Perfume on the Page in

Nineteenth-Century France Cheryl Krueger, 2023-06-26 Despite long standing assertions that languages including French and English cannot sufficiently communicate the experience of smell much of France's nineteenth century literature has gained praise for its memorable evocation of odours As French perfume was industrialized democratized cosmeticized and feminized in the nineteenth century stories of fragrant scent trails aligned perfume with toxic behaviour and viewed a woman's scent as something alluring but also something to be controlled Drawing on a wealth of resources Perfume on the Page in Nineteenth Century France explores how fiction and related writing on olfaction meet permeate and illuminate one another The book examines medical tracts letters manuscripts posters print advertisements magazine articles perfume manuals etiquette books interviews and encounters with fragrant materials themselves Cheryl Krueger explores how the olfactory language of a novel or poem conveys the distinctiveness of a text its unique relationship to language its style and its ways of engaging the reader its signature scent Shedding light on the French perfume culture that we know today Perfume on the Page in Nineteenth Century France follows the scent trails that ultimately challenge us to read perfume and literature in new ways

Six Names of Beauty Crispin Sartwell, 2020-07-24 Beauty may be in the eye of the beholder but it's also in the language we use and everywhere in the world around us In this elegant witty and ultimately profound meditation on what is beautiful Crispin Sartwell begins with six words from six different cultures ancient Greek's to kalon the Japanese idea of wabi sabi Hebrew's yapha the Navajo concept hozho Sanskrit sundara and our own English language beauty Each word becomes a

door onto another way of thinking about and looking at what is beautiful in the world and in our lives In Sartwell s hands these six names of beauty and there could be thousands more are revealed as simple and profound ideas about our world and our selves

Floating Gold Christopher Kemp,2022-05-12 A fascinating natural history of an incredibly curious substance Preternaturally hardened whale dung is not the first image that comes to mind when we think of perfume otherwise a symbol of glamour and allure But the key ingredient that makes the sophisticated scent linger on the skin is precisely this bizarre digestive by product ambergris Despite being one of the world s most expensive substances its value is nearly that of gold and has at times in history been triple it ambergris is also one of the world s least known But with this unusual and highly alluring book Christopher Kemp promises to change that by uncovering the unique history of ambergris A rare secretion produced only by sperm whales which have a fondness for squid but an inability to digest their beaks ambergris is expelled at sea and floats on ocean currents for years slowly transforming before it sometimes washes ashore looking like a nondescript waxy pebble It can appear almost anywhere but is found so rarely it might as well appear nowhere Kemp s journey begins with an encounter on a New Zealand beach with a giant lump of faux ambergris determined after much excitement to nothing more exotic than lard that inspires a comprehensive quest to seek out ambergris and its story He takes us from the wild rocky New Zealand coastline to Stewart Island a remote windswept island in the southern seas to Boston and Cape Cod and back again Along the way he tracks down the secretive collectors and traders who populate the clandestine modern day ambergris trade *Floating Gold* is an entertaining and lively history that covers not only these precious gray lumps and those who covet them but presents a highly informative account of the natural history of whales squid ocean ecology and even a history of the perfume industry Kemp s obsessive curiosity is infectious and eager readers will feel as though they have stumbled upon a precious bounty of this intriguing substance

Scented Visions Christina Bradstreet,2022-06-29 Smell loomed large in cultural discourse in the late nineteenth century thanks to the midcentury fear of miasma the drive for sanitation reform and the rise in artificial perfumery Meanwhile the science of olfaction remained largely mysterious prompting an impulse to see smell and inspiring some artists to picture scent in order to better know and control it This book recovers the substantive role of the olfactory in Pre Raphaelite art and Aestheticism Christina Bradstreet examines the iconography and symbolism of scent in nineteenth century art and visual culture Fragrant imagery in the work of John Everett Millais Dante Gabriel Rossetti Simeon Solomon George Frederic Watts Edward Burne Jones and others set the trend for the preoccupation with scent that informed swaths of British European and American art and design Bradstreet s rich analyses of paintings perfume posters and other works of visual culture demonstrate how artworks mirrored the period nose and intersected with the most

clamorous debates of the day including evolution civilization race urban morality mental health faith and the woman question
Beautifully illustrated and grounded in current practices in sensory history Scented Visions presents both fresh readings of
major works of art and a deeper understanding of the cultural history of nineteenth century scent
