Anne Sharp Wells

Escaping The Holocaust Illegal Immigration To The Land Of Israel 1939 1944:

Escaping the Holocaust Dalia Ofer,1990 Illegal Jewish immigration prior to the founding of the State of Israel forms one of the most fascinating chapters in the history of Zionism and modern Jewish history This volume focuses on what has become known as the final phase in the history of the Holocaust Immigrants in Turmoil Dvora Hacohen, 2003-04-01 May 1948 a dramatically reborn Israel put out the call for Jews to return to their new homeland Between 1948 and 1951 over one million Jews from disparate nations across the world converge upon Israel doubling its population and creating a unique exhilarating socio cultural quilt But ramifications upon Israeli society and nationhood would be profound and long lasting The new immigrants who were granted citizenship and the right to vote upon their arrival in Israel had an immense impact on Israeli politics The relationship that developed then between immigrants and veteran Israelis left their mark on society and culture creating fault lines that have deepened over the years the ethnic rift between Jews of European extraction and those from Islamic countries the rupture between religious and secular Jews and the socio economic polarization that ensued from these rifts Most stunningly Dvora Hacohen uncovers revelations about the inconsistency between grand ambitions to activate an ingathering of exiles and the nation s ability to handle such an event She argues that the tidal wave of immigration in 1948 was not spontaneous as supposed and Jewish agency executives and government officials favored gradual selective immigration over the open door policy that prevailed She also explores the fate of Palestinian Jews and the roles played by various internal and global factions and adverse Arab neighbors **Jewish Responses to Persecution: 1938-1940** Jürgen Matthäus, Mark Roseman, Alexandra Garbarini, Emil Kerenji, Jan Lambertz, Avinoam Patt, 2010 Volume II begins with Kristallnacht in 1938 and continues through Jewish flight out of Germany the onset of World War II the forced relocation of the Jews of Europe to the East and the formation of Jewish ghettos particularly in Poland **Iewish Responses to** Persecution: 1938-1940 Alexandra Garbarini, 2011-08-16 Published in association with the United States Holocaust Memorial Museum Jewish Responses to Persecution Volume II 1938 1940 is the second volume of the five volume set within the series Documenting Life and Destruction Holocaust Sources in Context This volume brings together in an accessible historical narrative a broad range of documents including diaries letters speeches newspaper articles reports Jewish identity cards and personal photographs from Jews in Nazi dominated Europe and beyond Europe s borders The volume skillfully illuminates the daily lives of a diverse range of Jews who suffered under Nazism their coping strategies and their efforts to assess the implications for the present and future of the persecution they faced during this period Volume II begins with Kristallnacht in 1938 and continues through the Jewish flight out of Germany the onset of World War II the forced relocation of the Jews of Europe to the East and the formation of Jewish ghettos particularly in Poland The twelve chapters divided into four parts track the trajectory of German expansion and anti Jewish policies chronologically attesting to a clear progression of persecution over time and space At the same time they reflect the vast differences in the responses of Jewish communities

groups and individuals within and beyond the Germans grasp differences that resulted both from the unevenness of the Reich s policy toward Jews as well as the varied backgrounds traditions expectations and life histories of Jews affected by German policy This volume raises essential questions such as What was the spectrum of Jewish perceptions and actions under Nazi domination How did Jews affected directly or others standing on the outside view the situation In what ways were Jews able to influence their own fate under persecution What role did Jewish tradition play in how the present and future were interpreted The answers inherent in the documents are often varied or inconclusive nonetheless these sources add considerably to our understanding of the Holocaust I Am Your Dust Gali Drucker Bar-Am, 2024-11-05 Israel s cultural space is frequently studied as if it were synonymous with the Hebrew Israeli one But within the borders of Israel a fascinating culture was and continues to be created in many languages other than Hebrew reflecting its reality from angles that the makers of Hebrew Israeli culture did not know and all too often lacked the tools to express I Am Your Dust Representations of the Israeli Experience in Yiddish Prose 1948 1967 expands the boundaries of current studies of Israel s cultural history by presenting and analyzing Yiddish Israeli prose written during the country's first two decades as an independent state It offers a comprehensive study of that unique and hitherto little understood literature a detailed historical documentation of the contexts of its production and an eye opening comparison of its themes to the more familiar outputs of Hebrew Israeli prose I Am Your Dust is the first socioliterary investigation of Yiddish Israeli culture and it explores how Yiddish Israeli writers played a vital role in shaping the country's cultural identity in its early years **Iewish Responses to** Persecution: 1941-1942 Jürgen Matthäus, 2013-04-18 Published in association with the United States Holocaust Memorial Museum Jewish Responses to Persecution 1941 1942 is the third volume in a five volume set published in association with the United States Holocaust Memorial Museum that offers a new perspective on Holocaust history Incorporating historical documents and accessible narrative this volume sheds light on the personal and public lives of Jews during a period when Hitler's triumph in Europe seemed assured and the mass murder of millions had begun in earnest The primary source material presented here including letters diary entries photographs transcripts of speeches newspaper articles and official memos and reports makes this volume an essential research tool and curriculum companion The Cambridge World History of Genocide: Volume 3, Genocide in the Contemporary Era, 1914-2020 Ben Kiernan, Wendy Lower, Norman Naimark, Scott Straus, 2023-05-04 Volume III examines the most well known century of genocide the twentieth century Opening with a discussion on the definitions of genocide and ethnic cleansing and their relationships to modernity it continues with a survey of the genocide studies field racism and antisemitism The four parts cover the impacts of Racism Total War Imperial Collapse and Revolution the crises of World War Two the Cold War and Globalization Twenty eight scholars with expertise in specific regions document thirty genocides from 1918 to 2021 in Europe the Middle East Africa Asia and Latin America The cases range from the Armenian Genocide to Maoist China from the Holocaust to Stalin s Ukraine

from Indonesia to Guatemala Biafra Bangladesh Cambodia Bosnia and Rwanda and finally the contemporary fate of the Rohingyas in Myanmar and the ISIS slaughter of Yazidis in Iraq The volume ends with a chapter on the strategies for The Making of Eretz Israel in the Modern Era Yehoshua Ben-Arieh, 2020-03-09 genocide prevention moving forward Napoleon's invasion of the Middle East marks the beginning of the modern era in the region This book traces the developments that led to the making of a new and separate geographical political entity in the Middle East known as Eretz Israel and the establishment of the State of Israel within its bounds Thus its time frame runs from Napoleon s invasion of Eretz Israel Palestine in 1799 to the establishment of Israel in 1948 1949 Eretz Israel as the formal name of a separate entity in the modern era first appeared in the early translations into Hebrew of the Balfour Declaration while in the original document the country was referred to as Palestine During the period of Ottoman rule the territory that would in time be called Eretz Israel Palestine was not a separate political unit Among Jews use of Eretz Israel increased only after the beginning of Zionist aliyot Had the Zionist movement not arisen it is doubtful whether the development to which this study is devoted would have occurred The motivating force behind that process is without doubt the Zionist element That is why Jews are the major protagonists in this book My Mother's Wars Lillian Faderman, 2015-07-14 An acclaimed writer on her mother's tumultuous life as a Jewish immigrant in 1930s New York and her life long guilt when the Holocaust claims the family she left behind in Latvia A story of love war and life as a Jewish immigrant in the squalid factories and lively dance halls of New York's Garment District in the 1930s My Mother's Wars is the memoir Lillian Faderman's mother was never able to write The daughter delves into her mother's past to tell the story of a Latvian girl who left her village for America with dreams of a life on the stage and encountered the realities of her new world the battles she was forced to fight as a woman an immigrant worker and a Jew with family left behind in Hitler's deadly path The story begins in 1914 Mary the girl who will become Lillian Faderman's mother just seventeen and swept up with vague ambitions to be a dancer travels alone to America where her half sister in Brooklyn takes her in She finds a job in the garment industry and a shop friend who teaches her the thrills of dance halls and the cheap amusements open to working class girls This dazzling life leaves Mary distracted and her half sister and brother in law scandalized that she has become a good time gal They kick her out of their home an event with consequences Mary will regret for the rest of her life Eighteen years later still barely scraping by as a garment worker and unmarried at thirty five Mary falls madly in love and has a torrid romance with a man who will never marry her but who will father Lillian Faderman before he disappears from their lives America is in the midst of the Depression Hitler is coming to power in Europe and New York's garment workers are just beginning to unionize Mary makes tentative steps to join despite her lover s angry opposition As National Socialism engulfs Europe Mary realizes she must find a way to get her family out of Latvia and she spends frenetic months chasing vague promises and false rumors of hope Pregnant again after having submitted to two wrenching back room abortions and still unmarried Mary faces both single motherhood and the devastating

possibility of losing her entire Eastern European family Drawing on family stories and documents as well as her own tireless research Lillian Faderman has reconstructed an engrossing and essential chapter in the history of women of workers of Jews and of the Holocaust as immigrants experienced it from American shores Palestinian Refugees in International Law Francesca P. Albanese, Lex Takkenberg, 2020-05-21 The Palestinian refugee question resulting from the events surrounding the birth of the state of Israel seventy years ago remains one of the largest and most protracted refugee crises of the post WWII era Numbering over six million in the Middle East alone Palestinian refugees status varies considerably according to the state or territory hosting them the UN agency assisting them and political circumstances surrounding the Israeli Palestinian conflict these refugees are naturally associated with Despite being foundational to both the experience of the Palestinian refugees and the resolution of their plight international law is often side lined in political discussions concerning their fate This compelling new book building on the seminal contribution of the first edition 1998 offers a clear and comprehensive analysis of various areas of international law including refugee law human rights law humanitarian law the law relating to stateless persons principles related to internally displaced persons as well as notions of international criminal law and probes their relevance to the provision of international protection for Palestinian refugees and their quest for Studies in Contemporary Jewry: X: Reshaping the Past Jonathan Frankel, 1995-03-30 This brilliant collection of essays examines the dialogue between Jewish history and historiography in terms of changing national and popular myths folk memory and historical consciousness of Jews in modern times From essays dealing with the origins of Jewish historiography in the nineteenth century to its contemporary perspectives and methodologies this book provides a great overview and varied insights into the field **The Final Solution** David Cesarani, 2002-09-11 The Final Solution clarifies the key questions surrounding the attempt by the Nazis to exterminate the Jews Drawing on important new research these authoritative essays focus on the preconditions and antecedents for the Final Solution and examine the immediate origins of the genocidal decision Contributors also examine the responses of peoples and governments in Germany occupied Europe the USA and among Jews worldwide The controversial conversions of this study challenge many of our accepted ideas about the period Israel S. Ilan Troen, Noah Lucas, 2012-02-01 Israel presents a panoramic display of fresh interpretations and new research findings related to Israel s first decade of independence Those years of rapid change are widely regarded as a formative period in the development of the state and the society As new archival materials have become available for scrutiny a new generation of historians and social scientists has begun to re examine old issues and to raise new questions In this context of academic ferment scholars in diverse disciplines of different generations and of opposing ideological orientations have collaborated in this book in examining the period anew Thirty two authoritative essays offer new understandings from the diverse perspectives of history political science sociology literary criticism geography anthropology and law The intention is to provide a wide ranging reconsideration of post independence Israel that will serve as a

benchmark for future study and research A Companion to Nazi Germany Shelley Baranowski, Armin Nolzen, Claus-Christian W. Szejnmann, 2018-06-18 A Deep Exploration of the Rise Reign and Legacy of the Third Reich For its brief existence National Socialist Germany was one of the most destructive regimes in the history of humankind Since that time scholarly debate about its causes has volleyed continuously between the effects of political and military decisions pathological development or modernity gone awry Was terror the defining force of rule or was popular consent critical to sustaining the movement Were the German people sympathetic to Nazi ideology or were they radicalized by social manipulation and powerful propaganda Was the Final Solution the motivation for the Third Reich's rise to power or simply the outcome A Companion to Nazi Germany addresses these crucial questions with historical insight from the Nazi Party s emergence in the 1920s through its postwar repercussions From the theory and context that gave rise to the movement through its structural cultural economic and social impacts to the era's lasting legacy this book offers an in depth examination of modern history s most infamous reign Assesses the historiography of Nazism and the prehistory of the regime Provides deep insight into labor education research and home life amidst the Third Reich's ideological imperatives Describes how the Third Reich affected business the economy and the culture including sports entertainment and religion Delves into the social militarization in the lead up to war and examines the social and historical complexities that allowed genocide to take place Shows how modern day Germany confronts and deals with its recent history Today's political climate highlights the critical need to understand how radical nationalist movements gain an audience then followers then power While historical analogy can be a faulty basis for analyzing current events there is no doubt that examining the parallels can lead to some important questions about the present Exploring key motivations environments and cause and effect this book provides essential perspective as radical nationalist movements have once again reemerged in many parts of the world

Antisemitism and Anti-Zionism in Turkey Efrat Aviv,2017-02-17 This book examines the place Antisemitism occupies within Turkish history and society especially since the rise of the AKP It also elucidates and analyses the various actors factors and changes that the term and the phenomena Antisemitism have gone through Additionally the book presents the Turkish regime s relations attitude and approach toward the Turkish Jewish community in Turkey **Resisters*, Rescuers*, and **Refugees** John J. Michalczyk,1997-09 Fifty years after World War II critical issues of this international conflict still haunt our society today in business war crimes trials and international relations This text focuses on the historical issues of Christian rescue of Jews resistance to Nazi oppression and the plight of the refugee in light of current problems facing us The essays in this book from nationally and internationally known scholars reveal that the Holocaust was not only a Jewish tragedy but an epic human tragedy as well one that has indelibly scarred the collective soul of twentieth century society As these scholars and witnesses provide insights into the historical context of World War II and the Holocaust they also assist us in regulating the future behavior of ourselves our country and our world **Historical Dictionary of World War II Anne**

Sharp Wells, 2013-12-24 This dictionary covers the complex and costly conflict that began when Germany ruled by Adolf Hitler and the Nazi Party invaded neighboring Poland on 1 September 1939 and concluded when Germany surrendered on 7 9 May 1945 leaving much of the European continent in ruins and its population devastated The war against Germany Italy and the other European Axis members was fought primarily in Europe the Mediterranean the Middle East East and North Africa and the Atlantic Ocean The Axis powers were defeated by the Allies led by the Grand Alliance of Great Britain the United States and the Union of Soviet Socialist Republics The Historical Dictionary of World War II The War against Germany and Italy relates the history of this war through a chronology an introductory essay maps and photos and an extensive bibliography The dictionary section has more than 300 cross referenced entries on the countries and geographical areas involved in the war as well as the nations remaining neutral wartime alliances and conferences significant civilian and military leaders and major ground naval and air operations This book is an excellent access point for students researchers and anyone wanting to know more about World War II History Of Zionism Hershel Edelheit, 2019-09-19 This handbook and dictionary aims to provide the reader with a general overview of Zionist history and historiography to tabulate all data on Zionism and to gather in one source as many terms dealing directly or indirectly with Zionism and Jewish nationalism as Handbook on the History and Culture of the Black Sea Region Ninja Bumann, Kerstin S. Jobst, Stefan possible Rohdewald, Stefan Troebst, 2024-12-30 Following the annexation of Crimea by the Russian Federation in spring 2014 160 years after the Crimean War and the full scale invasion of Ukraine in February 2022 the Black Sea region has again become the focus of world history In this handbook international scholars from various historical and cultural disciplines provide deep historical insights into the structures of conflict cooperation and interrelations between the Balkans the Middle East the Caucasus and Eastern Europe in the space referred to as the Black Sea world The trans maritime communication and intra regional circulations spanning from Antiquity to the present day via Byzantium the Polish Lithuanian Commonwealth the Crimean Khanate the Venetian Safavid Ottoman and Romanov empires two World Wars and the Cold War highlight the autonomy of this historical region in the larger transcontinental setting designated in various times and varying languages as the Pontus Euxinus the Mare Maggiore the Kara Deniz the Chernoe More or the Black Sea This voluminous edition sheds real light upon the history of the Black Sea region from antiquity until the end of the 20th century Not only does this first rate book provide a host of excellent historical essays across time it also devotes considerable attention to important questions regarding how the Black Sea region is conceptualized and theorized A very useful contribution James H Meyer Montana State University In the wake of several research projects monographs and journals this is the first groundbreaking handbook on the cohesive history of the Black Sea as a historical meso region It gathers 39 excellent contributions that provide the conceptual apparatus survey the history of the region from a Greek to Byzantine to Ottoman lake to conflicting rivalries to its recent transformation from a quasi Soviet to a quasi NATO lake examine the ideas that underpin the various national ethnic

and religious identities research the different mobilities through migration transport infrastructure and take stock of its turbulent history through conflicts and war Maria Todorova University of Illinois at Urbana Champaign Mostly the work of scholars from Central Europe and the Black Sea region this massive volume focuses on the relationship between historical research and memory in particular the difficulty of certain groups living in the region when confronted with empires and nation states whose centers may be quite distant from the Black Sea Attentive readers may thus view the present handbook not merely as a work of reference on history memory and movement but also as a testimony to the historical perspectives developed by a significant number of Central European and Black Sea scholars during the first guarter of the twenty first century Suraiya Faroqhi Ibn Haldun University Istanbul <u>Jewish Responses to Persecution: 1942-1943 Emil</u> Kerenii, 2014-10-10 Published in association with the United States Holocaust Memorial Museum With its unique combination of primary sources and historical narrative this volume provides an important new perspective on Holocaust history Covering the peak years of the Nazi Final Solution it traces the Jewish struggle for survival which became increasingly urgent in this period including armed resistance and organized escape attempts Shedding light on personal and public lives of Jews the book provides compelling insights into a wide range of Jewish experiences during the Holocaust Jewish individuals and communities suffered through this devastating period and reflected on the Holocaust differently depending on their nationality personal and communal histories and traditions political beliefs economic situation and other circumstances The rich spectrum of primary source material collected including letters diary entries photographs transcripts of speeches and radio addresses newspaper articles drawings and institutional memos and reports makes this volume an essential research tool and curriculum companion
