parashar,2018-01-11 This work has been dedicated to those Jews who were handed over to the Nazis A bible is composed of good news and bad news The divine Bible is infallible and the human Bible is fallible due to an absence of inner meanings We should throw out all unscientific facts from the Bible Torah is the journey from the temple to synagogue from the priest to learned rabbis and from revelations to reason Judaism is a change from the path of devotion to the path of knowledge and good deeds Judaism tells us that God has no rival and God is greater than nature Nature is the rival of God Judaism says that God is the author of good and evil Good is from God and evil is from nature Marx wrongly believed in historical materialism Historical events took place according to historical spiritualism Geographical boundaries were changed again and again after the birth of a new religion or sect The creator of a thing will always try to make use of the thing created by him Infinite area of land on other planets is lying unused Such a consideration causes us to say that the world is eternal It is claimed that a woman with six or more breasts can descend on earth either by scientific means or by confining the circle of marriages within those families who give birth to two or more children at one time God is concerned with the spirit and God is not concerned with physical body The physical body of every man is fully under the control of the causal laws of nature God and nature are not identical Selections from Bible O.P. Ghai, Just one powerful thought at the beginning of the day can change your life In this book O P Ghai has put together selections from The New Testament which help people lead a better life The book attempts to present Biblical content in standard everyday English so that today s readers can appreciate the beauty of the original An excellent starter for those who are new to the Bible **A Buddhist Bible** Dwight Goddard,2023-12-23 In A Buddhist Bible Dwight Goddard presents a comprehensive anthology that distills the teachings principles and narratives found within various Buddhist scriptures and philosophies Striking a balance between scholarly rigor and accessibility Goddard employs a clear and engaging literary style drawing from key texts such as the Pali Canon and Mahayana sutras This compilation serves a dual purpose it acts as a vital resource for those new to Buddhism while also serving as a reference for seasoned practitioners who seek a deeper understanding of

the teachings that have shaped Buddhist thought across centuries Dwight Goddard a pivotal figure in the early 20th century American Zen movement was deeply influenced by both Eastern philosophies and his Western context His exploration of Buddhist literature stemmed from a desire to demystify Buddhism for Western readers and promote interfaith dialogue Goddard s own experiences with spiritual seeking and his engagement within the Buddhist community prompted him to compile this anthology emphasizing the universality of spiritual truths that transcend cultural boundaries I highly recommend A Buddhist Bible to readers seeking an insightful introduction to Buddhist thought Whether you are an academic a seeker of spirituality or simply curious about Buddhism Goddard s anthology offers profound perspectives that illuminate the path towards understanding mindfulness compassion and enlightenment

Secret of the Third Side of the Coin Sirshree,2017-07-08 **Awareness - the Center of Being** Karl W. Benzing,1997 **Hidden Wisdom in the Holy Bible**

Geoffrey Hodson,2015-06-15 In this insightful interpretation of the Holy Bible the profound spiritual and power bestowing truths of the sacred language of such Old Testament stories as the Creation the Flood and Tower the Life of Joseph as a Mystery Drama and Moses and the Exodus are liberated from their cryptic enclosure The second of a two part abridgement published in 1994 **Hindus and Their Christian Bible** R. S. Sugirtharajah,2024-02-22 R S Sugirtharajah shows how at the height of European colonialism whilst the colonizers were studying the sacred texts of Hindus Muslims Buddhists Sikhs and Zoroastrians the Hindus were themselves scrutinizing the invader s book the Christian Bible Sugirtharajah examines how these Hindus transformed the Bible into what they deemed fit for and suited to their contexts The result was that the Bible acquired a totally different form and lost its authority as the Book of the Empire Sugirtharajah shows how the resistant subversive and at times antagonistic readings of the Hindus went beyond what the colonizer had intended Sadly what these Hindus made of the Bible went largely unnoticed and was ignored by Western scholarship This volume seeks to rectify this regrettable omission and to place both the Hindu reformers and nationalists attitude to the Bible in their own specific context and to allow them to speak on their own terms rather than reading them with Christian preconception The Hindu reformers covered include figures such as Raja Rammohun Roy Arumuga Navalar Keshub Chunder Sen Swami Vivekananda Ponnambalam Ramanathan M K Gandhi and Sarvepalli Radhakrishnan and nationalists such as Dhirendranath Chowdhary Sita Ram Goel and Ram Swarup The book contains the interpretative context the textual negotiation that went on between these Hindus and the missionaries and orientalist examples of their Hinduization of the Bible and the hermeneutical impact on mainstream biblical interpretation **Sathya Sai Baba. Supernatural Experiences and Divine Transformation.**
