The Hope and Despair of Human Bioenhancement Paschal M. Corby,2019-12-23 The Hope and Despair of Human Bioenhancement is a virtual dialogue between Transhumanists of the Oxford School and the thought of Joseph Ratzinger Set in the key of hope and despair it considers whether or not the transhumanist interpretation of human limitations is correct and whether their confidence in the methods of human enhancement especially through biotechnology corresponds to genuine hope To this end it investigates the philosophical foundations of transhumanism in modernity s

rejection of metaphysics the triumph of positivism and the universalism of the theory of evolution which when applied to anthropology becomes the materialist reduction of the human person Ratzinger calls into question this absolutization of positive reason and its limitation of hope to what human beings can produce naming it a pathology of reason a mutilation of human dignity and a failure of a world without hope In its place he offers a richer concept of hope that acknowledges our contingency and limitations

Real Philosophy for Real

People Robert McTeigue, 2020-08-24 The philosopher Paul Weiss once observed Philosophers let theories get in the way of what they and everyone else know For many the very word philosophical has become all but synonymous with impractical Yet whether we like it or not almost every corner of our lives from dissertation writing to channel surfing brings us face to face with competing philosophies and world views each claiming to tell us definitively what it means to be human How can we know which one is right And what difference does it make To Robert McTeigue SJ it makes every difference in the world Consciously or not we all have a world view and it decides how we live In this book McTeigue gives a funny and invigorating crash course in practical logic metaphysics anthropology and ethics equipping readers with a tool kit for breaking down and evaluating the thought systems some good some toxic that swirl around us and even within us In McTeigue classical philosophy finds a contemporary voice accessible to the layman and engaging to the scholar Real Philosophy for Real People is an answer to those philosophies that prize theory over truth to any metaphysics that cannot account for itself to anthropologies that are unworthy of the human person and to ethical systems that reduce the great dignity and destiny of the human person As the author insists A key test of any philosophy is Can it be lived With Thomas Aquinas this book teaches not

1 & 2 Timothy and Titus Thomas G. Long,2016-01-28 Thomas G Long's insightful commentary on the Pastoral Epistles argues that these often neglected letters are urgently important for readers today Some of the issues faced by New Testament churches are ours as well the lure and peril of spirituality for Christians the character of authentic worship the qualities needed for sound leadership and the relationship between family life and the church Long's interpretations of these books consider contemporary exegetical and theological outlooks and are presented through his seasoned homiletical and pastoral perspectives Pastors will be strengthened by Long's view that the Pastoral Epistles can refresh our memory about what really counts in the Christian community and how important trustworthy leaders are

Diario de lectura de los Escolios de Nicolás Gómez Dávila Ernesto Volkening, Alfredo Abad, Francia Goenaga, Efrén Giraldo, 2023-11-21 En mayo de 1973 Ernesto Volkening recibió de Nicolás Gómez Dávila un legajo con los textos individuales que fueron publicados cuatro años después con el título *Escollos* a un texto implícito. Inicio la lectura de los *Escollos* hoy el día 24 de mayo de 1973 escribió Volkening. Y a un tiempo empiezo a tomar los apuntes con los cuales me propongo llenar este cuaderno y tal vez otros. A los pocos meses a modo de homenaje y respuesta Volkening le presentó a Gómez Dávila los cinco cuadernos en que transcribió y comentó los escolios que despertaron su interés. Ahora cuando ya toca a su fin el hermoso viaje que me fue permitido hacer en su compañía me pregunto qué pueda decirle para traducir en términos sinceros justos y adecuados mi íntima convicción de haberle dejado un opus magnum. Un diario de lectura una conversación de la inteligencia un comentario crítico de largo aliento un diálogo dentro de una biblioteca compartida obra nica que complementa otra obra nica. Estos cuadernos son el fruto de la labor de lector atento y discreto de uno de los lectores más atentos y discretos del siglo XX en Colombia. La presente edición que consta de dos volúmenes recoge el texto íntegro de los cinco cuadernos respetando la disposición del original e incluye una comparación exhaustiva de los escolios transcritos en los cuadernos con los que se publicaron posteriormente en la primera edición de Colcultura 1977. Puesto que varios de los escolios que Volkening transcribió son individuales o presentan divergencias importantes con respecto a los que luego pasaron a imprenta estos cuadernos no solo revelan el agudo intelectual que fue Ernesto Volkening sino que son una ventana privilegiada al taller de escritura del maestro aforista Nicolás Gómez Dávila.
