I am very interested in sports like Cricket, hockey, football etc. I am a Gold medalist in Cricket in school life. I was the Captain of the school team. My life story is all about just believing in myself and keep struggling hard to achieve my main goals. This is my life story all about and I have enjoyed it a lot. I cannot forget these moments in my entire life. I always get full marks in my exams. In my University level when I was in the first semester I was failed in one subject due to some personal issues. But later on I cleared that subject and got full marks in that subject. The second semester of my tenth grade year I put myself back into school and got a part-time job. I began to do well, still a little on the edge but I knew it wouldn't be perfect in a day. It took me a while to get back in the swing of things and live a normal high school life. I give myself credit for doing it on my own. I turned myself around because I knew my lifestyle was wrong and what I was doing was dangerous. I needed time to find myself more than anything, and here I am now a senior awaiting graduation. - Words count (600) Timeline...
