## Essays Of Montaigne 3vol:

**Essays of Michel de Montaigne** Michel De Montaigne, Charles Cotton, 2014-02-14 One of the wisest thinkers of the Renaissance Michel de Montaigne's essays give us a glimpse to his constantly changing and expanding view of the world

*A Catalogue of the Entire Libraries of Charles Hedges, Esq. Late of the Garter-House, Windsor-Castle, Containing a Fine Collection of Classics, and Books on the Belles-lettres; and of the Rev. William Cole, the Eminent Antiquary, Late of Milton, Near Cambridge, Comprising Books on All Subjects of English Antiquity, Biography, Monastic and Ecclesiastical History, and a Few Rare Articles of Italian Literature:* Benjamin White, 1784      **The Complete Essays** Michel Montaigne, 2004-03-25

Michel de Montaigne was one of the most influential figures of the Renaissance singlehandedly responsible for popularising the essay as a literary form This Penguin Classics edition of The Complete Essays is translated from the French and edited with an introduction and notes by M A Screech In 1572 Montaigne retired to his estates in order to devote himself to leisure reading and reflection There he wrote his constantly expanding essays inspired by the ideas he found in books contained in his library and from his own experience He discusses subjects as diverse as war horses and cannibals poetry and politics sex and religion love and friendship ecstasy and experience But above all Montaigne studied himself as a way of drawing out his own inner nature and that of men and women in general The Essays are among the most idiosyncratic and personal works in all literature and provide an engaging insight into a wise Renaissance mind continuing to give pleasure and enlightenment to modern readers With its extensive introduction and notes M A Screech's edition of Montaigne is widely regarded as the most distinguished of recent times Michel de Montaigne 1533-1586 studied law and spent a number of years working as a counsellor before devoting his life to reading writing and reflection If you enjoyed The Complete Essays you might like Francois Rabelais's Gargantua and Pantagruel also available in Penguin Classics Screech's fine version must surely serve as the definitive English Montaigne A C Grayling Financial Times A superb edition Nicholas Wollaston Observer      **A**
