Alexandria and Qumran: Back to the Beginning Kenneth Silver,2017-12-31 This book addresses the proto history and the roots of the Qumran community and of the Dead Sea Scrolls in the light of contemporary scholarship in Alexandria Egypt **The Essenes** Christian D. Ginsburg,2005-11-01 Every investigation into the causes of the phenomena both of mind and matter was strictly forbidden because the study of logic and metaphysics was regarded as injurious to devotional life from The EssenesThe Essenes introduces us to the Judaic sect that contributed greatly to the spread of early Christianity Drawing upon the Midrashim and the Talmud as well as the accounts of Pliny Josephus and other ancient writers this tribute explores their rise and progress their relationship to both Judaism and Christianity and more The Kabbalah is a guide to those wishing initiation into the mysteries of this esoteric doctrine and its extraordinary if veiled influence on Jewish culture over the centuries Elementary but also comprehensive it offers easy to understand explanations of matters of Jewish history and literature with which the lay reader may not be familiar Here in one volume are two classic essays dating from 1863 and 1864 on Jewish mysticism by one of the most prominent Hebrew scholars of the 19th century Hebrew Massoretic scholar CHRISTIAN D GINSBURG 1821 1914 was born in Poland but spent much of his literary life in England He is also the author of The Song of Songs and Coheleth and Introduction to the Massoretico Critical Edition of the Hebrew Bible **FROM JESUS TO THE ESSENES** Olivier Manitar,2019-09-19 Throughout the ages the Essenes have been a people across all peoples a family of souls that has kept alive the religion of Light on earth Religion is the bond of life that unites man to the divine world that allows him to know himself to weave good relations with his family and with all the kingdoms of nature The religion of the Light or Essene religion does not belong to any people it is only divine It is the superior intelligence that guides men in wisdom and true royalty **The Mystical Geography of Quebec** Susan J. Palmer,Martin Geoffroy,Paul L.

Gareau,2020-03-02 This study of new religious movements in Quebec focuses on nine groups including the notoriously violent Solar Temple the iconoclastic Temple of Priapus and the various Catholic schisms such as those led by a mystical pope the Holy Spirit incarnate or the reappearance of the Virgin Mary Eleven contributing authors offer rich ethnographies and sociological insights on new spiritual groups that highlight the quintessential features of Quebec s new religions sectes in the francophone media The editors argue that Quebec provides a favorable ecology for alternative spirituality and explore the influences behind this situation the rapid decline of the Catholic Church after Vatican II the Quiet Revolution a utopian faith in Science the 1975 Charter of Human Rights and Freedoms and an open immigration that welcomes diverse faiths The themes of Quebec nationalism found in prophetic writings that fuel apocalyptic ferment are explored by the editors who find in these sectarian communities echoes of Quebec s larger Sovereignty movement **Calendar and Chronology, Jewish**

and Christian Roger T. Beckwith,2018-11-26 Judaism and Christianity are both religions of history and remembrance and rely on calendars and accurate chronologies to recall and reenact the signal events in their histories The import of dividing the day and night of knowing the moment of Sabbath and Lord s Day of properly timing Passover and Easter cannot be overstated Throughout the history of both religions these issues were central to worship and practice of religion and had far reaching effects from messianism to prophecy But their very centrality meant they were issues of controversy and debate Roger Beckwith looks carefully at the Jewish and Christian records concerning calendar and chronology compares contrasts and challenges rival solutions to these complex questions His breath of research from the ancient Near East to Qumran from Josephus and Philo to the Maccabean writings and from the points of view of Paul and Jesus to the Fathers of the church and his focus on the more controversial issues of dating make *Calendar and Chronology* an essential book for any serious scholar of history liturgy worship and interpretation This publication has also been published in paperback please click here for details *Beyond the Essene Hypothesis* Gabriele Boccaccini,1998-03-30 Convincingly argued this work will surely spark fresh debate in the discussion on the Qumran community and the famous Dead Sea Scrolls *Theory and Practice in Essene*

Law Aryeh Amihay,2017 This book offers a novel approach for the study of law in the Judean Desert Scrolls using the prism of legal theory Following a couple of decades of scholarly consensus withdrawing from the Essene hypothesis it proposes to revive the term and suggests employing it for the sectarian movement as a whole while considering the group that lived in Qumran as the Yahad It further proposes a new suggestion for the emergence of the Yahad based on the roles of the Examiner and the Instructor in the two major legal codes the Damascus Document and the Community Rule The understanding of Essene law is divided into concepts and practices in order to emphasize the discrepancy between creed rhetoric and practices The abstract exploration of notions such as time space obligation intention and retribution is then compared against the realities of social practices including admission initiation covenant leadership reproof and punishment The legal analysis yields several new suggestions for the study of the scrolls first Amihay proposes to rename the two strands

of thought of Jewish law formerly referred to as nominalism and realism with the terms legal essentialism and legal formalism The two laws of admission in the Community Rule are distinguished as two different laws one of an association for a group as a whole the other as an admission of an individual The law of reproof is proven to be an independent legal procedure rather than a preliminary stage of prosecution The methodological division in this study of thought and practice provides a nuanced approach for the study of law in general and religious law in particular **THE WOMAN WHO**

DREAMS HERSELF Pamela A. Field,2010-12-29 This book is a combination of discoveries made during fifteen years of leading women workshops patterns observed while offering hundreds of individual healing sessions and an exploration of native prophecies The Woman Who Dreams Herself is a guide for understanding and awakening the feminine to restore balance on an individual societal and planetary level *The Essene Book of Creation* Edmond Bordeaux Székely,1968

Of Widows and Meals Reta Halteman Finger, 2007-05-27 Though community has become a common byword in the contemporary Western church the practice of communal sharing has effectively fallen by the wayside Unfortunately it is often the poor who are left wanting because we no longer come together Reta Halteman Finger finds a solution to this modern problem by learning from the ancient Mediterranean Christian culture of community In the earliest Jerusalem church in holding the responsibility for preparing and serving communal meals women were given a

place of honor With the table fellowship and goods sharing of the early church Luke says there were no needy persons among them Acts 4:34 Finger thoroughly examines this agape meal tradition challenging traditional interpretations of the community of goods in the Jerusalem church and proving that the communal sharing lasted for hundreds of years longer than previously assumed Of Widows and Meals begins a discussion of need in community that can revolutionize the contemporary church's interaction with the world at large
