Escape From El Diablo:

Escape from Paradise Sofia M. Rossi, 2024-06-28 Prologue The midday Mexican sun beat down mercilessly turning the chipped paint on the Playa del Carmen police station steps into a shimmering mirage Max clutched the flimsy police report its Spanish a mockery of his meager vocabulary Stolen cash meant a one way ticket back to dusty textbooks not sun drenched beaches A Mother s Warning Ignored Defeat felt like a cold hand squeezing his heart slowly draining the life out of him He couldn t face calling his parents not after boasting about a life changing archaeological dig Less than 24 hours in Mexico and all his dreams were gone Shame burned in his throat How naive could he have been A memory flickered a stark contrast to the harsh reality The Send Off The aroma of coffee wafted up the stairs coaxing him out of bed His mom stood in the kitchen a symphony of clanging pots and clattering plates heralding his send off breakfast You haven t forgotten anything have you she asked her voice laced with a concern he couldn t quite decipher Nope all packed he mumbled stuffing a forkful of fluffy waffle into his mouth Her words echoed in his ears now You re just a tourist The law there doesn t always work the way it does here at home Always be on your guard Max He d brushed it off then blinded by anticipation Now stranded and desperate those words haunted him A Glimmer of Hope The stolen money stung but the loss of his Mac and passport felt like a punch to the gut He needed a plan and fast Turning a corner a familiar landmark sparked a flicker of hope Grabbing his tattered map he located his Airbnb a lifeline in this storm With a surge of determination he pulled out his phone the battery hovering on fumes Inspiration struck Holding it up he pretended to record a live video hoping to deter potential threats A collective gasp rippled through the crowd Vendors vanished like phantoms Just then a policeman appeared his expression a storm cloud Max s heart hammered against his ribs Playing with fire he thought but it was his only shot Doing a live feed for my family he blurted his voice strained Been watching this street for a long time you know The policeman grunted amusement flickering in his eyes He moved on leaving Max weak with relief A Mysterious Figure Across the street a man leaned against a souvenir shop awning His weathered face held stories beneath a battered cowboy hat One leg propped against the wall his gaze was fixed on Max unwavering Intrigued yet unnerved Max noticed a slight head tilt towards a side street branching off the main avenue Was this a concerned citizen a potential savior or something else entirely A Refuge Found But Questions Remain He hurried towards his Airbnb the confirmation email a beacon of hope Relief washed over him as he entered the cool lobby But a glance back revealed a chilling absence the man with the cowboy hat was gone Vanished without a trace Max shivered a phantom sensation of eyes boring into his back He entered his room the safety of four walls a temporary comfort But the encounter with the stranger lingered a seed of unease planted in his gut Who was the man in the cowboy hat Friend or foe And in a city where paradise can mask danger would Max find his dreams or his doom

Escape Route John Parker, 2012 What is an escape route An escape route is essential if you want to stay scot free and not end up in prison or worse This is a story about myself and the many tight spots I have got myself into and how I managed to escape

scot free Indeed I am a Scot and know the origin and meaning of the expression So I have always known to make sure that I had an escape route to prevent me from ending up in the quicksand In the course of this book I intend to give you my outlook on life how I've spent it and my opinions on many subjects The vast majority of this book is true and the few exaggerations I have included for a laugh you will be able to spot but there are very few I will not be caring if I offend anyone nor will I be politically correct in any way If you are easily offended don't read it I was born in the sixties so my sense of humour came into being in the seventies when things weren't quite so politically correct as they are now Those were the days when Warren Mitchell's character Alf Garnett was the biggest comedy star on the television so the sense of humour in this book will not be to everyone's taste But if you enjoy a good laugh read on
