Introducing Anthropology of Religion Jack David Eller, 2007-08-07 This lively and readable survey introduces students to key areas of the field and shows how to apply an anthropological approach to the study of contemporary world religions Written by an experienced teacher it covers all of the traditional topics of anthropology of religion including definitions and theories beliefs symbols and language and ritual and myth and combines analytic and conceptual discussion with up to date ethnography and theory Eller includes copious examples from religions around the world both familiar and unfamiliar and two mini case studies in each chapter He also explores classic and contemporary anthropological contributions to important but often overlooked issues such as violence and fundamentalism morality secularization religion in America and new religious movements Introducing Anthropology of Religion demonstrates that anthropology is both relevant and essential for understanding the world we inhabit today

Human Natures Paul R. Ehrlich, 2001-12-31 Why do we behave the way we do Biologist Paul Ehrlich suggests that although people share a common genetic code these genes do not shout commands at us at the very most they whisper suggestions He argues that human nature is not so much result of genetic coding rather it is heavily influenced by cultural conditioning and environmental factors With personal anecdotes a well written narrative and clear examples Human Natures is a major work of synthesis and

scholarship as well as a valuable primer on genetics and evolution that makes complex scientific concepts accessible to lay readers

Native Arts Of North America, Africa, And The South Pacific George A. Corbin, 2018-05-04 This introduction to the art of tribal peoples of North America Africa and the South Pacific does not briefly cover the hundreds of artistic traditions in these three vast areas but rather studies in depth thirty six art styles within all three areas using the methods of art history including stylistic analysis and iconographic interpretation Emphasis is on the art in cultural context and as a system of visual communication within each tribal area Where appropriate for a more complete understanding of the art data from archaeology ethnology linguistics religion and other humanistic disciplines are included Among the peoples and cultures whose art is studied are the Haida Kwakiutl and Tlingit the Hohokam and Mongollon the Anasazi and Hopi the Dogon and Bamana of Mali the Asante of Ghana the Benin Yoruba and Ibo of Nigeria the Fan the Bamum and the Kuba of Central Africa Australian aboriginal and Island New Guinea art Island Melanesia art central and eastern Polynesia Hawaii and the Maori in Marginal Polynesia The format of the text and selected illustrations is based on seventeen years of teaching African North American Indian and South Pacific art to undergraduate and graduate students at Herbert H Lehman College CUNY New York University and Columbia University The book is intended for art history and anthropology students and the interested lay reader or collector The detailed notes at the end of the book are for further study research and understanding of the tribal art style under discussion

Enjoying the Song of Phrase: An Psychological Symphony within **Eskimo Masks Art And Ceremony**

In a world used by monitors and the ceaseless chatter of instant transmission, the melodic elegance and emotional symphony developed by the published word usually fade into the background, eclipsed by the persistent sound and interruptions that permeate our lives. However, set within the pages of **Eskimo Masks Art And Ceremony** a marvelous fictional prize overflowing with raw feelings, lies an immersive symphony waiting to be embraced. Constructed by a wonderful musician of language, that interesting masterpiece conducts viewers on an emotional journey, well unraveling the hidden melodies and profound affect resonating within each carefully constructed phrase. Within the depths of this touching analysis, we shall examine the book is central harmonies, analyze its enthralling writing design, and surrender ourselves to the profound resonance that echoes in the depths of readers souls.
