**George W. Cable** Arlin Turner, 1966-03-01 George Washington Cable compared in his lifetime to Dickens and Daudet and praised in Moscow as a disciple of Turgenev was more than a local colorist of Creole days in New Orleans He was a crusader as well and a crusader for a dangerously unpopular cause Originally published in 1956 by Duke University Press this biography won the Charles S Sydnor Award given by the Southern Historical Association for the best book in Southern History over a two year period Edward A. Wild and the African Brigade in the Civil War Frances H. Casstevens, 2015-08-31 Edward Wild the controversial Union general who headed the all black African Brigade in the Civil War was one of the most loved and most hated figures of the 19th century The man was neither understood nor appreciated by military or civilian black or white Northerner or Southerner After enlisting at the outbreak of the war Wild was promoted to Brigadier General and placed in charge of the United States Colored Troops In fulfilling his assignment to free slaves and gain recruits he took three women as hostages and ordered a great deal of property destruction He freed hundreds perhaps thousands of slaves and settled them safely on Roanoke Island Wild then not only recruited the newly freed blacks but trained them and gave them the opportunity to prove their worth in battle Nobody it seems was happy about serving with them but the African Brigade performed courageously in several battles Wild did some inexplicable things Were his actions typical of the 19th century or did he act outside the norm Was the criticism he suffered from his fellow Union officers valid or was it due to personality conflicts Did he deserve to be arrested court martialled and even wiped from the history books or was he the victim of discrimination This work draws its answers from extensive research and includes many rare letters to and from Wild including one from one of the North Carolinian hostages *That St. Louis Thing, Vol. 1: An American Story of Roots, Rhythm and Race* Bruce R. Olson, 2016 That St Louis Thing is an American story of music race relations and baseball Here is over 100 years of the city s famed musical development blues jazz and rock placed in the context of its civil rights movement and its political and economic power Here too are the city s people brought alive from its foundation to the racial conflicts in Ferguson in 2014 The panorama of the city presents an often overlooked gem music that goes far beyond famed artists such as Scott Joplin Miles Davis and Tina Turner The city is also the scene of a historic civil rights movement that remained important from its early beginnings into the twenty first century And here too are the sounds of the crack of the bat during a century long love affair with baseball **Tales from the North and the South** Frances H. Casstevens, 2006-11-28 In June 1862 James J Archer was promoted to the rank of brigadier general by Robert E Lee Serving with distinction in prominent battles such as those at Bull Run Chancellorsville and Harpers Ferry this lawyer turned general earned not only the respect of his superiors but the esteem and admiration of his men Imprisoned first at Fort Delaware and then at Johnson s Island Archer was one of the First Fifty and as it turned out only officers to be part of a Confederate Union prisoner exchange Upon returning to the Confederacy Archer resumed command and served until his death from battle wounds in

October 1864 From doctors to lawyers and privates to generals this volume records the stories of a few special people such as General James Archer who chose to serve their country during the Civil War Twenty four individuals from both sides of the Mason Dixon line are remembered for their extraordinary and often little known contributions to the Confederate and Union causes These include Colonel Thomas Rose who was in charge of the Libby Prison tunnel Colonel John R Winston who was one of the few to escape from the Federal prison on Johnson s Island Sally Tompkins who ran a private hospital in Richmond and Sergeant Richard Kirkland who risked his life to take water to the Federal troops at Fredericksburg Other featured individuals include Susie Baker King Taylor Colonel Hector McKethan Dr Mary Walker and Richard Thomas Zarvona Contemporary sources include a variety of correspondence and diaries from these subjects and those who knew them Appendices contain a roll of participants in the Great Locomotive Chase a list of Federal prisoners who escaped through the Libby Prison tunnel a directory of Confederate officers on board the Maple Leaf and the history of the Congressional Medal of Honor and the Confederate Roll of Honor A number of contemporary photographs are also included

*Choctaw Confederates* Fay A. Yarbrough,2021-10-22 When the Choctaw Nation was forcibly resettled in Indian Territory in present day Oklahoma in the 1830s it was joined by enslaved Black people the tribe had owned enslaved Blacks since the 1720s By the eve of the Civil War 14 percent of the Choctaw Nation consisted of enslaved Blacks Avid supporters of the Confederate States of America the Nation passed a measure requiring all whites living in its territory to swear allegiance to the Confederacy and deemed any criticism of it or its army treasonous and punishable by death Choctaws also raised an infantry force and a cavalry to fight alongside Confederate forces In *Choctaw Confederates* Fay A Yarbrough reveals that while sovereignty and states rights mattered to Choctaw leaders the survival of slavery also determined the Nation s support of the Confederacy Mining service records for approximately 3 000 members of the First Choctaw and Chickasaw Mounted Rifles Yarbrough examines the experiences of Choctaw soldiers and notes that although their enthusiasm waned as the war persisted military service allowed them to embrace traditional masculine roles that were disappearing in a changing political and economic landscape By drawing parallels between the Choctaw Nation and the Confederate states Yarbrough looks beyond the traditional binary of the Union and Confederacy and reconsiders the historical relationship between Native populations and slavery

**What They Didn't Teach You About the Civil War** Mike Wright,2009-02-04 Instant coffee was invented during the Civil War for use by Union troops who hated it holding races between lice was a popular pastime for both Johnny Reb and Billy Yank 13% of the Confederate Army deserted during the conflict These are three of the hundreds of bits of knowledge that Mike Wright makes available in his informative and entertaining *What They Didn't Teach You About the Civil War* which focuses on the lives and ways of ordinary soldiers and of those they left behind

**Executing Daniel Bright** Barton A. Myers,2009-10-01 On December 18 1863 just north of Elizabeth City in rural northeastern North Carolina a large group of white Union officers and black enlisted troops under the command of Brigadier General Edward Augustus

Wild executed a local citizen for his involvement in an irregular resistance to Union army incursions along the coast Daniel Bright by conflicting accounts either a Confederate soldier home on leave or a deserter and guerrilla fighter guilty of plundering farms and harassing local Unionists was hanged inside an unfinished postal building The initial fall was not mortal and according to one Union soldier's account Bright suffered a slow death by strangulation his heart not ceasing to beat for twenty minutes Until now Civil War scholars considered Bright and the Union incursion that culminated in his gruesome death as only a historical footnote In *Executing Daniel Bright* Barton A Myers uses these events as a window into the wider experience of local guerrilla conflict in North Carolina's Great Dismal Swamp region and as a representation of a larger pattern of retaliatory executions and murders meant to coerce appropriate political loyalty and military conduct on the Confederate homefront Race political loyalties power and guerrilla violence all shaped the life of Daniel Bright and the home he died defending and Myers shows how the interplay of these four dynamics created a world where irregular military activity could thrive Myers opens with an analysis of antebellum slavery race relations slavery debates and the role of the environment in shaping the antebellum economy of northeastern North Carolina He then details the emergence of a rift between Unionist and Confederate factions in the area in 1861 the events in 1862 that led to the formation of local guerrilla bands and General Wild's 1863 military operation in Pasquotank Camden and Currituck counties He explores the local state regional and Confederate Congress's responses to the events of the Wild raid and specifically to Daniel Bright's hanging revealing the role of racism in shaping those responses Finally Myers outlines the outcome of efforts to negotiate neutrality and the state of local loyalties by mid 1864 Revising North Carolina's popular Civil War mythology Myers concludes that guerrilla violence such as Bright's execution occurred not only in the highlands or Piedmont region of the state's homefront rather local irregular wars stretched from one corner of the state to the other He explains how violence reshaped this community and profoundly affected the ways loyalties shifted and manifested themselves during the war Above all Myers contends Bright's execution provides a tangible illustration of the collapse of social order on the southern homefront that ultimately led to the downfall of the Confederacy *Microhistory at its finest Executing Daniel Bright* adds a thought provoking chapter to the ever expanding history of how Americans have coped with guerrilla war
