Esoteric Astrology Douglas Baker, 1982 *Esoteric Astrology - Vol. 9* Dr. Douglas M. Baker, 2016-10-31 Intercepted Signs First House through Sixth House **ESOTERIC ASTROLOGY - VOL. 10** Dr. Douglas M. Baker, 2017-08-10 Introduction to ESOTERIC ASTROLOGY VOL 10 INTERCEPTED SIGNS Seventh House thru Twelfth House By Dr Douglas M Baker Intercepted Signs are not a rarity in esoteric astrology Probably a quarter of the world s population is involved It is a rarity to find them adequately dealt with in a horoscope Volume 9 and 10 help to remedy this situation An intercepted Sign indicates the element of being boxed in if only in the sense of peoples ice bound during winter in the far northern hemisphere and in the sea locked fiords But out of even these extremes may emerge the superlative First House of some quality which carries in it genius and existentialism reminiscent of the fiery Norsemen themselves with their red flaming hair First Ray physical bodies and propensity bent Twelfth House for navigation exploration and colonization thereby expressing and spreading the initial and rare qualities of the emerging Anglo Saxon sub race Intercepted in astrology means a Sign which lies between two houses without occupying the cusp of either Intercepted charts usually emerge where the native is born in extreme latitudes north or south and may even produce four intercepted Signs Whilst esoteric astrology is primarily concerned with the hegemony of the soul as it progressively asserts itself in the life of the individual it is also capable of providing the personality with direction and useful advice When we are dealing with Man on the Path a far far more accurate an interpretation of his situation its potentials and limitations for expression is given here by using the esoteric rulers of the Signs of the Zodiac as demonstrated in esoteric astrology The development of the computer has made the horoscope available to the millions and it is but a matter of time before the same computers begin to sieve out the real from the unreal In the end however the real is only discovered within and the fullest exposition of esoteric astrology gives the keys to such discoveries within and their correlation to wide and more universal principles To ignore the individual horoscope is to leave astrology esoteric or exoteric with feet of clay What this writing represents is a wiser and more psychosynthetic interpretation of the horoscope Thus providing the interpreter views the horoscope from a point of higher synthesis the most accurate interpretation of a personality matter may be gauged from particular astrological aspects Bailey herself or the Tibetan Master through her gave the key to the psychosynthetic approach by allocating esoteric rulerships to the Signs for Man on the Path and a further set of rulers called hierarchical which apply to those disciples who are initiate and engaged in the work of the Hierarchy of this planet as It implements the Divine Plan for the Earth *ESOTERIC ASTROLOGY - VOL. 7* Dr. Douglas M. Baker, 2015-09-21 Introduction to ESOTERIC ASTROLOGY VOL 7 THE SOUL S PURPOSE CASES 1 16 By Dr Douglas M Baker This very important work is based on an analysis of the horoscope placing emphasis on the Rising Sign as it expresses the Soul s Purpose and its nuances Thus the universal approach is yet maintained but brought to bear on the specific or existential features of the individual s horoscope Via 16 detailed analyses in this volume the earnest student or

professional astrologer is given in depth information regarding Karma previous lives chakras myth objects for meditation the Ray of the Soul and of course the Soul's purpose for the personality Vol 8 treats cases 17-33 The introductory section explains Symbols and Methods used Planetary Rulers Chart Interpretation Permutations in Basic Symbols Compound Complexes The Rising Sign House Cusps Sun Earth Opposition Astrological Parsing Literal Parsing Aspects Use of Angular Aspects Planet Sign House Influences Intercepted Signs Retrograde Planets Karmic Indications in the Horoscope Whilst esoteric astrology is primarily concerned with the hegemony of the soul as it progressively asserts itself in the life of the individual it is also capable of providing the personality with direction and useful advice When we are dealing with Man on the Path a far far more accurate an interpretation of his situation its potentials and limitations for expression is given here by using the esoteric rulers of the Signs of the Zodiac as demonstrated in esoteric astrology The development of the computer has made the horoscope available to the millions and it is but a matter of time before the same computers begin to sieve out the real from the unreal In the end however the real is only discovered within and the fullest exposition of esoteric astrology gives the keys to such discoveries within and their correlation to wide and more universal principles To ignore the individual horoscope is to leave astrology esoteric or exoteric with feet of clay What this writing represents is a wiser and more psychosynthetic interpretation of the horoscope Thus providing the interpreter views the horoscope from a point of higher synthesis the most accurate interpretation of a personality matter may be gauged from particular astrological aspects Bailey herself or the Tibetan Master through her gave the key to the psychosynthetic approach by allocating esoteric rulerships to the Signs for Man on the Path and a further set of rulers called hierarchical which apply to those disciples who are initiate and engaged in the work of the Hierarchy of this planet as It implements the Divine Plan for the Earth *Esoteric Astrology* Douglas Baker,1979-01 **Esoteric Astrology - Vol. 4** Dr. Douglas M. Baker,2015-02-11 *Esoteric Astrology Vol 4 Rising Signs Aries through Virgo The Theory Interpretation and Practice* This publication takes a new and revitalised look at astrology It is simple to understand yet remains a powerful tool capable of providing a solid foundation for the comprehension of this broad and magnificent subject This textbook like most of Dr Baker's printed books eBooks and DVDs enhances your studies via many charts lists tables and images over 100 in this one This major work is a very comprehensive introduction for those who want to study this subject in earnest and for the more advanced student it will serve as an essential reference manual In today's computer based world it is no longer necessary to spend hours calculating a horoscope when the most modest PCs can do it in seconds and with 100% accuracy Consequently the needless paraphernalia usually associated with learning astrology has been stripped away Emphasis is placed on the application of astrology to the unique problems of the modern world its use as a method of revealing purpose and meaning in life and ultimately as a key to the psychosynthesis of personality The horoscope is described in comprehensive detail with special attention given to the esoteric ruling planets of the zodiac signs which are more relevant than orthodox rulers in the charts of spiritually minded

people The new rulers also accommodate the immense changes in external conditions and inner consciousness that have occurred in the last hundred years and are related to a new range of experience which the brain registers as the externa of the modern world The significance of karma is represented for it gives dramatic effect to our daily actions and the third factor of esoteric psychology lying beyond our understanding of heredity and environment is given full prominence This integrative and enriching work can be read alone as a fascinating introduction and foundation to the New Astrology or can be followed up with the author s extensive range of astrological books and video tapes audio lectures and the all embracing Dictionary of Astrology for the 21st Century Together they provide a complete system for the professional and novice alike containing efficient and extraordinary techniques of interpretation which have never been used before and which halve the time required to assimilate and practise astrology

Introduction to ESOTERIC ASTROLOGY VOL 8 THE SOUL S PURPOSE CASES 17 33 By Dr Douglas M Baker This very important work is based on an analysis of the horoscope placing emphasis on the Rising Sign as it expresses the Soul s Purpose and its nuances Thus the universal approach is yet maintained but brought to bear on the specific or existential features of the individual s horoscope Via 17 detailed analyses in this volume the earnest student or professional astrologer is given in depth information regarding Karma previous lives chakras myth objects for meditation the Ray of the Soul and of course the Soul s purpose for the personality Vol 7 treats cases 1 16 The introductory section explains Symbols and Methods used Planetary Rulers Chart Interpretation Permutations in Basic Symbols Compound Complexes The Rising Sign House Cusps Sun Earth Opposition Astrological Parsing Literal Parsing Aspects Use of Angular Aspects Planet Sign House Influences Intercepted Signs Retrograde Planets Karmic Indications in the Horoscope Whilst esoteric astrology is primarily concerned with the hegemony of the soul as it progressively asserts itself in the life of the individual it is also capable of providing the personality with direction and useful advice When we are dealing with Man on the Path a far far more accurate an interpretation of his situation its potentials and limitations for expression is given here by using the esoteric rulers of the Signs of the Zodiac as demonstrated in esoteric astrology The development of the computer has made the horoscope available to the millions and it is but a matter of time before the same computers begin to sieve out the real from the unreal In the end however the real is only discovered within and the fullest exposition of esoteric astrology gives the keys to such discoveries within and their correlation to wide and more universal principles To ignore the individual horoscope is to leave astrology esoteric or exoteric with feet of clay What this writing represents is a wiser and more psychosynthetic interpretation of the horoscope Thus providing the interpreter views the horoscope from a point of higher synthesis the most accurate interpretation of a personality matter may be gauged from particular astrological aspects Bailey herself or the Tibetan Master through her gave the key to the psychosynthetic approach by allocating esoteric rulerships to the Signs for Man on the Path and a further set of rulers called hierarchical which apply to those disciples who are initiate and engaged in

Baker,2018-03-06 INTRODUCTION TO ESOTERIC ASTROLOGY Vol 11 NEPTUNE RETROGRADE by Dr Douglas M Baker B A MRCS LRCP The Theory Interpretation and Practice of Esoteric Astrology A Comprehensive Exploration of the Subject The retrograde glyph is the doctor s sign for a prescription but it is also the spiritual signpost or omen of the approaching Path The omen can only be read and appreciated by those who have eyes spiritual insight to see it Such people are ready for the Path or have already taken it The twelve ruling planets are descriptive of human consciousness In the man who sees to look elsewhere than the material world for his expression and inspiration his retrogressions are equated with spiritual opportunity Planets become sacred when they go into retrograde motion providing the individual is sufficiently developed to respond to these retrograding qualities certainly some of humanity is unable to put them to any significant use It is possible to give catchwords and phrases to retrograde planets and these can be very much simplified for the purpose of cursory interpretations of charts Spiritual awareness however requires that we provide backup for the general overall meanings of them This takes the form of detailed references to 144 horoscopes covering Neptuneretrograde through all the Signs and Houses These interpretations are in most instances carefully parsed to show that meanings are not arbitrary but very specific and exactly corresponding to the aspect being interpreted [Esoteric Astrology - Vol. 5](#) Dr. Douglas M.
