Escape from Hell's Corner E. Roy Hector, 2003-09-30 Gangs of bloodthirsty and ruthless outlaws terrorized the American Southwest before and after Mexico ceded the land now called Texas One such pack of thirty or forty cutthroats had what they thought was a perfectly impregnable hideout until a trio of U S Marshals was given the mission of bringing them to justice These marshals were no barroom toughs they d been brought up church going citizens and all three had been schooled in the art of self defense and survival The leader of this outlaw gang made a fatal mistake when he ordered a rancher s beautiful virgin daughter kidnapped His gunmen terrorized this beautiful maiden with a rattlesnake while threatening her with a life of abuse and humiliation at the hands of the outlaw boss The boss of this lawless low life gang of killers took great pride in using his blacksnake whip to maintain his unshakeable hold on his captives and even on the outlaws if they displeased him He and his gang killed for the thrill of watching the innocent die Members of this gang would lead the marshals on a chase throughout the Southwest and across the Rio Grande into Mexico leaving a bloody trail of robbery and death

Escape from Hell James McQuitty, 2019-02-08 Escape from Hell is a story of eternal hope It is based upon spirit communications from Antonio an Italian Victorian gentleman direct from the spirit world It is his story his testimony of what for him followed when he died or rather his physical body died It takes us right from the very first after death circumstances he faced to how he was guided and helped and through his own efforts helped himself and gradually began to climb the spiritual ladder to escape from hell Antonio gives us examples of what can and for all too many people does for them follow their Earth life It shows us how those people who live solely for themselves or morally corrupt cruel unjust harmful unforgiving and destructive or in any way evil lives find they have for themselves created nothing but miserable circumstances awaiting them when they first depart Earth life As for the communicator Antonio he tells us how inspired and motivated by his genuine love for Angelica beautiful soul still on Earth Antonio was gradually able to progress from darkness and misery to brighter and happier regions of spirit life from darkness into light So often it is only the brighter and happier regions of spirit life that we hear about Thousands of messages to this effect are relayed every week by mediums in Spiritualist demonstrations and services and at independent venues as well as during private sittings Loved ones

communicate to reassure those on Earth that life is eternal and that they are happy in the afterlife as it is so often called. Such communications tell us of happy reunions with family and friends with animals too and of the beautiful conditions in which they live and await us when our time comes. All this is fine and correct assuming one has led a reasonably decent and good life having been a caring and sharing and in one way or another kind compassionate and even a mere reasonably loving kind of person. Although we on Earth should be aware that the simple fact of believing in life after death guarantees us nothing. It certainly doesn't ensure one's transition to a higher and brighter spirit sphere. Many people say they believe in an afterlife and still live and behave in ways unbecoming to an evolved soul to say the least. By reading this book readers will discover that the initial fate of those who when on Earth lived the worst kind of lives and much much much more. They will also find an Appendix with corroborative material and links to spirit communications that they can themselves listen to and hear what those in spirit life have to say.

Ships from Hell Raymond Lamont-Brown, 2002-01-28 This is a new and frightening insight into Japanese atrocities in the Second World War. The horrific conditions aboard hellships at sea are revealed including the torture disease and massacre which characterised them.

Escape from Hell John Senay, 2015-02-19 In the history of Hell no mortal soul has ever escaped. Is history about to change? 28 year old Zo has it all: brains, beauty and a wealthy husband who worships her. But when her husband discovers her infidelity he murders her. A moment later she awakens on a dark beach surrounded by confused men and women as Hell begins to reveal itself to her. Meanwhile on a nearby cliff stands Cole, Satan's least favorite son. As punishment for his latest act of insubordination, Cole has been assigned the most menial of tasks: collect the newest arrivals. But as he witnesses Zo rushing away from the beach, he notices something strange about her: no mortal can run in Hell. As he catches up to her, he realizes something about her that even she is unaware of. A secret so amazing and rare that it must be shared with the population of Hell. Instead, Cole devises a plan to dethrone his father in order to take his place as ruler; he will help Zo escape from Hell. But as the denizens of Hell become aware of Zo's secret, a civil war erupts which could disrupt Cole's plan and change the very face of Hell forever.

Escape from God Dean Turner, 1991 **Escape from Hell** Rhonda Knutson, 2013-07-01 **To Die Before Death** M. R. Bawa Muhaiyaddeen, 1997 **Escape From Hell** Alfred Wetzler, 2007-04-01 A shocking account of Nazi genocide and the inhuman conditions in Auschwitz, but equally shocking is the initial disbelief with which the revelations were met. Alfred Wetzler was a true hero. His escape from Auschwitz and the

report he helped compile telling for the first time the truth about the camp as a place of mass murder led directly to saving the lives of 120 000 Jews No other single act in the Second World War saved so many Jews from the fate that Hitler and the SS had determined for them Sir Martin Gilbert Together with another young Slovak Jew Rudolf Vrba both deported in 1942 the author succeeded in escaping from the notorious death camp in the spring of 1944 There were some very few successful escapes from Auschwitz during the war but it was these two who smuggled out the damning evidence a ground plan of the camp constructional details of the gas chambers and crematoriums and most convincingly a label from a canister of Cyclone gas The book is cast in the form of a novel to allow information not personally collected by the two fugitives but provided for them by a handful of reliable friends to be included Nothing however has been invented From the Introduction by Dr Robert Rozett Wetzler is a master at evoking the universe of Auschwitz and especially his and Vrba s harrowing flight to Slovakia The day by day account of the tremendous difficulties the pair faced after the Nazis had called off their search of the camp and its surroundings is both riveting and heart wrenching Shining vibrantly through the pages of the memoir are the tenacity and valor of two young men who sought to inform the world about the greatest outrage ever committed by humans against their fellow humans
