Essence Of Security Reflections In Office:

The essence of security: reflections in office Robert S. McNamara, 1968 **The Essence of Security; Reflections in Office [by] Robert S. McNamara** Robert S. McNamara, 1968 **Justifying Ballistic Missile Defence** Columba Peoples, 2010 Examines the ways in which views of technology have been used in debates over ballistic missile defence

Global Air Power John Andreas Olsen, 2011-02 Presents a regional national and global overview of air power Written by a cadre of military specialists who offer global perspectives Assesses its cultural as well as military influences *American Defense Reform* Dave Oliver, Anand Toprani, 2022 1940s The Revolt of the Admirals 1960s The McNamara Challenge 1970s Unfinished Business 1980s Preparing for Life after the Cold War Political Appointees Congress Private Industry Achieving Change Conclusions and Recommendations for the Future *West Africa's Security Challenges* Adekeye Adebajo, Ismail O. D. Rashid, 2004 Provides a context for understanding West Africa's security dilemmas highlighting the link between failures of economic development governance and democratization on the one hand and military insecurity and violent conflicts on the other **National Defense Resources Conference** Industrial College of the Armed Forces (U.S.), 1969

Presentation Outlines and Reading List Industrial College of the Armed Forces (U.S.), 1969 No Sure Victory Gregory A. Daddis, 2011-06-01 Conventional wisdom holds that the US Army in Vietnam thrust into an unconventional war where occupying terrain was a meaningless measure of success depended on body counts as its sole measure of military progress In *No Sure Victory* Army officer and historian Gregory Daddis looks far deeper into the Army's techniques for measuring military success and presents a much more complicated and disturbing account of the American misadventure in Indochina Daddis shows how the US Army which confronted an unfamiliar enemy and an even more unfamiliar form of warfare adopted a massive and eventually unmanageable system of measurements and formulas to track the progress of military operations that ranged from pacification efforts to search and destroy missions The Army's monthly Measurement of Progress reports covered innumerable aspects of the fighting in Vietnam force ratios Vietcong North Vietnamese Army incidents tactical air sorties weapons losses security of base areas and roads population control area control and hamlet defenses Concentrating more on data collection and less on data analysis these indiscriminate attempts to gauge success may actually have hindered the army's ability to evaluate the true outcome of the fight at hand a roadblock that Daddis believes significantly contributed to the many failures that American forces suffered in Vietnam Filled with incisive analysis and rich historical detail *No Sure Victory* is not only a valuable case study in unconventional warfare but a cautionary tale that offers important perspectives on how to measure performance in current and future armed conflict Given America's ongoing counterinsurgency efforts in Iraq and Afghanistan *No Sure Victory* provides valuable historical perspective on how to measure and mismeasure military success Cooperative Diplomacy, Regional Stability and National Interests G. Adar, A. Check, 2011-09-20 The Nile River is the longest river in the world covering nearly 7 000 kilometres It traverses ten countries in Africa Burundi the Democratic

Republic of Congo DRC Egypt Eritrea Ethiopia Kenya Rwanda Sudan Tanzania and Uganda with South Sudan as the eleventh riparian state once it acquires its sovereignty Of the more than 300 million inhabitants in the ten riparian states the Nile River Basin is home to nearly 160 million people The interlocking controversies surrounding the utilisation of the waters of the Nile River and the resources therein have centered on the 1929 Anglo Egyptian and the 1959 Egypto Sudanese treaties which have largely ignored the interests of the upstream states Through the Nile Basin Initiative NBI established in 1999 the riparian states concluded in 2010 the Agreement on the River Nile Basin Cooperative Framework CFA based on the principle of equitable and reasonable utilisation the objective of which is to establish durable legal regime in the Nile River Basin This book addresses the complexities inherent in the colonial and post colonial treaties and agreements and their implications for the interests of the riparian states and the region in general It is the first book of its kind that covers the ten riparian states in a single volume and deals comprehensively with politico legal questions in the Nile River Basin as well as conventions on the international water courses and their relevance to the region Ballistic missile defense technologies. ,1985 **India's**

Strategic Culture Shrikant Paranjpe,2020-03-13 This book provides a comprehensive understanding of the evolution of India s strategic culture in the era of globalization It examines dominant themes that have governed India s foreign and security policy and events which have shaped India s role in global politics The author Examines the traditional and new approaches to diplomacy and the state s response to internal and external conflicts Delineates policy pillars which are required to protect the state s strategic interests and forge new relationships in the current geopolitical climate Compares the domestic and international security policies followed during the tenures of Narsimha Rao Atal Bihari Vajpayee and Manmohan Singh and Analyzes how the Narendra Modi era has brought on changes in India s security strategy and the use of soft power and diplomacy With extensive additions drawing on recent developments this edition of the book will be a key text for scholars teachers and students of defence and strategic studies international relations history political science and South Asian studies **Market Liberalism** Gordon Cheung,2019-01-22 This study analyzes the overseas effect of the

market force of US foreign policy toward China Gordon Cheung puts forward the idea of augmented market liberalism arguing that the US was instrumental in making China a market economy *At the Borderline of Armageddon* James E. Goodby,2006-05-04 No previous generation of statesmen has had to conduct policy in so unknown an environment at the border line of Armageddon Henry Kissinger Nuclear weapons pose a unique challenge to American foreign policy and the American president in particular The choices the president makes with regard to atomic weapons can change the course of human history and affect the lives of billions of people In this important new work scholar teacher and diplomat James Goodby analyzes how American presidents have confronted the dilemma of nuclear weapons Drawing on his own involvement in over fifty years of nuclear policy he explores specific case studies to illustrate the decision making process and the delicate balance between international cooperation and freedom of action between the rules of behavior and governmental autonomy

The Making of Détente Keith L. Nelson, 2019-12-01 Originally published in 1995 In the early 1970s largely as a result of the debilitating struggle in Vietnam the United States began to reassess and redefine its basic approach to East West relations At the same time the Soviet Union was awakening to the liabilities that a continuing and unregulated state of hostility would impose on its own internal and external agenda Keith Nelson details the circumstances and traces the steps that led to the first significant accommodation and easing of tension between the superpowers during the Cold War In this important study Keith Nelson explains the detente period in an imaginative convincing and impressively scholarly manner Although there have been scores of books and memoirs on the subject none have done the job quite like Nelson's In particular he has used post glasnost Russian memoirs and monographs and especially his own interviews with such key players as Dobrynin and Arbatov to present one of the most intelligent Kremlinological studies I have ever seen Melvin Small Wayne State University

Robert McNamara's Other War Patrick Allan Sharma, 2017-04-07 Robert McNamara is best known for his key role in the escalation of the Vietnam War as U S secretary of defense under Presidents John F Kennedy and Lyndon Johnson The familiar story begins with the brilliant young executive transforming Ford Motor Company followed by his rise to political power under Kennedy and culminating in his downfall after eight years of failed military policies Many believe McNamara's fall from grace after Vietnam marked the end of his career They were wrong In Robert McNamara's Other War Patrick Allan Sharma reveals the previously untold story of what happened next As president of the World Bank from 1968 to 1981 McNamara changed the way many people thought about international development by shifting the World Bank's focus to poverty alleviation Though his efforts to redeem himself after his failures in Vietnam were well intentioned Sharma argues his expansion of the World Bank's agenda contributed to a decline in the quality of its activities McNamara's policies at the Bank also helped lay the groundwork for the economic crises that have plagued the developing world during the past three decades Not only has Sharma crafted an engaging chronicle of one of the most enigmatic figures in modern American history he has also produced one of the first detailed histories of the World Bank He mines previously unstudied Bank documents that have only recently become available to researchers as well as material from archives on three continents Sharma's extensive research shows that McNamara's influence extended well beyond Vietnam and that his World Bank years may be his most enduring legacy

Decision-making in Foreign Policy Sita Ramachandran, 1996 The foreign policy of a country operating at a global and regional levels has to grapple with political economic and security issues in Concrete World situation Since foreign policy is formulated by the leaders to serve the best interest of a country an objective and realistic assessment of the world situation and countries also play a role There are only a few remarkable work with a focus on personality and foreign policy choices The aim of the present book is to take into account all the factors that were influential in the decision making processes The objective is not just who took the decision but instead to probe why a particular decision was taken and what prompted the decision In doing so the work has endeavoured to analyse all the
