Escaping Darkness:

Escaping the Darkness Cornell Bunting, 2021-06-17 Arising from the depths of darkness in a jail cell to discovering his purpose through adversity Cornell shows the way to never surrender embrace life's challenges and rise again **Irish Mormons** Hazel O'Brien, 2023-06-06 The Church of Jesus Christ of Latter-day Saints is one of the international religions that have arrived from abroad to find adherents in Ireland Drawing on fieldwork in two LDS communities Hazel O'Brien explores how these adherents experience the Church in Ireland against the backdrop of the country's increasingly complex religious identity Irish Latter-day Saints live on the margins of the nation's religious life and the worldwide LDS movement Nonetheless they create a sense of belonging for themselves by drawing on collective memories of both their Irishness and their faith As O'Brien shows Irish Latter-day Saints work to shift the understanding of Ireland's religious landscape away from a predominant focus on Roman Catholicism They also challenge Utah-based constructions of Mormonism in order to ensure their place in the Church's powerful religious and cultural lineage Examining the Latter-day Saint experience against one nation's rapid social and religious changes *Irish Mormons* blends participant observation and interviews with analysis to offer a rare view of the Latter-day Saints in contemporary Ireland

Classical Reception and Children's Literature Owen Hodgkinson, Helen Lovatt, 2018-01-30 Reception studies have transformed the classics Many more literary and cultural texts are now regarded as valid for classical study And within this process of widening children's literature has in its turn emerged as being increasingly important Books written for children now comprise one of the largest and most prominent bodies of texts to engage with the classical world with an audience that constantly changes as it grows up This innovative volume wrestles with that very characteristic of change which is so fundamental to children's literature showing how significant the classics as well as classically inspired fiction and verse have been in tackling the adolescent challenges posed by metamorphosis Chapters address such themes as the use made by C.S. Lewis in *The Horse and his Boy* of Apuleius' *The Golden Ass* how Ovidian myth frames the Narnia stories classical nonsense in Edward Lear's Pan as a powerful symbol of change in children's literature for instance in *The Wind in the Willows* the transformative power of the Orpheus myth and how works for children have handled the teaching of the classics
