Escape From America:

The English Language in America George Philip Krapp, 1925 Research and Statistics Report , **Out Of America** Keith B Richburg, 2009-09-22 Keith B Richburg was an experienced and respected reporter who had paid his dues covering urban neighborhoods in Washington D C and won praise for his coverage of Southeast Asia But nothing prepared him for the personal odyssey that he would embark upon when he was assigned to cover Africa In this powerful book Richburg takes the reader on an extraordinary journey that sweeps from Somalia to Rwanda to Zaire and finally to South Africa He shows how he came to terms with the divide within himself between his African racial heritage and his American cultural identity Are these really my people Am I truly an African American The answer Richburg finds after much soul searching is that no he is not an African but an American first and foremost To those who romanticize Mother Africa as a black Valhalla where blacks can walk with dignity and pride he regrets that this is not the reality He has been there and witnessed the killings the repression the false promises and the horror Thank God my nameless ancestor brought across the ocean in chains and leg irons made it out alive he concludes Thank God I am an American **Jefferson's Muslim Fugitives** Jeffrey Einboden, 2020 On October 4 1807 Thomas Jefferson was handed documents written entirely in Arabic penned by two African Muslims fleeing captivity in rural Kentucky Jefferson's Muslim Fugitives recounts the untold story of escaped West African slaves in the American heartland whose Arabic writings reached a sitting U S President prompting him to intervene on their behalf Revealing Jefferson's lifelong entanglements with slavery and Islam Jeffrey Einboden uncovers the lost Muslim manuscripts which circulated among Jefferson and his prominent peers while questioning why such vital legacies from the American past have been entirely forgotten **America's Beginnings** Tony J. Williams, 2010-12-16 At a time when surveys reveal that Americans know less and less about our past Tony Williams provides entertaining and informative descriptions of 50 of the most important and dramatic events from the colonial and Revolutionary period some known and some forgotten from the Mayflower Compact to the Annapolis Convention Published in association with The Colonial Williamsburg Foundation America's Beginnings takes the reader throughout the American colonies and introduces many leading figures from John Smith and John Winthrop to the Founding Fathers Along the way Williams examines the principles that led colonists to come to America and succeeding generations to become a free and independent nation Read individually or from cover to cover these stories illuminate the founding principles and heroic struggles that established the country and shaped the American character **America** , 1914 *Re-Visioning the American Psyche* Ipek S. Kumaravadivelu,2024-06-25 Recent events such as the storming of the U S Capitol on January 6 2021 have led many Americans to lament that the nation they grew up with is unrecognizable now They see threats to national and individual identity and are fiercely engaged in protecting them In doing so some of them deliberately blend the distinction between myth and reality In this timely and relevant book the author seeks to provide a critical perspective on who we really are Taking into consideration the prevailing political social and cultural conflicts the author re examines the changing nature of American identity primarily its creedal identity religious identity cultural identity and linguistic identity and does so within a broader perspective informed by national and global network of connections Based on his lived experience as a naturalized citizen and his learned knowledge as a scholar he synthesizes the professional the political and the personal He draws insights from multiple disciplines in Humanities and Social Sciences from surveys conducted by agencies like the Pew Research Center and from the practice of everyday American life *The SAGE Encyclopedia of Filipina/x/o American Studies* Kevin Leo Yabut Nadal,Allyson Tintiangco-Cubales,E.J.R.
