# Escape From Pannonia A Tale Of Two Survivors

**Gerald K. Stone**

## **Escape From Pannonia A Tale Of Two Survivors:**

*Escape from Pannonia* Steve Floris, 2002 Memoirs of a Jew born in Budapest in 1920 who experienced antisemitism in prewar Hungary He was one of the few already discriminated against Jews sent on a state sponsored visit to Italy to meet Il Duce Pp 32 71 relate his experiences in the Holocaust Floris whose original family name was Freund spent 1943 45 as a cook for a labor service unit and then for Hungarian soldiers A new commander had him arrested and deported He worked for six months at slave labor in the border village of Harka After the war he married and spent several years in a DP camp he and his wife emigrated to Canada in 1948 **Catalog of the Gerald K. Stone Collection of Judaica** Gerald K.

Stone, 2021-01-05 Gerald K Stone has collected books about Canadian Jewry since the early 1980s This volume is a descriptive catalog of his Judaica collection comprising nearly 6 000 paper or electronic documentary resources in English French Yiddish and Hebrew Logically organized indexed and selectively annotated the catalog is broad in scope covering Jewish Canadian history biography religion literature the Holocaust antisemitism Israel and the Middle East and more An introduction by Richard Menkis discusses the significance of the Catalog and collecting for the study of the Jewish experience in Canada An informative bibliographical resource this book will be of interest to scholars and students of Canadian and North American Jewish studies **The Holocaust in Hungary** Randolph L. Braham, Julia Bock, 2008 This volume comprises

1 459 entries **Index to Jewish Periodicals**, 2004 An author and subject index to selected and American Anglo Jewish journals of general and scholarly interests **American Book Publishing Record**, 2002 *A magyarországi holokauszt bibliográfiája* Randolph L. Braham, 2010 Year of the Four Emperors Kenneth Wellesley, 2002-09-11 After Nero's notorious reign the Romans surely deserved a period of peace and tranquility Instead during AD69 three emperors were murdered Galba just days into the post Otho and Vitellius The same year also saw civil war in Italy two desperate battles at Cremona and the capture of Rome for Vespasian which action saw the fourth emperor of the year but also brought peace This classic work now updated and reissued under a new title is a gripping account of this tumultuous year Wellesley also focuses on the year's historical importance which also marked the watershed between the first and second imperial dynasties *History of the Goths* Herwig Wolfram, 1990 Provides an overview on the formation of the Gothic tribes their migrations and the later history of the Ostrogothic and Visigothic settlements Bulgaria, 1985 *Caligula* Anthony A. Barrett, 2015-03-05 The Roman Empire has always exercised a considerable fascination Among its numerous colourful personalities no emperor with the possible exception of Nero has attracted more popular attention than Caligula who has a reputation whether deserved or not as the quintessential mad and dangerous ruler The first edition of this book established itself as the standard study of Caligula It remains the only full length and detailed scholarly analysis in English of this emperor's reign and has been translated into a number of languages But the study of Classical antiquity is not a static phenomenon and scholars are engaged in a persistent quest to upgrade our knowledge and thinking about the ancient past In the thirty years since

publication of the original Caligula there have been considerable scholarly advances in what we know about this emperor specifically and also about the general period in which he functioned while newly discovered inscriptions and major archaeological projects have necessitated a rethinking of many of our earlier conclusions about early imperial history This new edition constitutes a major revision and in places a major rewriting of the original text Maintaining the reader friendly structure and organisation of its predecessor it embodies the latest discoveries and the latest thinking seeking to make more lucid and comprehensible those aspects of the reign that are particularly daunting to the non specialist Like the original this revised Caligula is intended to satisfy the requirements of the scholarly community while appealing to a broad and general readership

**The Long Year, A.D. 69** Kenneth Wellesley, 1976 On 1 January A D 69 the Roman people particularly the inhabitants of Rome had every reason to feel optimistic The infamous Nero was dead and Galba in his seventies a greatly respected governor of Nearer Spain had been chosen emperor with the whole hearted consent of army and Senate And yet within the first fortnight of the New Year Galba had been brutally assassinated in the Roman Forum During a year which had begun with such high hopes of peace and stability two further emperors Otho and Vitellius were to meet equally violent deaths two desperate battles were to be fought at Cremona Rome was to be captured for Vespasian and civil war was not only to rack Italy but to touch areas as remote as Britain and Syria Few years in history certainly in the Roman empire have been so eventful the appearance of four emperors in one year is spectacular in itself A D 69 is however important as well as dramatic It marks the watershed between the first and second imperial dynasties and the passing of an old order The Long Year also reveals the strengths and weaknesses of the empire The Senate which had long been living on the past glory of its republican days proved petty and ineffectual in the hour of crisis while ironically the battles between rival Roman armies only enhanced their endurance The military efficiency of the empire was not impaired by the civil war within and its political structure was reaffirmed Exceptional years invite exceptional scrutiny of everyday life as well as the deeds of the great It is fortunate for us that the events of the Long Year were recorded in colourful and cunning detail by one of the greatest historians of all time Tacitus Mr Wellesley draws skilfully on his famous source but by no means exclusively or uncritically His own interpretation of the motives and characters of the chief contestants and of the much debated battles of Cremona will appeal to the classical student and scholar but we can all enjoy his elegant imaginative retelling of an exciting story now nineteen hundred years old Book jacket

**Religious Thought and Heresy in the Middle Ages** Frederick William Bussell, 1918

*King Arthur* Nicholas J. Higham, 2018-11-20 A leading medievalist takes a clear eyed look at the evidence for the existence of the legendary Arthur The Sunday Times Best Paperbacks of 2021 According to legend King Arthur saved Britain from the Saxons and reigned over it gloriously sometime around A D 500 Whether or not there was a real King Arthur has all too often been neglected by scholars most period specialists today declare themselves agnostic on this important matter In this erudite volume Nick Higham sets out to solve the puzzle drawing on his original research and expertise to determine

precisely when and why the legend began Higham surveys all the major attempts to prove the origins of Arthur weighing up and debunking hitherto claimed connections with classical Greece Roman Dalmatia Sarmatia and the Caucasus He then explores Arthur's emergence in Wales up to his rise to fame at the hands of Geoffrey of Monmouth Certain to arouse heated debate among those committed to defending any particular Arthur Higham's book is an essential study for anyone seeking to understand how Arthur's story began Likely to be the definitive text on the legendary warrior for the foreseeable future With his profound knowledge of the rules of historical narrative and patient but forensic analysis of the evidence Higham's riveting book brings the historical Arthur to what may be his last decisive battle Max Adams author of *The First Kingdom* Fascinating authoritative analysis P D Smith *The Guardian* Intelligent and eminently readable For fans of a fascinating story that is wonderfully well told this is the perfect book to take you back to King Arthur's time All About History

**The Dictionary of Useful Knowledge** Robert Kemp Philp, 1861      The Dictionary of Useful Knowledge: G-N, 1861      A Dictionary of the Roman Empire Matthew Bunson, 1995 The extraordinarily rich cultural legacy of the Roman world has had a profound affect world civilization Roman achievements in architecture law politics literature war and philosophy serve as the foundation of modern Western society Now for the first time in an A Z format A Dictionary of the Roman Empire assembles the people places events and ideas of this remarkable period in one easy to use source With over 1 900 entries covering more than five hundred years of Roman history from Julius Caesar and the Gallic Wars 59 51 B C to the fall of Romulus Augustus the last Roman emperor 476 A D this accessible guide provides quick reference to one of the most studied periods of all antiquity Every aspect of Roman life is included Here are profiles of the great emperors such as Marcus Aurelius one of the most profoundly intellectual monarchs in western civilization and the aberrant Gaius Caligula who after draining the Roman treasury with his eccentric behavior made it a capital crime for citizens not to bequeath him their estates Informative entries describe the complex workings of Roman government such as census taking the creation of civil service coinage and the venerable institution of the Senate and offer insight into the various trends and cultural tastes that developed throughout Roman history For example a discussion on baths the most common type of building in the Roman Empire demonstrates the unique intermingling of luxury community recreation and in the provinces an association with Rome that served as the focus of any city aspiring to greatness Other entries describe the practice of paganism marriage and divorce ludi public games held to entertain the Roman populace festivals of the Roman year and gluttony epitomized by famous gourmands such as the emperor Vitellius who according to the historian Suetonius lived for food banqueting three or four times a day routinely vomiting up his meal and starting over Also featured are longer essays on such topics as art and architecture gods and goddesses and the military as well as a chronology a short glossary of Roman terms and appendices listing the emperors of the Empire and diagram the often intertwined family trees of ruling dynasties Comprehensive authoritative and illustrated with over sixty illustrations and maps A Dictionary of the Roman Empire provides easy access to the remarkable civilization

upon which Western society was built      *The First Emperor* Anthony Everitt,2006 Anthony Everitt presents this biography of Caesar Augustus Rome s first emperor and one of the most powerful men who ever lived      **Bibliotheca Classica, Or, A Dictionary of All the Principal Names and Terms Relating to the Geography, Topography, History, Literature, and Mythology of Antiquity and of the Ancients** John Lemprière,1833      **Subject Guide to Books in Print** ,1997      **The Oxford Classical Dictionary** Max Cary,1953
