Escape Into Daylight:

Escape into Daylight Geoffrey Household, 2015-04-28 Two children held captive in a remote abandoned abbey must escape or die At first Mike believes he must be dreaming when he opens his eyes to total darkness But before long the awful truth becomes apparent He is being held captive somewhere underground by persons unknown At least he is not alone in this dank cold dungeonlike place a frightened young girl named Carrie is trapped there alongside him equally unsure of why she is there With no light food water or answers and no obvious way out their situation seems hopeless While Carrie is a city girl born and bred Mike is a resourceful boy at home in the English countryside and he refuses to let them die in this terrible place But escape may not be the end of the nightmare for the world surrounding them holds mysteries beyond their imaginings A prolific storyteller and peerless creator of page turning adventure Geoffrey Household has been praised by the New York Times for having helped to develop the suspense story into an art form With *Escape into Daylight* he demonstrates the wide range of his remarkable talents delivering an electrifying thriller that will appeal to readers of every age **Escape**

The Baby on the Fire Escape: Creativity, Motherhood, and the Mind-Baby Problem Julie Phillips, 2022-04-26. An insightful, provocative, and witty exploration of the relationship between motherhood and art for anyone who is a mother, wants to be, or has ever had one. What does a great artist who is also a mother look like? What does it mean to create not in a room of one's own but in a domestic space? In *The Baby on the Fire Escape*, award-winning biographer Julie Phillips traverses the shifting terrain where motherhood and creativity converge. With fierce empathy, Phillips evokes the intimate and varied struggles of brilliant artists and writers of the twentieth century: Ursula K. Le Guin found productive stability in family life; Audre Lorde's queer polyamorous union allowed her to raise children on her own terms; Susan Sontag became a mother at nineteen; Angela Carter, at forty-three, these mothers had one child or five or seven. They worked in a studio, in the kitchen, in the car, on the bed, at a desk, with a baby carrier beside them. They faced judgement for pursuing their creative work. Doris Lessing was said to have abandoned her children, and Alice Neel's in-laws falsely claimed that she once to finish a painting left her baby on the fire escape of her New York apartment. As she threads together vivid portraits of these pathbreaking women, Phillips argues that creative motherhood is a question of keeping the baby on that apocryphal fire escape, work and care held in a constantly renegotiated, provisional, productive tension. A meditation on maternal identity and artistic greatness, *The Baby on the Fire Escape* illuminates some of the most pressing conflicts in contemporary life.

Masanobu Tsuji's 'Underground Escape' from Siam after the Japanese Surrender Nigel Brailey, 2011-10-30. First published in English in 1952, this is an account by the notorious Colonel Tsuji of his escape through Thailand. Siam supposedly dressed as a Buddhist monk following the Japanese surrender in Bangkok in August 1945, subsequently Tsuji was to find his way into China via Hanoi before returning to Japan in 1948. It is a remarkable story which includes significant analysis of Japan's relationship with Thailand and the latter's role in Asia, as well as Tsuji's experiences in Kuomintang China. In his Introduction, Nigel Brailey states: "Tsuji Masanobu is at one and the same time one of the most interesting and preposterous figures of the entire Japanese war, which if you rely on his own megalomaniac accounts he waged almost single-handed." This is an important book which has been carefully edited with supporting annotations and has its place in the military history of the period. Controversially, Colonel Tsuji, who according to Louis Allen was responsible for unspeakable atrocities in Singapore and elsewhere during the Pacific War, was never prosecuted for war crimes.
