year 1700 2000 A D and beyond Two of these Antichrists dominated the human race culminating spiritual forces into the Third Antichrist the One who will fully incarnate the supernatural forces of Satan ultimately torturing humanity in the final war against God bringing the End of Days From the Author Newscasters know the importance of the emotional spiritual physical and mental aspects of life as they combine all of these qualities to make the news appealing to the masses The recording of history has none of the reality of these combined elements that help us understand the fullness of life Likewise the writings of Nostradamus have never been fully understood because interpreters have not been able to incorporate true wisdom which is the ability to bring forth the divine message in the fullest emotional spiritual physical and mental realities

*Nostradamus & the Millennium* John Hogue, 1987 Offers an interpretation of Nostradamus s prophecies that specifically focus on the latter part of the twentieth century and the coming millennium
