## **Escape Stories:**

Greatest Escape Stories Ever Told Darren Brown, 2006-06-01 To reach freedom the most famous escapers of all time have been willing to endure the most horrific conditions and the direst consequences if caught The collection of tales in The Greatest Escape Stories Ever Told is gripping as only true life and death struggles can be Papillon fighting through the jungles of Guiana only to commit himself to the open ocean in a sixteen foot boat rather than face a life in exile Rocky Gause dodging bullets as he swims through shark infested waters to escape the Japanese at Bataan while those around him simply quit Latude battling against the dreaded Bastille Baron Trenck with chains covering almost every inch of his body digging and digging to free himself from wrongful imprisonment Andre Devigny so weak from starvation and poor treatment that he could barely lift himself shimmying across a rope only yards above a German sentry during World War II on the eve of his execution These are just a few of the twenty five bold and ingenious tales of escape included in this collection The Greatest Escape Stories Ever Told will hold readers captive for years to come **The Greatest POW Escape Stories Ever Told**

Keith Warren Lloyd, 2020-12-01 A gripping collection that showcases twelve of the most famous prisoner of war escapes in the history of modern warfare Although these stories feature escapees of different nationalities ideologies and allegiances the reader will be captured by the common traits shared by all of these brave soldiers loyalty to country and cause tenacity resourcefulness and an abundant amount of courage Guide's Greatest Narrow Escape Stories Lori Peckham, 2008-05

Sometimes things happen that convince you Somebody's got your back You know those close calls that make your heart start racing or nearly stop Those nerve racking experiences that leave you in shock and relief that you made it through Those are the narrow escapes that make you realize that God is working overtime to keep you safe Here are the true stories of some astonishing narrow escapes that definitely involved help from Heaven How else could we explain these stories of survival Just imagine being held at gunpoint by two drunk men What about a car stuck on railroad tracks with a train fast approaching And just wait until you read about a frightening visit to a fortuneteller a raging bull running straight toward a girl and scuba divers trapped under a sheet of ice Whew There's nothing like a narrow escape to remind us that God is watching out for us

Escape or Die Paul Brickhill, 2021-08-05 Extraordinary times Extraordinary courage Here from the bestselling author of *The Great Escape* are eight true and startling escape stories from the Second World War The heroism of the servicemen who dared to defy their captors in this volume is matched only by that of the underground movements and ordinary civilians who helped the escapees in these stories of daring invention and doggedness against the odds From the account of the Spitfire pilot left for dead by an execution squad in Sicily to the story of the air gunner forced to blag his way across the Baltic every one is an unputdownable classic As long as there are prisons men will try to escape from them and as long as there is an RAF it will bring to the problems of escape the qualities of high resource pure cussedness and that indefinable damnably annoying refusal to lie down when dead of which all the stories in this book are such excellent and I think such exciting examples H E
