Theory and Practice in Essene Law Aryeh Amihay, 2017 This book offers a novel approach for the study of law in the Judean Desert Scrolls using the prism of legal theory Following a couple of decades of scholarly consensus withdrawing from the Essene hypothesis it proposes to revive the term and suggests employing it for the sectarian movement as a whole while considering the group that lived in Qumran as the Yahad It further proposes a new suggestion for the emergence of the Yahad based on the roles of the Examiner and the Instructor in the two major legal codes the Damascus Document and the Community Rule The understanding of Essene law is divided into concepts and practices in order to emphasize the discrepancy between creed rhetoric and practices The abstract exploration of notions such as time space obligation intention and retribution is then compared against the realities of social practices including admission initiation covenant leadership reproof and punishment The legal analysis yields several new suggestions for the study of the scrolls first Amihay proposes to rename the two strands of thought of Jewish law formerly referred to as nominalism and realism with the terms legal essentialism and legal formalism The two laws of admission in the Community Rule are distinguished as two different laws one of an association for a group as a whole the

other as an admission of an individual The law of reproof is proven to be an independent legal procedure rather than a preliminary stage of prosecution The methodological division in this study of thought and practice provides a nuanced approach for the study of law in general and religious law in particular *A Dictionary of Christian Biography, Literature, Sects and Doctrines* William Smith, Henry Wace, 1880 **The Apocalypse of the Aquarian Age** Albert Amao Soria Ph.D., 2021-02-23 Humanity has stepped at the beginning of the Water Carrier Age s threshold Its influence is gradually being felt in all areas of life This is the time for spiritual renewal and the turning point for the shifting of consciousness Contrary to the period of mental bondage prejudice and religious bigotry which was the Piscean Era characteristic we are awakening to another chapter of human history leading to the realization of the Oneness of life and the human race s interconnectedness The world is currently undergoing radical socio economic and political upheavals because we are transitioning from one chapter of human history to another Some religious leaders and sensationalistic New Age writers have taken these dramatic changes as signs of the end of the world Contrary to that this work postulate that the challenging events indicate the close of one chapter of human history and the beginning of a new one We embrace and celebrate the coming of a new age of enlightenment the awareness of human beings brotherhood **The Essenes, the Scrolls, and the Dead Sea** Joan E. Taylor, 2012-11-15 The mystery surrounding the Dead Sea Scrolls remains over 60 years after their rediscovery Who hid them and why This groundbreaking book reinvigorates the contested hypothesis that the Essenes were responsible Rather than being a marginal esoteric sect Taylor shows that this group acted as one of the leading legal schools of Judaism *New Perspectives on Old Texts* Orion Center for the Study of the Dead Sea Scrolls and Associated Literature. International Symposium, 2010 This volume presents new perspectives on the ancient texts discovered at Qumran The essays offer fresh insights into particular texts and genres by applying methods and constructs drawn from other disciplines to the study of the Dead Sea Scrolls and by exploring new as well as long standing issues raised by these works The topics and approaches engaged include group identity memory ritual theory sectarian sociology philosophy of education liturgical anthropology Jewish law history of religion and mysticism The articles in this volume were originally presented at the Tenth Annual International Orion Symposium sponsored in 2005 by the Orion Center for the Study of the Dead Sea Scrolls and Associated Literature at the Hebrew University of Jerusalem **A ^AGuide to Early Jewish Texts and Traditions in Christian Transmission** Gabriele Boccaccini, Lorenzo DiTommaso, David Hamidovic, Michael E. Stone, 2019-10-04 The Jewish culture of the Hellenistic and early Roman periods established a basis for all monotheistic religions but its main sources have been preserved to a great degree through Christian transmission This Guide is devoted to problems of preservation reception and transformation of Jewish texts and traditions of the Second Temple period in the many Christian milieus from the ancient world to the late medieval era *The Mystery of the Copper Scroll of Qumran* Robert Feather, 2003-06-23 Introduces a radical new perspective on the historical foundations of monotheism based on the enigma of

the Copper Scroll of the Essenes Confirms the link between ancient Judaism and the pharaoh Akhenaten Decodes the system of measurements encrypted on the Copper Scroll that has confounded scholars for over 50 years leading to the identification of fabulous lost treasures Points to a radical new understanding of the origins of monotheism The famous Dead Sea Scrolls comprise the oldest collection of Biblical documents ever discovered Of the Dead Sea Scrolls none has baffled experts more than the 2 000 year old Copper Scroll discovered in 1952 by a team of Bedouin led by Henri de Contenson of the Ecole Biblique in East Jerusalem Appearing to be a list of buried treasure engraved on copper pieces the Copper Scroll is considered to be the work of a secretive Jewish sect of devout Essenes who lived by the Dead Sea around the time of Jesus No one has been able to explain its meaning or discover any of the 64 locations where the Biblical treasures it lists were buried Robert Feather combining his background as a metallurgist with his journalistic expertise has unraveled the enigma of the Copper Scroll in a fascinating study that takes the reader on a journey from ancient Mesopotamia through Canaan into Egypt and back to the shores of the Dead Sea His exploration links the scroll to the ancient Egyptian king Akhenaten confirming a long suspected influence of this pharaoh's religious beliefs on those of the Hebrews The author's findings not only reveal the locations of most of the treasures listed on the Copper Scroll but they also point to a radical new understanding of the origins of monotheism the basis of the three great religions of Judaism Islam and Christianity

The Torah in Matthew Francois Viljoen,2018 Jesus relation to the Torah forms a significant motif in Matthew s Gospel This relation is taken up as an important theme in the Sermon on the Mount with its strong Sinai typology and disputes about the Torah are repeated throughout the Gospel Jesus is depicted as the last and greatest expositor of the Torah When reading this Gospel the central role of the Torah must be seriously considered This present study is furthermore relevant in the light of new insights that have developed in recent years on the diversity and dynamics within the Judaism that confronted Matthew This diversity within Judaism is usually related to Judaist attitudes towards the Torah To complicate this oral traditions were strong and lively Questions arose about the status of the written Scriptures and oral traditions and the authority ascribed to these The Matthean community developed within this turmoil of developing Judaism
