of biblical texts explains the expression Heavenly Father in a very deep meaning also because of the fact that it describes the Earthly Mother as well It does not mean that it proclaims a female God next to a male God We are still dealing with a monotheistic religion But in its divine dualism it does not exclude female character in God nor the female and maternal principle of nature Therefore it reconnects Christianity with obvious and deeply experienced world views that can be found as universal in all cultures and religions except the three Thora based Jewish Christian and Muslim religions Let us just assume for a moment a Christianity that is not denying but also worshipping the maternal aspects not only in some sick romanticisation of virginity and unearthly purity but in its obvious richness abundance and fertility A Christianity that regards Earth just as important and divine as it regards Heaven A Christianity describing the body as a temple for the soul A Christianity that communicates with Heaven and Earth Well here it is For the first time all translations of the Essene scripts in one volume revised newly arranged and edited by Dr J rg Berchem With many illustrations by Caspar David Friedrich Rembrandt Leonardo da Vinci and Gustav Dor including Book 1 The Essene Gospel of Peace Book One Book 2 The Unknown Books of the Essenes Book 3 Lost Scrolls of the Essene Brotherhood Book 4 The Teachings of the Elect and Banus The Essene The essene Code of Life
