Reflections on the Death of a Porcupine and Other Essays D. H. Lawrence,1988-01-29 Reflections on the Death of a Porcupine and Other Essays restores what Lawrence wrote *Think Little* Wendell Berry,2019-11-05 First published in 1972 Think Little is cultural critic and agrarian Wendell Berry at his best prescient about the dire environmental consequences of our mentality of greed and exploitation yet hopeful that we will recognize war and oppression and pollution not as separate issues but aspects of the same Think Little is presented here alongside one of Berry s most popular and personal essays A Native Hill This gentle essay of recollection is told alongside a poetic lesson in geography as Berry explains at length and in detail that what he stands for is what he stands on Each palm size book in the Counterpoints series is meant

to stay with you whether safely in your pocket or long after you turn the last page From short stories to essays to poems these little books celebrate our most beloved writers whose work encapsulates the spirit of Counterpoint Press cutting edge wide ranging and independent *The Essay* Morris Edmund Speare,1927 **Bulletin** Texas Education Agency,1925

Manual ,1878 **Vain Fortune** George Moore,1895 This is a pre 1923 historical reproduction that was curated for quality Quality assurance was conducted on each of these books in an attempt to remove books with imperfections introduced by the digitization process Though we have made best efforts the books may have occasional errors that do not impede the reading experience We believe this work is culturally important and have elected to bring the book back into print as part of our continuing commitment to the preservation of printed works worldwide *Encyclopedia of Post-Colonial Literatures in English* Eugene Benson,2004-11-30 Documents the history and development of Post colonial literatures in English together with English and American literature and includes original research relating to the literatures of some 50 countries and territories In more than 1 600 entries written by more than 600 internationally recognized scholars it explores the effect of the colonial and post colonial experience on literatures in English worldwide The Open Shelf ,1919 *The Radical Middle Class* Robert D. Johnston,2013-10-31 America has a long tradition of middle class radicalism albeit one that intellectual orthodoxy has tended to obscure The Radical Middle Class seeks to uncover the democratic populist and even anticapitalist legacy of the middle class By examining in particular the independent small business sector or petite bourgeoisie using Progressive Era Portland Oregon as a case study Robert Johnston shows that class still matters in America But it matters only if the politics and culture of the leading player in affairs of class the middle class is dramatically reconceived This book is a powerful combination of intellectual business labor medical and above all political history Its author also humanizes the middle class by describing the lives of four small business owners Harry Lane Will Daly William U Ren and Lora Little Lane was Portland s reform mayor before becoming one of only six senators to vote against U S entry into World War I Daly was Oregon s most prominent labor leader and a onetime Socialist U Ren was the national architect of the direct democracy movement Little was a leading antivaccinationist The Radical Middle Class further explores the Portland Ku Klux Klan and concludes with a national overview of the American middle class from the Progressive Era to the present With its engaging narrative conceptual richness and daring argumentation it will be welcomed by all who understand that reexamining the middle class can yield not only better scholarship but firmer grounds for democratic hope Table Talk ,1901 **The Black Swan** ,1927 Essays I R. L. Stevenson,2018-06-06 An analysis of novelistic explorations of modernism in mathematics and its cultural interrelations **Literature** ,1899
