Esoteric Orders and Their Work Dion Fortune, 2019 *Esoteric Orders and Their Work* Dion Fortune, 2000-08-13 From the British occultist and author a classic study of what esoteric orders are and what they can offer initiates People have been interested in secret traditions since the beginning of time Fraternal brotherhoods and sisterhoods and secret orders of varying degrees exist in every country race and religion In *Esoteric Orders and Their Work* author Dion Fortune gets to the root of exactly what esoteric orders are leaving no stone unturned The chapter Esotericism Occultism and Mysticism defines what esotericism is in relation to exotericism in layman's terms the inner life versus the outer one In The Origin of the Mysteries she looks at how esotericism grew hand in hand with the evolution of humankind discussing how humans evolved from a group soul still present in animals today i.e. packs of wolves into a singular soul The Paths of the Western Tradition is a discussion on the different schools that have developed known as Rays and how students after having formed a solid base of knowledge work through each ray on their way to becoming closer to an esoteric ideal She expounds upon Masters in The Evolution and Functions of the Masters We discover that they are not so much superhuman entities as beings who have learned all they need to know on the physical plane and now teach from the ethereal Chapters such as The Right and Left Hand Paths and The Use and Power of Ritual explain the differences between Black and White Occultism and how long kept secret rituals taught only to initiates are used to further the order's members along their paths Today in the centers of the civilized world there is renewed interest in esoteric schools and although they may be misunderstood by the mainstream some of the noblest people have been among their advocates This book removes the shroud of mystery and fear

from esotericism and makes the Western Mystery Tradition accessible to anyone who has ever been curious about this fascinating spiritual path Revised edition contains a new foreword by Gareth Knight and an index
