Essential Articles For The Study Of Jonathan Swifts Poetry

Daniel Cook

Essential Articles For The Study Of Jonathan Swifts Poetry:

Essential Articles for the Study of Jonathan Swift's Poetry David M. Vieth,1984 *Essential Articles for the Study of Jonathan Swift's Poetry* David M. Vieth,1984 **A Study Guide for Jonathan Swift's "A Description of the Morning"** Gale, Cengage Learning,2016 A Study Guide for Jonathan Swift s A Description of the Morning excerpted from Gale s acclaimed Poetry for Students This concise study guide includes plot summary character analysis author biography study questions historical context suggestions for further reading and much more For any literature project trust Poetry for Students for all of your research needs **Reading Swift's Poetry** Daniel Cook,2020-08-13 This book explicates Jonathan Swift s poetry reaffirming its prominence in competing literary traditions **Jonathan Swift** Nigel Wood,2014-06-11 This collection of critical thinking situates the satire of Jonathan Swift within both its eighteenth century contexts and our modern anxieties about personal identity and communication Augustan satire at its most provocative is not simply concerned with the public matters of politics or religion but also offers a precise medium in which to express the paradox of ironic detachment amidst deep conviction The critics chosen for this volume demonstrate the complexity of Swift s work Its four sections explore matters of authorial identity the relation between Swift s writing and its historical context the full range of his comments on gender and his deployment of metaphor and irony to engage the reader Swift has often been regarded as a writer who anticipated many twentieth century cultural preoccupations and this volume provides an opportunity to test just how modern he actually was It also provides an answer to those who would wish to simplify his writing as that of Tory and misogynist The theoretical perspectives of the contributors are lucidly explained and their critical terms located in the wider contexts of contemporary theory in the introduction and headnotes The volume places Swift historically within the philosophical and religious traditions of eighteenth century thought **Jonathan Swift and the Burden of the Future** Alan D. Chalmers,1995 Alan Chalmers s Jonathan Swift and the Burden of the Future explores Swift s temporal apprehension in the context of the pertinent seventeenth and eighteenth century religious scientific and cultural debates It also compares Swift s imaginative understanding of time with that of such other writers as Juvenal Rabelais Milton Pope Gray and Whitman **BOOK JACKET** Title Summary field provided by Blackwell North America Inc All Rights Reserved **Jonathan Swift** Leo Damrosch,2013-11-12 Draws on discoveries made in the past three decades to paint a new portrait of the satirist speculating on his parentage love life and relationships while claiming that the public image he projected was intentionally misleading [The Cambridge Companion to Jonathan Swift](#) Christopher Fox,2003-09-11 The Cambridge Companion to Jonathan Swift is a specially commissioned collection of essays Arranged thematically across a range of topics this 2003 volume will deepen and extend the enjoyment and understanding of Jonathan Swift for students and scholars The thirteen essays explore crucial dimensions of Swift s life and works As well as ensuring a broad coverage of Swift s writing including early and later works as well as the better known and the lesser known the Companion also offers a way into current critical and theoretical issues

surrounding the author Special emphasis is placed on Swift's vexed relationship with the land of his birth Ireland and on his place as a political writer in a highly politicised age The Companion offers a lucid introduction to these and other issues and raises questions about Swift and his world The volume features a detailed chronology and a guide to further reading

Eighteenth Century English Poetry Nalini Jain, John Richardson, 2016-07-01 This anthology of 18th century English poetry is extensively annotated for a new generation of readers It combines the scope of a period anthology with the detailed annotations of an authoritative single author edition Selected poets include John Wilmot Earl of Rochester John Dryden Jonathan Swift Anne Finch Countess of Winchelsea Joseph Addison Alexander Pope and William Cowper The guiding principle of the annotation is one of thoroughness the editors concentrate on works where the meanings have changed on primary allusions and on relevant details of social and political history

The Narratological Analysis of Lyric Poetry Peter Hühn, Jens Kiefer, 2011-08-11 This study offers a fresh approach to the theory and practice of poetry criticism from a narratological perspective Arguing that lyric poems share basic constituents of narration with prose fiction namely temporal sequentiality of events and verbal mediation the authors propose the transgeneric application of narratology to the poetic genre with the aim of utilizing the sophisticated framework of narratological categories for a more precise and complex modeling of the poetic text On this basis the study provides a new impetus to the neglected field of poetic theory as well as to methodology The practical value of such an approach is then demonstrated by detailed model analyses of canonical English poems from all major periods between the 16th and the 20th centuries The comparative discussion of these analyses draws general conclusions about the specifics of narrative structures in lyric poetry in contrast to prose fiction

The Cambridge Companion to English Poets Claude Julien Rawson, 2011-01-27 This volume provides essays by twenty nine leading scholars and critics on the best English poets from Chaucer to Larkin

Reader's Guide to Literature in English Mark Hawkins-Dady, 2012-12-06 Reader's Guide Literature in English provides expert guidance to and critical analysis of the vast number of books available within the subject of English literature from Anglo Saxon times to the current American British and Commonwealth scene It is designed to help students teachers and librarians choose the most appropriate books for research and study

The Cambridge History of English Poetry Michael O'Neill, 2010-04-29 A literary historical account of English poetry from Anglo Saxon writings to the present

Factions' Fictions Daniel Eilon, 1991-07 An understanding of the linguistic political and moral ramifications of Private Spirit the parochialism and partiality typical of clubs parties and cabals provides insights into the logic behind Swiftian polemic and satire Swiftian satire an essentially private joke offering exclusive satisfaction to an elite fraternity of insiders is shown to be a creative rhetorical adaption of private spirit

The Basic Writings of Jonathan Swift Jonathan Swift, 2002 This edition of Jonathan Swift's basic works contains the authoritative texts of all his most important prose writings as well as many shorter pieces poems and letter extracts Included are Gulliver's Travels Swift's devastating picture of human nature and human foibles A Tale of a Tub his scathing attack on the intellectual

culture and religious excesses of his time The Battel of the Books his defense of the classical tradition and the unforgettable Modest Proposal in which he proposes that the Irish in order to avoid starvation eat their children *Gulliver's Travels* - Jonathan Swift, New Edition Harold Bloom, 2009 Presents a collection of essays analyzing Jonathan Swift's Gulliver's travels including a chronology of the author's works and life

The Donna Angelica and the British Enlightenment Poets A.D. Cousins, 2024-08-29 The aim of the book is to propose new interpretations of poets who are among the most valued and discussed in the British Enlightenment In fulfilling its aim the book covers English poetry and intellectual history from the Restoration to the later eighteenth century It examines how the myth of the donna angelica the angelic lady ancient in origin but given its best known form within the medieval literature of fin amor lives on beyond the Middle Ages and the Renaissance into the Enlightenment To be more precise it studies how some major Augustan poets appropriate and recreate what for convenience can be called the donna angelica topos or the angelic lady motif They do so for a great many reasons linked with quite diverse circumstances Nevertheless the myth's intellectual richness emotional intensity and inherent ambiguities mean that it offers each of them a powerful way for articulating interpreting exploring refractions of eros whether singly or diversely directed concerned with sexuality or spirituality informing personal or public experience The myth has as many faces so to speak as does desire it is one and yet many Thus the book pursues a particular fable of eros that appears in a multiplicity of texts in a multiplicity of guises It studies how some of the most interesting poets from Dryden to Crabbe bring the angelic lady motif into modernity

Jonathan Swift Robert Hunting, 1989 A study of the writer providing an overview of his career and analyzing his major works

Satire Dustin Griffin, 2021-03-17 Here is the ideal introduction to satire for the student and for the experienced scholar an occasion to reconsider the uses problems and pleasures of satire in light of contemporary theory Satire is a staple of the literary classroom Dustin Griffin moves away from the prevailing moral didactic approach established thirty some years ago to a more open view and reintegrates the Menippean tradition with the tradition of formal verse satire Exploring texts from Aristophanes to the moderns with special emphasis on the eighteenth century Griffin uses a dozen figures Horace Juvenal Persius Lucian More Rabelais Donne Dryden Pope Swift Blake and Byron as primary examples Because satire often operates as a mode or procedure rather than as a genre Griffin offers not a comprehensive theory but a set of critical perspectives Some of his topics are traditional in satire criticism the role of satire as moralist the nature of satiric rhetoric the impact of satire on the political order Others are new the problems of satire and closure the pleasure it affords readers and writers and the socioeconomic status of the satirist Griffin concludes that satire is problematic open ended essayistic and ambiguous in its relationship to history uncertain in its political effect resistant to formal closure more inclined to ask questions than provide answers and ambivalent about the pleasures it offers

The World of Pope's Satires Peter Dixon, 2022-01-29 First published in 1968 The World of Pope's Satires is a stimulating and challenging book showing how the satires written by Pope during the 1730s were not only expressions of his own poetic

personality but were also responsive to the habits and attitudes of the age The author considers Pope s uses of some current conversational technique especially that of raillery and of the closely related social ideal of the cultivated gentleman Pope s regard for certain personal attributes and moral values notably hospitality integrity friendship charity and self knowledge is examined in two ways as it expresses itself positively in the satires and as it is defined negatively by his antipathy towards courtly self seeking and hypocrisy contemporary manifestations of acquisitiveness and the pride associated with neo stoicism The final chapter is wide ranging and shows that although Pope is at times representative and therefore limited in his response to the pressures and uncertainties of the age his satires live because of the subtlety of his treatment of such Augustan commonplaces as Order and Balance and the passion and spirit of his writing This will be an interesting read for students of English literature

Eventually, you will very discover a further experience and skill by spending more cash. nevertheless when? do you assume that you require to acquire those all needs following having significantly cash? Why dont you attempt to acquire something basic in the beginning? Thats something that will guide you to comprehend even more almost the globe, experience, some places, with history, amusement, and a lot more?

It is your unconditionally own grow old to pretense reviewing habit. among guides you could enjoy now is **Essential Articles For The Study Of Jonathan Swifts Poetry** below.
