Eschatologie Im Alten Testament:

Eschatologie im Alten Testament Horst Dietrich Preuss, 1978 Newness in Old Testament Prophecy Henk Leene, 2013-10-24 In *Newness in Old Testament Prophecy An Intertextual Study* Henk Leene examines the relations between the new song raised in the Psalms the new things concealed in Deutero Isaiah the new heaven and the new earth announced in Trito Isaiah Ezekiel's new heart and the new spirit and the envisioned new creation and new covenant in Jeremiah Where these promises were mainly linked form critically Henk Leene assumes their direct literary relations In what direction does the one promise allude to the other and how do such allusions draw us into a continuing intertextual dialogue on Israel's expectations about the future Most challenging is Leene's conclusion that Jeremiah's promise of the new covenant presumes the newness passages from both Ezekiel and Isaiah **Old Testament Theology, Volume II** Horst Dietrich

Oh, That You Would Rend the Heavens and Come Down! Abraham Sung-Ho Oh, 2015-02-26 Historical critical scholars have often thought that writing a coherent theology of Isaiah 56 66 is impossible because it contains such historically and ideologically diverse materials A canonical approach to the chapters is however open to considering Third Isaiah as a complex but coherent theological unity Leaning on this approach Abraham Oh constructs a theology of Isaiah 56 66 Arguing that the theology of Third Isaiah has eschatology both prophetic and apocalyptic at its core he identifies four major themes and explores their significance through four key texts 56 1 8 59 15b 21 60 1 22 65 13 25 The covenant concept 56 1 8 forms a framework for the eschatology in these chapters People are invited to walk in the covenant which is worked out as eschatological salvation The coming of YHWH as the Divine Warrior initiates the eschatological era 59 15b 21 and bringing judgment restores the covenant As the Temple city paradise 60 1 22 into which the nations flow the glorified Zion is the eschatological fulfilment of the covenant Zion and Servant traditions The New Heavens and Earth 65 13 25 is a return to the primordial paradise where the natural world is restored as the problem of sin is resolved **Das Testament der Zeit**

Dramatic Theory, Vol. 5 Hans Urs von Balthasar, 1988-01-01 This is the final volume of this series on theological dramatic

theory by the great 20th century theologian Balthasar This series is the second part of Balthasar's trilogy on the good the beautiful and the true which is his major work The first series in the trilogy is The Glory of the Lord and following this Theo Drama series will be Theo Logic In this series the good has been the focus Balthasar maintains that it is in the theater that man attempts a kind of transcendence to observe and to judge his own truth about himself He sees the phenomenon of theater as a source of fruitfulness for theological reflection on the cosmic drama that involves earth and heaven This fifth volume is trinitarian focusing on the mystery of God He draws heavily on Scripture and many passages from the works of the mystic Adrienne von Speyer Some of the topics covered include A Christian Eschatology The World is from the Trinity Earth moves Heavenward The Final Act A Trinitarian Drama *Old Testament Theology* Hermann Schultz, 1892 *Der Gesalbte* Ernst-Joachim Waschke, 2013-02-06 Der Band vereinigt Arbeiten des Autors zur Messiasvorstellung im Alten Testament vor allem eine vllige Neubearbeitung seiner bisher unverffentlichten Habilitationsschrift von 1986 und weitere Aufs tze unter anderem zur Anthropologie und zum Verh ltnis von Theologie und Religionsgeschichte im Alten Testament **Theological encyclopædia and methodology** Karl Rudolf Hagenbach, John Fletcher Hurst, 1884 *The End of the Psalter* Alma Brodersen, 2017-06-26 Psalms 146 150 sometimes called Final Hallel or Minor Hallel are often argued to have been written as a literary end of the Psalter However if sources other than the Hebrew Masoretic Text are taken into account such an original unit of Psalms 146 150 has to be questioned The End of the Psalter presents new interpretations of Psalms 146 150 based on the oldest extant evidence the Hebrew Masoretic Text the Hebrew Dead Sea Scrolls and the Greek Septuagint Each Psalm is analysed separately in all three sources complete with a translation and detailed comments on form intertextuality content genre and date Comparisons of the individual Psalms and their intertextual references in the ancient sources highlight substantial differences between the transmitted texts The book concludes that Psalms 146 150 were at first separate texts which only in the Masoretic Text form the end of the Psalter It thus stresses the importance of Psalms Exegesis before Psalter Exegesis and argues for the inclusion of ancient sources beyond to the Masoretic Text to further our understanding of the Psalms *Congress Volume Bonn 1962* G.W.
